Manasseh was twelve years old when he began to reign, and reigned fifty and five years in Jerusalem. And his mother's name was Hephzibah. And he did that which was evil in the sight of the Lord, after the abominations of the heathen, whom the Lord cast out before the children of Israel. For he built up again the high places which Hezekiah his father had destroyed; and he reared up altars for Baal, and made a grove, as did Ahab king of Israel; and worshipped all the host of heaven, and served them. And he built altars in the house of the Lord, of which the Lord said, In Jerusalem will I put my name. And he built altars for all the host of heaven in the two courts of the house of the Lord. And he made his son pass through the fire, and observed times, and used enchantments, and dealt with familiar spirits and wizards: he wrought much wickedness in the sight of the Lord, to provoke him to anger. 2 Kings 21:1-6

If you use your sexual organs recklessly, like a blind person who is wandering here and there because he has lost his way, you are bound for hell. On the other hand, if you use your sexual organs according to God's standard of absolute love, you will go to the highest realm of the Kingdom of Heaven. SMM, CSG 1290

Greetings!

Sunday morning began with a shocking event in which Hyung Jin Nim's and Yeonah Nim's 2nd son, Shin Man, and daughter, Shin Goong, were involved in a serious car accident when their car hit "black ice" while driving to church. Fortunately, with God's protection, they were not harmed! Here is the 2nd King's message about the accident and God's protection:

BY THE HAND OF GOD MY 2 CHILDREN ARE ALIVE!!! They were in a black ice car accident on their way to church today. They are ok because of GOD'S MIRACLE! They were traveling at 65 mph and could have easily died today. Be thankful each day and moment God gives, as each moment is a gift of God's LOVE & GRACE!!! I Praise the Lord Almighty for keeping my babies and for letting them have another day!!!

While the 2nd King took Shin Man and Shin Goong to the hospital to make sure they did not have any internal injuries, Timothy Elder and I filled in for the Sunday Worship Service. We showed a video of a powerful talk given by Hyung Jin Nim on December 15, 2012 at an OSDP workshop in NYC about "Absolute Good Sex."

He explained how True Father appeared to him in a vivid dream shouting "Cheoltae Seong" which in Korean means "Absolute Sex!" He realized that this is the core of True Father's teaching. This led him to see how many of Jesus parables, such as the parable of the Sower in Matthew 13 also related directly to this core message. From this we can see that Jesus knew about the sexual nature of the Fall.

It is sad that the Han Mother now teaches that the human Fall was caused by

"greed." Since most of the pastors who welcomed True Father were African American, it is not an act of love to withhold the Principle explanation of the real nature of Adam and Eve's transgression. Sex outside of marriage devastates the Black community and causes immense suffering for them, as it does for people of all races.

"Good Sex" Is the Core of the Gospel (Sunday Service 1/5/2020)

The idea that "greed" is the root evil is at the core of Marxist Liberation Theology which seeks to institute centralized state socialism and communism which is the opposite of the Principle teaching that the Kingdom of Heaven begins with individuals and families which have been transformed by God's truth. To give just one example, the federal requirement that recipients of government aid have no married father in the home has decimated poor families and traps them in a system which is the opposite of God's ideal of the 3 Blessings.

Within a few months of giving this inspiring talk, Hyung Jin Nim was told he must immediately stop sharing about Absolute Sex and was then fired. Think about how different America might be today if the Unification Movement, ACLC clergy and other core allies had boldly proclaimed this message throughout the nation during the last 7 years!

In his King's Report from January 6, Hyung Jin Nim discussed how the King of Judah Manasseh's unprincipled sexual relationships led him to marry foreign women and to bring in Baal worship and child sacrifice including his own children (2 Kings 21). Bad sex leads to separation from God and evil practices which destroys the civilization and brings God's judgment.

In modern times there is a $38 billion Sex Trafficking industry. Hyung Jin Nim strongly recommended Craig Sawyer's podcasts at OvercomeAndConquer.com website in which he describes how government, the entertainment industry and Silicon Valley are all involved with the misuse of sex including sexual exploitation, trafficking and pedophilia.

Andrew Wilson vs Sun Myung Moon

In an essay posted on the FFWPU International Headquarters website dated December 17, 2019 titled "Why Does True Mother Call Herself the Only Begotten Daughter?", UTS professor Andrew Wilson makes a startling statement about the status of True Parents:

"The Parent position (is) not secure. This should be a cause for concern."

This is a shocking admission from FFWPU's lead theologian, since we have been repeatedly reassured since Father's passing that everything is fine with the Only Begotten Daughter's leadership, since, you guessed it, "True Parents are One."

Here is Andrew's statement in the two paragraphs where it appears:

I have come to the realization, based on my study of the Principle, that in calling herself God's daughter, True Mother has in fact lowered herself. Her proclamation is not puffing herself up, but is actually going down, from the parent position to the child position.
There is only one reason she would do that: ***The Parent position was not secure. This should be a cause for concern.***

Cancelation of the Perfection Stage Blessing of True Parents

As evidence Andrew refers to Father's cancelation of the Perfection Stage wedding that was to take place on God's Day 2012. I do think it is significant that the Family Fed has finally admitted that True Father's Formation Stage blessing to Hak Ja Han in 1960 and the Growth Stage blessing in 2003 were never completed at the Perfection Stage level. However, instead of an honest discussion about the real reasons why the third stage Blessing was not fulfilled, Andrew comes up with a novel theory. According to him, the Perfection Level Blessing of True Parents never took place because:

And the high priest stood up in the midst and asked Jesus, saying, "Do You answer nothing? What is it these men testify against You?" But He kept silent and answered nothing. Again the high priest asked Him, saying to Him, "Are You the Christ, the Son of the Blessed?" Jesus said, "I am. And you will see the Son of Man sitting at the right hand of the Power, and coming with the clouds of heaven." Then the high priest tore his clothes and said, "What further need do we have of witnesses? You have heard the blasphemy! What do you think?" And they all condemned Him to be deserving of death. Then some began to spit on Him, and to blindfold Him, and to beat Him, and to say to Him, "Prophesy!" And the officers struck Him with the palms of their hands. Mark 14:60 - 65

In your family life during marriage, in order to feel true joy, you should bring God into the center and make a relationship where you can love each other while watching God rejoicing together with you. A man and a woman getting married and making love is not something you should be ashamed of. This is something most dignified, holy and beautiful. However, since the first human ancestors violated God's commandment, the history of love has been a sinful one and has been flowing in a shameful direction. SMM, CSG 486.

Greetings!

Mira Williams Prayer

In Sunday's Sanctuary Service Hyung Jin Nim started by expressing gratitude that the lives of two of his children, Shin Man and Shin Goong were spared in their car accident last Sunday. He then discussed how True Father spent many years in Las Vegas, even gambling in its casinos. For some, this was hard to understand. What was he doing there? Now we can understand that he was looking for the "Casino King." Then we saw in 2016, Donald Trump, a king of casinos, elected to the U.S. Presidency and his efforts to strengthen America and its freedoms of religion and self-defense.

Two thousand years ago, claiming that you are the messiah was not a crime punishable by death according to orthodox Jewish law. Faithful Jews who condemned Jesus to death had an expectation of the literal fulfillment of Daniel 7 with a supernatural coming on the clouds or of millions who would welcome the Messiah. There are now more than one billion Christians around the world, but at that time there were only 11 disciples left after the Resurrection who stood with him. The Greek word *nephos* means clouds. It also means a multitude of people.

It's not about big numbers of lukewarm people, but about a strong remnant. Civilization is built by committed people ready to die for the Lord. They changed the world.

"Art thou the Son of the Blessed?" And Jesus said, "I Am"
Sanctuary Church Sunday Service 1/12/20

We are surrounded by people of good will, who may not understand everything, but trust and want to support us. We represent God's authority. Many are ex-military who watch to see what we are really about. Our situation is mild compared with the time of Jesus, when they rounded up followers of Jesus to stone and kill them.

Today's Free Sex culture is opposed to True Father's teachings about the Fall of Man.

Early Christian followers of True Father who were in college saw the devastation that fallen sex does to families and understood that his teaching made much more sense than the idea of a Fall from eating a literal fruit. Divorce and single motherhood is the number one predictor for child poverty. Outside of marriage sex is extremely destructive.

People could follow Buddhist teachings to avoid all desires including sex but then there would be no lineage. Even agnostic philosopher/podcaster Stefan Molyneux who does not believe in God, honors the protective value of Judeo-Christian teachings.

When people hear the Principle teaching about the Fall for the first time, their eyes are opened and they are able to see the reasons for the dysfunction of secular families. Then they can choose to say, "I don't want to live that way and repeat the fall."

Queen Yeonah Nim at Shooting Range

Many of the sex predators that Craig Sawyer caught are government employees. His Instagram account has been shut down 5 times. People who were working in government jobs in Korea and Japan saw Hyung Jin Nim's sermons about TF teachings and quit because of the sexual corruption they saw on a regular basis.

In the nation of Cheon Il Guk, sex predators will be put on trial and, if found guilty, be put to death. Bad sex destroys whole civilizations. That's why the power of the Blessing is so meaningful. It benefits you personally, plus the larger community.

Why did FFWPU Edit Hak Ja Han's Speech?

Many Unificationists were probably encouraged that the Han Mother mentioned True Father Sun Myung Moon's name in her public speeches after four years of avoiding any identification of whom she married in 1960. She did so a little more than two weeks ago in her Dec. 28 speech in Newark, NJ titled, "Clergy Rally, A New Hope of a Heavenly Unified World." Then Tim Elder, Director of World Missions for the Unification Sanctuary took a closer look at the speech.

During her remarks at the rally, Hak Ja Han said the following: "□□ □□□ □□□ □ □□ □□□ □□ □□□□ □□□□□□□ □□ □□□ □□ □□ □□□□ 1960□□ □□□ □□□□.

Tim Elder's translation is as follows: "In 1960, because I knew Heaven's providence, I married Moon Sun Myung, who came with the substitute mission of Jesus Christ who said he would return."

Tim explains, "In Korean culture, only a criminal would deserve to have his name called out in public without so much as a "Mr." in front of his name.

A person who understands Korean language and culture will certainly be shocked by Hak Ja Han's conscious choice (she thought about for several seconds) not to put even the smallest honorific next to Father's name.

In fact, the person who inputted Korean subtitles into the Peace TV edition of this event inserted the words "□□□" (honored president) in parentheses after Father's name. The official English version inserts "Dr." before Father's name in the subtitles. So even the Family Federation staff realized that Han had gone too far in her effort to reduce Father."

When the "Mother of the Universe" feels no need to express respect for the Father even humble translators see the need to hide that fact by adding honoring words she never said. However, this omission does not stand alone, but is part of the larger context to obscure his teachings. Read below.

Responses to "Hak Ja Han Teaches 'GREED' CAUSED THE FALL"

- **John:** Richard, please explain your understanding of greed. To me greed would be a state of mind to use others for personal gain whether material, emotional, spiritual, or sexual. The opposite of greed would be living for the sake of others and noon-day-sun living meaning if people live in a greedless state, they would not use others for short term pleasure which would of course would include sex. I don't see a contradiction in the messages, but understand True Mother is addressing the state of mind prior to sexual activity

- **Richard:** John, you could frame it that way, but I am most concerned about the AUDIENCE. Just telling them that "greed" caused the Fall gives them no clue about the real nature of God's command and no real insight about the importance of reserving sex for marriage. In the context of historically high out-of-wedlock births among African-Americans (70%), among Hispanics (52%),

among White non-Hispanics (30%), we are doing people no favors by being vague.

- Also, the term "greed" could easily be linked to the Marxist idea that "you are poor and suffering because all rich people are greedy." Thus leaving them open to the temptation of government socialism to redistribute wealth from the "oppressors to the oppressed." This of course would violate the 10th commandment: THOU SHALT NOT COVET THY NEIGHBOR'S GOODS. It would also encourage them to think of themselves as "passive victims" instead of using their God-given creativity to achieve their own goals in life.

- The fact that Hak Ja Han sees no need to even pretend that she still wants to spread such a core Divine Principle teaching has obvious implications...

And He answered and said to them, "Have you not read that He who made them at the beginning 'made them male and female,' and said, 'For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh'? So then, they are no longer two but one flesh. Therefore what God has joined together, let not man separate." Matthew 19:4-6

Two persons should become absolutely one through pure love. No one can fulfill this by himself. Man and woman are two beings, so how can they become one absolute being? The basis for absolute family which is a model of absoluteness, peace and ideal is none else than sexual organs of man and woman.

We cannot make a final solution to the fundamental issues of the universe without referring to sexual organs. That's how precious they are. You all - men and women - have them. Things like free sex or homosexuality must be shattered into pieces, buried, extinguished in the world of heavenly law. People born in such a lineage are scary. But how do we return to the original state?

God's main attributes are absoluteness, uniqueness, eternity and immutability. There is nothing higher to aspire for than absolute spouses, peaceful spouses and ideal spouses.
The lineage was changed because of the Fall. It was the same as if some bandit kidnapped the bride right at the wedding ceremony and she later gave birth to his children.
SMM, *Absolute Sex is Important,* March 7, 2007, CheonJeong Peace Palace

Greetings!
Since the 2nd King and Queen are driving out to Las Vegas where we will celebrate God's Day and the 100th Anniversary of True Father's birth, a video of a very deep and meaningful talk that Hyung Jin Nim and Yeonah Nim gave on January 30, 2013 was shown. Here are some of the key themes:

The main issue is the ownership of the sexual organs. Satan invaded the lineage through their misuse, but God will reclaim the lineage through their intended use.

DIVIDING LINE between Heaven and Hell (Sunday Service 1/19/2020)

They spoke about the need for repentance. Even if we have not committed such sins as murder, theft or adultery we have committed other sins. **Yeonah Nim confessed that there were times that she resented God.** Father gave a prophecy to her parents that they would give birth to a great military general, but they had 3 daughters and a son who had brain damage at his birth. When True Father asked her to give her testimony, she confessed that at times she had resentment towards him because of this false prophecy. But he said "who says a war general has to be a man? A woman can be a great war general, too!" With those words her resentment melted.

Hyung Jin Nim explained that repentance is not about hating yourself for your sins. Then your focus is still on yourself. Acknowledge your insufficiency, but then glorify God. Father said that if you have an empty cup then God can pour in His grace.

This does not mean we should take God's forgiveness for granted and think we can keep on sinning. That would be like peeing on someone, apologizing, and then doing it again. We would not do that to another human being, but God is more precious than any human being and yet many keep on abusing Him.

We should not be legalists like the Pharisees. Then we would be like Satan who also was proud of his intellect and accomplishments and looked down on Adam and Eve.

Hyung Jin Nim confessed that he realized that he also had sin, that there were times that he resented and doubted God. He never murdered anyone, but there were times when he threw God's heart over a cliff. We should not look down on those whom God in His grace chooses to forgive, but just say "God is great!"

Many of us did not take True Father's Absolute Sex teaching seriously, or were ashamed and embarrassed when he spoke about this topic.

Yeonah Nim said many brothers and sisters feel judged by the discussion of Absolute Sex since their marital relationship and intimacy were far away from that standard. But even though we are not perfect now, we can make one step forward and God will add His blessing to take us two steps more.

Hyung Jin Nim asked "what is our heroic mission?" Advocates of "Bad Sex" believe they will stop AIDS and save the world through promoting "Sexual Rights" and condom education. All of us want to think that we have a heroic purpose, but what is it?

We say we will accomplish "world peace" but how? **We will establish God's Kingdom through practicing Absolute Good Sex.** Men who focus on making their wives happy are healthier, happier and make more income. When couples are fulfilled with each other they are also giving joy to God.

"Living with your enemy" is marital torture. Many in that situation have no hope. But if that relationship is healed by God and improves, then your relationship changes from hell to heaven.

Yeonah Nim said that several sisters have approached her, saying "I don't think about sex all the time," but women love romantic stories which in the end always culminate in sexual union of the lovers. So ultimately women are also thinking about sex.

Having a good sex marriage gives joy to God, to your family and the community. **Countries in which the majority practice bad sex are committing demographic suicide** since those couples have no commitment to each other or to any offspring created through their "bad sex." That is why so many destroy their unborn children through abortion or if the babies survive the birth process, they are abandoned or neglected, instead of being cherished as precious gifts from God.

FFWPU Teaches What Hak Ja Han WILL NOT

After we finished watching the video, I asked, ' Who do you want to follow? Someone who is demanding that you worship them, like the Only Begotten Daughter, or someone who is humbly willing to confess their faults?"

Several FFWPU brothers were angry with me for reporting that the Han Mother is teaching that greed caused the Fall. They say that while the act was misuse of sex, greed was a motivation for the Fall.

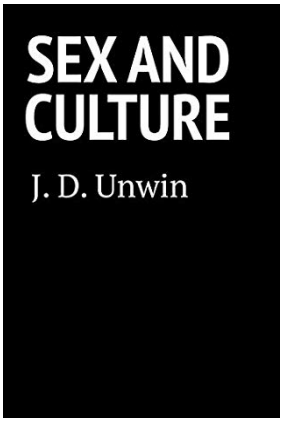

Actually, I agree. You could say that resentment, pride, excessive desire or greed were motivations that caused the Fall, but the act was the misuse of sexual love. **These Family Fed brothers are willing to teach what Hak Ja Han is not willing to teach- the sexual act through which the Fall occurred. But that only makes Satan happy** since he then gets to keep on hiding his crime while the human race continues to be deceived and suffer under his dominion. If America and other nations do not know and practice Good Sex, their future will be dark.

Instead of being happy that Hyung Jin Nim and Yeonah Nim were speaking about Father's teaching, the Han mother was angry and insisted that they stop teaching about it immediately. A few weeks later she had them fired. Now she almost never mentions Father's name and is unwilling to affirm even the most basic of his teachings.

We should be so grateful that this couple did not simply walk away after being fired, but were willing to stand in their position, even when the foundation that True Father wanted them to have was stolen away. As we approach God's Day and the celebration of True Father's 100th birthday, let us empty ourselves and lift up God, True Father and be proud of the couple he loved, trusted and anointed! Then God's grace will be able to come down on this earth.

Sex and Culture by J. D. Unwin, 1934

reviewed by Stephen Stacey

Sex and Culture by J.D. Unwin is a study in the core reasons for the rise and fall of civilizations. The amount of positive energy for growth which a culture displays is directly proportional to the intensity of pre-marital abstinence and postmarital-
fidelity that a culture displays. Just as a decrease of sexual opportunity produces a cultural advance, so an increase in sexual opportunity results in a cultural decline.

Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. And when He had fasted forty days and forty nights, afterward He was hungry. Now when the tempter came to Him, he said, "If You are the Son of God, command that these stones become bread." But He answered and said, "It is written, 'Man shall not live by bread alone, but by every word that proceeds from the mouth of God.' "Then the devil took Him up into the holy city, set Him on the pinnacle of the temple, 6 and said to Him, "If You are the Son of God, throw Yourself down. For it is written: 'He shall give His angels charge over you,' and, 'In their hands they shall bear you up, Lest you dash your foot against a stone.' " Jesus said to him, "It is written again, 'You shall not tempt the Lord your God.' " Again, the devil took Him up on an exceedingly high mountain, and showed Him all the kingdoms of the world and their glory. And he said to Him, "All these things I will give You if You will fall down and worship me." Then Jesus said to him, "Away with you, Satan! For it is written, 'You shall worship the Lord your God, and Him only you shall serve.' " Then the devil left Him, and behold, angels came and ministered to Him. Matthew 4:1-11

Members of the Unification Church should not attend God only in a glorious place. I am always aware of this. You must be able to attend God when He visits you in the most miserable place. You must be able to embrace Heavenly Father, whose heart is filled with pains and sorrows, while He is visiting you. Standing as objects of His heart, you must understand His heart so that God could tell you, "You are my son, and my daughter."

If God gives you His blessing at the bottom of Hell, you must have a heart that you are willing to go to the bottom of Hell. If you keep such a heart at the core of your faith, you will never end up in Hell. The spirit world is different from the place people thought of who said, "We are going to Heaven." In this world, people are boastful about anything and believe that they will brag about the same things in the spirit world. However, the spirit world is not like that.

You wish you would attend Heavenly Father. And you must attend Him in reality. You may be longing for a time when Father visits you and looking forward to seeing Him. Then, what kind of preparation did you make in order to meet Him? Did you want to prepare a gorgeous and splendid place to meet Him? I tell you, God will never visit such a place. Heaven is not looking for a luxurious place. Heaven wishes to meet you at a place where you shed blood and tears. This you must know. The Father you meet is not a Father with a smile but a Father who is wounded. He is a father regardless of His own wounds who wants to console and comfort His son who is also wounded, with the deepest and most loving heart. For this purpose, He visits you. From this point, everything will be reversed. Those sons and daughters who are miserable and suffering will be placed in the highest position. Otherwise, other sons and daughters who do not know suffering will be placed in the lowest position. SMM, Heavenly Father Whom We All Want to Attend
February 12, 1961, The Selected Speeches of Rev. Sun Myung Moon, Volume XI

Greetings!
The Second King of Cheon Il Guk, led the 53rd True God's Day Midnight prayer and an especially moving celebration of True Father's 100th birthday at the M Resort hotel in Las Vegas on January 25, which was the 1st day of the 11th year in the Heavenly Calendar.

53rd True God's Day Midnight Prayer 1/25/2020
(True Father's Centennial Anniversary)

On the next day, Hyung Jin Nim started the first Sunday service of this new year by discussing the text in Matthew 4 where the devil mocks and challenges Jesus, saying "you're a child of God, why don't you turn these stones into bread?" Jesus responded, "I will only serve God." Satan wants us to deny our identity as the heirs of Christ and sons of God. But if we deny Father, lose our identity, then Satan can take everything away.

Those who deny Father's heir, mock his crowning, "that's all they talk about." They mock him and other Sanctuarians, saying "you got your crowns from Burger King!" Our crowns do not come from ourselves. They are a gift from God. It doesn't matter what they are made from. Father put his own crown directly on the head of his heir. Hyung Jin Nim did not put his crown on by himself. All of our crowns are connected to that crown worn by the King of Kings.

53rd True God's Day (True Father's Centennial Anniversary) 1/25/2020

Hyung Jin Nim spoke about the NRA Shot show that he attended last week. There was only one guy walking around the Shot show with a bullet crown. People came up and said, "can I shake your hand? I saw you on VICE TV and agree with what you are standing for." Of if they are leftist, they become angry and look angry and evil.
We are the kind of people who should have gone to hell, but because of True Father and the 3 Generation Kingships, have entered Heaven. If we lose God, Satan will try to get back in our hearts.

Our Blessing ring represents Heaven's wedding ring. It does not matter what it is made of. It is not based on our own merit.

Entertainment of 53rd True God's Day 1/25/2020

Wearing the crown and carrying the Rod of Iron represent our acceptance of our God-given sovereignty. As more people understand this, it will change the world.

A Bernie Sander supporter was recorded speaking about putting conservatives in "re-education" camps. If that happens, we, like Jesus, should say, "I only serve God." Marx said we have to get rid of belief in God because that promotes an illusion and that we must educate children that they are the result of materialistic forces and evolution from lower animals. As discussed in the Father Forsaken book, he deeply admired Darwin's theory of evolution as it removed the need for a spiritual cause for the appearance of life on earth. But animals are satisfied with being taken care of by their owner. Don't be like chickens who want to be taken care of by government.

Koreans can be very emotional. If you have a math problem, it doesn't help if you get emotional, which can cloud your thinking. Don't expect an organization to solve your problems. You need to treat each other as Kings and Queens who are connected to God. You must have respect for each other's sovereignty and not bicker like emotional children.

It's easy to criticize, but to actually build something is harder. As leaders, our hearts have to be hot, but our heads must be cool. Have a burning heart, but keep a clear head. When you have a dispute, you need to recognize the other's sovereignty and approach discussions rationally. If you do this, it will be easier to forgive each other and find a common path.

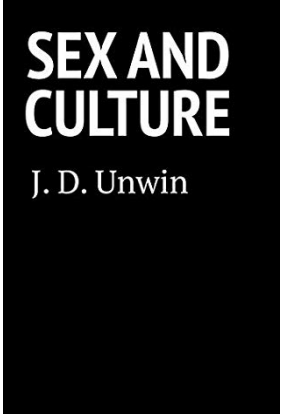

This is beginning of the 11th year of Cheon il Guk. This is a new age. You must all grow so you can exercise the freedom and responsibility that God has bestowed upon you and be ready to protect your sovereignty and freedom with the Rod of Iron.

Who would not fear You, O King of the nations? For this is Your rightful due. For among all the wise men of the nations, And in all their kingdoms, There is none like You.
But they are altogether dull-hearted and foolish; A wooden idol is a worthless doctrine. Silver is beaten into plates; It is brought from Tarshish, And gold from Uphaz, The work of the craftsman And of the hands of the metalsmith; Blue and purple are their clothing; They are all the work of skillful men. But the Lord is the true God; He is the living God and the everlasting King. At His wrath the earth will tremble, And the nations will not be able to endure His indignation. Thus you shall say to them: "The gods that have not made the heavens and the earth shall perish from the earth and from under these heavens." Jeremiah 10:7-11

Don't hesitate to do God's Will. Adam and Eve disobeyed God's command. Then Jesus, the Second Adam, was sent - and he was crucified. Jesus was killed and the fulfillment of the Kingdom was prolonged. We have to understand this. Now, the Second Coming of Christ is upon us. True Parents indemnified the failure of Adam and Eve. Jesus came and was rejected. Father also indemnified this, and this led to the release and liberation of God. We must follow the tradition of Hoon Dok Hae.

Concerning marriage, you can't just marry whomever you want. In the recent blessing, True Parents didn't choose the spouses. The life and death of your children as blessed couples cannot be connected to the satanic world. When this happens, we enter the Kingdom on earth. Everyone who is born on this earth has to know this. Those who don't participate in Hoon Dok Hae will go to hell naturally. There will be no obstacle, they will just go. Kings, Presidents, whoever they are in this world, if they don't receive God's Word (Hoon Dok Hae), they will be lost to hell. [At this time of] the Second Advent, you must stick to these words absolutely. You have to stick to these words at the price of your lives.
SMM, *Every good act will benefit your ancestors,* February 3, 2011

Greetings!
Hyung Jin Nim started the service by recalling how True Father in 2009 and 2010 took his family and church members out fishing in the 120 degree weather on Lake Mead. He spent many hours there fishing and praying. He spoke about the need for a "Casino King" to rise as President in USA.

Pres. Trump is an unlikely one to be chosen as the champion of religious freedom and the Biblical foundation of America. When he spoke at Liberty University he said he never saw the need to repent for his sins. Metanoia means to turn away from what Satan likes to what God likes. Since then President Trump has arguably done more to defend the rights of Christians and Jews than any president in history. The Democrat/Communist party is trying to destroy our nation, but they have been confounded.

The Lord is the True God, Living God, Everlasting King
(Sunday Service 2/2/2020)

The gift of God is freedom. Satan gives free stuff, but makes you a slave. The devil mocked Jesus, saying that he needed to prove his position. Satan will accuse and mock us in the same way. He is trying to take away our crowns.

Righteousness does not always mean following written regulations. America's founding fathers had to break the British laws. Our country is based on standing up to satanic monarchs. The Castle doctrine teaches that we have the right of kings to protect our lives and property.

Regardless of our backgrounds, we become priests and kings through Christ and heirs to God's Kingdom. Governments around the world are afraid of Christians because they have a higher loyalty. Letting Christ sit in the throne of your heart transforms your life. Live your life to give God joy. The devil will always tries to shake your identity. We didn't earn it by our good deeds, but through His grace.

In our public schools, children are taught from a young age that they are descendants of primitive life forms and that it's okay to live mainly to fulfill your instincts, not for any higher purpose and to just live for what gives you pleasure.

He spoke about Jonathan Well's Icons of Evolution and Zombie Science: More Icons of Evolution which challenge the false "truths" taught about "evolution" on a regular basis to young people in the public schools.

Carolyn Burkholder, winner of the Korean Speech Contest, founded by Tim Elder

Yeonah Nim was praying for a Korean mom who was overly controlling of her son. She said, "I could have been like that mom!" We need to have self-governance before governing your family kingdom.

Raise a child like he is your disciple. Prepare for your marriage relationship, not just the wedding ceremony. Learn how to negotiate with love, not anger. Deal with your wife in love, and wives, show respect to your husband. The currency of men is respect. The only way he will change is if he is respected.

We should treat even our opponents with respect, unless he does something that is

wicked.

Don't let the devil shake your identity. A small remnant at Jesus' time changed the world. We are larger than his group. God is not our genie. He has a plan and purpose for each one of us.

You adulterous people! Do you not know that friendship with the world is enmity with God? Therefore whoever wishes to be a friend of the world makes himself an enemy of God. James 4:4

Elijah warned King Ahab that if he worshipped a foreign god, he would perish and that he would starve after a year of bad harvests. However, King Ahab did not listen and instead tried to kill Elijah. Elijah made his escape and sought shelter in the Kerith Ravine. Elijah's heart was very, very sad.

If he had not known Heaven, he could have had a house, parents, relatives, brothers and sisters. He would have had a piece of land where he could live in an environment that recognized him. However, starting from the day he stepped forth for Heaven, he was put in circumstances where he had to hide in a ravine. Still, Elijah did not feel bitter against Heaven. Rather, he blamed King Ahab. He did not feel bitter against the people; he had a grudge against Queen Jezebel. If he had not had a heart of loyalty toward Heaven in an environment where he was being pursued and cornered, he would have abandoned his mission. The more his environment contracted, the more strongly Elijah clung onto Heaven's sorrow and the people. Elijah knew that a life of grieving with Heaven was grander than a life of temporary happiness. Therefore, he moved closer and closer to Heaven, not forsaking his ancestors' historic achievements and disregarding his pain.

For all that, Elijah did not know that Heaven cared more about him than his brothers and sisters did, that Heaven felt more concern about him than his relatives did, and that Heaven was more apprehensive about his safety than his parents were. Humanity comes to know the heart of Heaven only after going past it; this is the sad reality of going forth in search of Heaven.
SMM, The Heart of Heaven in Relation to Elijah, March 15, 1959

Greetings!
Hyung Jin Nim invited Pastor George Cook to give a guest sermon last Sunday. Rev. Cook believes that Hak Ha Han may have known Christ at one time, but forgot his name. She is infected with the Jezebel spirit. It seeks to destroy legitimate ministries and pastorates. Anyone following her is following a demon.

We all began as God's enemies as sinners, but are forgiven and accepted into God's family when we accept Christ. But Christians must be careful not to slide back into worldly values and culture. As scripture states in James 4:4, friendship with the world is enmity with God.

The Power Of Baptism (Sanctuary Church Sunday Service 2/9/20)

Since the "Mother of Peace" theology does not honor and lift up Christ, it is based on lies. She should come to Newfoundland, PA, apologize to her son and give him the keys to the worldwide ministry that his father entrusted to him. If she does so, Pastor Cook would like to be the first to protect her safety.

It's a miracle that True Father could overcome the historic hatred between Koreans and Japanese, through showing his own example of forgiving the Japanese who tortured him, and through international marriage blessings between Korean and Japanese. Generational sin is seldom spoke about in most churches. True Father solved generational sin.

When Pastor Cook visits the DMZ he intends to pray for Kim Jung Un to repent and accept Jesus. People are starving to death right now in NK. All that would change if one man repented.

FFWPU National Council Abolished

by Rosemary Yokoi

FFWPU Regional leader David Rendel met with the Minnesota FFWPU community on January 19 to introduce the new "national organization" of FFWPU which abolishes the Family Fed National Council and the tradition of the local community choosing their own leaders created when Hyung Jin Nim was President.

David Rendell's speech was met with emotionally charged reactions from many churchgoers. The local council yearly elections had been scheduled for that very Sunday, so it was totally unexpected as there had been much local preparation for the council vote. Several asked pointed questions. At one point, he responded, "I'm just the messenger."

One main point was that headquarters would have to sign off from a higher level to the decisions of lower levels. If I understood correctly, he said that the local church could organize not using the term council, maybe "teams" or such, but they should organize and have activities which must be approved by headquarters.

Selection from

January 10, 2020 letter from FFWPU USA

As you know, in December 2017 at East Garden, True Mother announced the restructuring of America into 5 subregions and appointed five Subregional Directors. She explained that the Sub-regional Directors are in "the position similar to that of a national president," and have the authority to appoint the leadership within their subregion.

Following up on this restructuring, the Board of Directors of HSA-UWC discussed the best way to document the necessary changes as they relate to the National Council, National Charter, etc. Eventually, a committee was appointed, consisting of Rev. David Rendel, Rev. Richard Buessing, Mr. Stephen Jares, and Ms. Olga Majitova to draft a new policy organization document to replace the National Charter.

This committee developed the attached policy organization document, which was reviewed by the leadership team and was sent to the Board of Directors for approval. The Board then approved the Church Organization for a Heavenly USA as a policy document that replaces the previous national charter, and thanked the members of the former national council for their service and contribution.

The previous national council, which has been dormant for the last year, is replaced with national leadership team as appointed by True Mother: the five Subregional Directors along with the President and the Chairman of the Family Federation in America. The national leadership team consults with the headquarters' leadership and leaders of the affiliated organizations, as well as represents the leaders and members in the field centering on the five Subregional Directors.

In the document, you will also find in Article V that provision is made for the continuance of local councils to be at the discretion of the Subregional Director in consultation with the President and local leadership.

Rev. Demian Dunkley

Rev. Ernest Patton

See attached 4 page "Church Organization for a Heavenly USA" (As approved by the Resolution adopted on December 3, 2019) which states that:
"This document effectively supersedes and replaces the National Charter, approved by the Resolution of the Board on June 20, 2014 and all of its subsequent amendments."

Seoul UPF "Peace Summit" Providential or Reactionary?

Commentary by Hamish Robertson

The recent high-level UPF conference in Seoul for Korean Re-unification is about as providential as promoting UK's re-admission into the European Union or USA's withdrawal from

NATO.

True Father spoke often about the ideal of re-unifying the two Koreas, which would be central to a re-unified world. However, it was based on the principle of Godism. After the fall of Soviet Communism in 1990, there was an opportunity to bring true Unificationism, which is Godism, to North Korea and the Communist world. True Father also gave the Peace Messages in 2005 and 2006, in order to bring unification through Godism. There was possibly a chance for Korean unification, when Lee Myung-bak, a Presbyterian and a conservative, became president of South Korea in 2008.

True Father ascended in 2012, and the situation has changed drastically since then. The present South Korean president Moon Jae-in is Korea's equivalent to UK's Jeremy Corbyn, though more successful than Corbyn. Under the guise of being a democrat, Moon Jae-in is really a Marxist. He wishes to reunify South Korea with North Korea and to enter the Chinese area of influence. He prefers to antagonise Japan and to reject America.

By Guy Taylor - *The Washington Times* - *Wednesday, February 5, 2020*

SEOUL — Past, present and future leaders from around the globe gathered in the South Korean capital this week to call for world peace and reunification of the Korean Peninsula.

This would not have been True Father's wish or plan. True Father was inspired by God to throw an anchor into America, and connect the Korean providence with the United States, the bulwark of Christianity in the world. That is why True Father went to USA in 1972, and devoted so much time and resources there for the rest of his life. If he had thought otherwise, he would have gone to China, which has been the inspiration of Korean cultural life and language for two thousand years. True Father knew that the safety of the heavenly providence lay with the alliance between South Korea, Japan and USA. The key to God's kingdom lies through Jesus, not through Confucius, and certainly not Marx.

Moon Jae-in is simply riding on the wave of the latent anti-Americanism which exists among many South Koreans. It is a fact of history that the strength of Christianity in Korea before and during the Japanese occupation was in the north of Korea, but this was destroyed by the Soviet Communist takeover in 1945. Only the US and allied forces could save South Korea in the Korean War. However, the gratitude of South Koreans towards USA has grown less and less over the seventy years or so since the Korean War. The South Korean economy is deeply entangled with China now. Many South Koreans look to China as their main partner, not America. Capitalist-cum-communist China now converges with leftist and socialist South Korea. Communist North Korea can make it a threesome. Was that True Father's vision of Korean re-unification?

Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing. Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations. Psalm 100

Each of you wishes for your partner of love to be better than you in every way. By the same token, God is looking to create something and someone greater than Himself. Do you suppose God would expend only 90 percent of His energy in creating the universe, or would He give His full 100 percent? How about 100 percent a thousand times over? Indeed, He would invest and forget what He gave, and give again and again a thousand times over. Know that this is how our universe was created: God invested 100 percent of His energy, giving and forgetting what He gave, and repeating the process tens of thousands of times.
SMM, Volume 254:266, February 15, 1994

Greetings!

Rev. Gary Haskell

At the start of Sunday's Service, Hyung Jin Nim praised Pastor Gary Haskell's message about the Black Robe Preachers at the Freedom Faith and Family Coalition Prayer Breakfast on Saturday. The Black Robe Preachers were at the front of the battle line decades before the American Revolution.The first stop of Paul Revere's famous midnight ride to warn that the British troops were coming was at Rev. Jonas Clark's home. Rev. Clark mobilized 150 of his congregation to fight, with 7 of them dying at Lexington.

The British authorities themselves stated that the American Revolution would not have succeeded if not for the leaders in the pulpit speaking out strongly about the need for freedom and often being the first to take up arms. Much of the language in the Declaration of Independence was directly based on their sermons.

Leftist churches would make you think that biblical figures like David were pacifists. But God warned the Canaanites that if they did not stop killing children and stop sex-trafficking children they would be judged and destroyed. David was a warrior king. Abraham was a militia leader. This was not an idyllic "Hobbit land" where people could play games all day.

The Greek word for repentance is "metanoia." Metanoia is a military maneuver, to change direction. We as sinners are the enemies of God. When we repent, we change our direction by leaving Satan's hangouts and joining God's realm.

The Battle Weapon of Praise (Sanctuary Church Sunday Service 2/16/20)

The Psalmists were singing music to strengthen and encourage those getting ready to engage in battle. They were literally armies of God.

In the Psalms, there were two types of worship: 1) Shachah- worship expressing repentance and bowing down before God. 2) Tehila- celebration of God, acknowledging what God has done.

The Psalms are mostly exaltation and praise of God in the midst of battle. It's important to remember what God has done in our lives. When we lift up God, we are lifted up. He recommended the "Red Letters" song (which refer to the words of Jesus in the New Testament) by the Christian band, "Crowder," which he and Yeonah Nim often listened to during difficult times.

In the Moon tribe in North Korea, there is just one living survivor. All the rest were killed by the Communists. Do God's people need to be able to defend themselves? *Of course they do*.

George Washington lost most of his battles, but he won the war. The founders risked their lives to save the American nation.

True Father spoke about the han (pain) of 5,000 years of slavery of the Korean nation. Women have a gift of compassion, which can be used for God's purpose, to become a strong shepherdess and defender of the Kingdom. Or it can be used by Satan to bring socialism.

Hyung Jin Nim also played the worship song Confidence by Sanctus Real. The lyrics express personal fear, but ends with with praise and confidence/faith in God.

The Family Fed is trying to separate True Father from Jesus and to destroy True Father's legacy, but despite all of that, God is alive and blessing our work to establish His culture and Kingdom.

Tyler Hendrick's NEW THEOLOGY

In this eye-opening video, Mira discusses 2 lectures by Tyler Hendricks given at a "High Noon" summit last year at the Clifton Family Church.

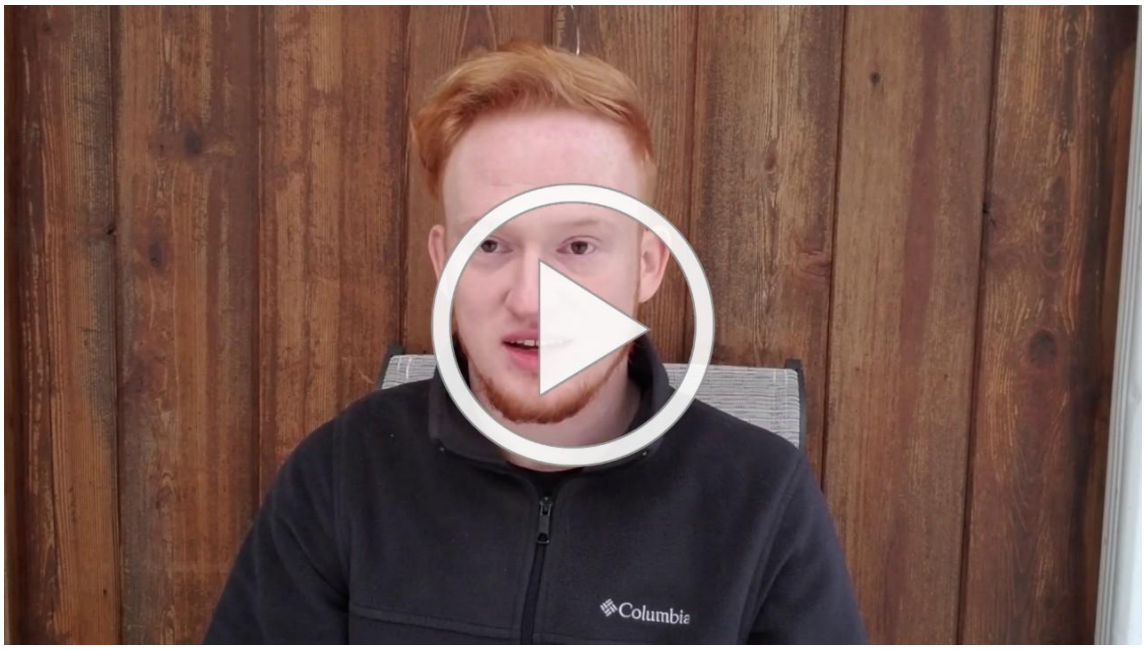

Tyler described a **new Origin Story**- in the beginning God was a genderless "It" and was lonely. So "It" created "Heavenly Mother" and then ceased to be. Then Heavenly Mother was lonely and created Heavenly Father and ceased to be. This cycle kept on repeating.

Tyler provides no source for this creation story.

Mira's Comment: True Father did mention "Heavenly Mother" a few times in the CSG. Since True Father always said "God is one," it is more logical that he meant that God had both masculine and feminine qualities, not that there were 2 different gods.

Through Tyler's Creation Story it is clear that Family Fed puts Heavenly Mother over Heavenly Father and the Han Mother over True Father. In Tyler's creation story, "Heavenly Mother" came first, creating Heavenly Father who knew her to be His own mother.

Since Tyler knows True Father taught that "God is one," he posits that there is only one God in existence at any one time. This is a sophist strategy to get around the Bible's and True Father's clear teachings that there is only one God, who is the Origin of the Universe.

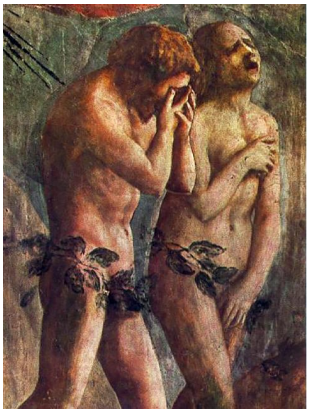

Mira Williams on "More unprincipled teachings from Family Fed"

In **Tyler's Second Lecture** about the Fall of Adam and Eve he explained that Lucifer had a penis, but it was hollow and seedless and turned inside and out like a balloon.

According to Tyler, after the Fall, the fact that Adam blamed both God and Eve while Eve blamed only Lucifer shows that she was morally superior to him.

Mira's Comments- Tyler's theory ignores the fact that Eve fell twice and she was the one to tempt Adam. The idea that Eve is somehow "morally superior" is ludicrous. Both were fallen and immature.

Tyler's theory that Eve was superior to Adam of course is intended to support the Family Fed's false feminism which tries to raise up the Han Mother and women in general at the expense of True Father and men in general. (see Andrew Wilson vs Sun Myung Moon email of December 30, 2019)

Tyler's new theology also matches with Hak Ja Han's claims that the Han lineage has had nothing to do with sin for 6,000 years, that True Father was born with original sin while she was born sinless and that she did not need to be raised or educated by Father to fulfill the position of True Mother. None of these claims are supported by True Father's teachings, which he repeatedly warned should not be changed.

It is very sad that Tyler Hendricks and the Family Federation exploit an event meant to help those struggling to overcome addiction to pornography with lectures that promote a fake feminist interpretation of the Creation Story and of the Fall that have no basis in the Scriptures or in True

Father's teachings.

It is even more sad and pathetic that the Han Mother tries to lift up herself at the expense of her husband, True Father Sun Myung Moon. As it states in Matthew 23:12, "Whoever exalts himself will be humbled, and whoever humbles himself will be exalted."

FFWPU National Council Abolished

by Rosemary Yokoi

FFWPU Regional leader David Rendel met with the Minnesota FFWPU community on January 19 to introduce the new "national organization" of FFWPU which abolishes the Family Fed National Council and the tradition of the local community choosing their own leaders created when Hyung Jin Nim was President.

David Rendell's speech was met with emotionally charged reactions from many churchgoers. The local council yearly elections had been scheduled for that very Sunday, so it was totally unexpected as there had been much local preparation for the

council vote. Several asked pointed questions. At one point, he responded, "I'm just the messenger."

One main point was that headquarters would have to sign off from a higher level to the decisions of lower levels. If I understood correctly, he said that the local church could organize not using the term council, maybe "teams" or such, but they should organize and have activities which must be approved by headquarters.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on

October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

Seoul UPF "Peace Summit" Providential or Reactionary?

Commentary by Hamish Robertson

The recent high-level UPF conference in Seoul for Korean Re-unification is about as providential as promoting UK's re-admission into the European Union or USA's withdrawal from NATO.

True Father spoke often about the ideal of re-unifying the two Koreas, which would be central to a re-unified world. However, it was based on the principle of Godism. After the fall of Soviet Communism in 1990, there was an opportunity to bring true Unificationism, which is Godism, to North Korea and the Communist world. True Father also gave the Peace Messages in 2005 and 2006, in order to bring unification through Godism. There was possibly a chance for Korean unification, when Lee Myung-bak, a Presbyterian and a conservative, became president of South Korea in 2008.

True Father ascended in 2012, and the situation has changed drastically since then. The present South Korean president Moon Jae-in is Korea's equivalent to UK's Jeremy Corbyn, though more successful than Corbyn. Under the guise of being a democrat, Moon Jae-in is really a Marxist. He wishes to reunify South Korea with North Korea and to enter the Chinese area of influence. He prefers to antagonise Japan and to reject America.

This would not have been True Father's wish or plan. True Father was inspired by God to throw an anchor into America, and connect the Korean providence with the United States, the bulwark of Christianity in the world. That is why True Father went to USA in 1972, and devoted so much time and resources there for the rest of his life. If he had thought otherwise, he would have gone to China, which has been the inspiration of Korean cultural life and language for two thousand years. True Father knew that the safety of the heavenly providence lay with the alliance between South Korea, Japan and USA. The key to God's kingdom lies through Jesus, not through Confucius, and certainly not Marx.

Husbands, love your wives, as Christ loved the church and gave himself up for her, that he might sanctify her, having cleansed her by the washing of water with the word, so that he might present the church to himself in splendor, without spot or wrinkle or any such thing, that she might be holy and without blemish. In the same way husbands should love their wives as their own bodies. He who loves his wife loves himself. For no one ever hated his own flesh, but nourishes and cherishes it, just as Christ does the church, 30 because we are members of his body. "Therefore a man shall leave his father and mother and hold fast to his wife, and the two shall become one flesh." This mystery is profound, and I am saying that it refers to Christ and the church. However, let each one of you love his wife as himself, and let the wife see that she respects her husband. Ephesians 5:25-33

Even though the Christian ideology may be collapsing on the vertical level and the rupture in the family exists on the horizontal level, if the young people of this nation are stable and healthy, so that they can eradicate that corruption and re-animate this nation based on the ideology of Christianity and family unity, there's a way for this nation to be saved. SMM, The Boundary Point of Victory, February 23, 1975

Greetings!
At the beginning of the Sunday Service, Hyung Jin Nim discussed how John the Baptist's birth was prophesied. He was guided by the Holy Spirit from the womb, but failed to lead people to Jesus. He was famous and had the honor of baptizing Jesus, who was a blue collar worker with a healing ministry, but no political power. He was killed for claiming to be one with God. He only had 11 disciples at the end when he was executed by the state.
Mohammed in contrast conquered large swaths of territory. Buddha had more disciples while he was alive than did Jesus. During his ministry Jesus never traveled more than 100 miles from Nazareth.

Because of Christ, our society came to have the idea of God-given rights. Buddhism teaches you are reincarnated, so there is nothing special about human beings, or any basis for human rights. You focus to meditate and work on your enlightenment. Only in the 19th and 20th centuries, do you see social action works by Buddhist communities. Hyung Jin Nim's professor Queen at Harvard admitted that this was due to influence of Christianity.

Make Ready A People Prepared For the Lord
Sanctuary Church Sunday Service 2/23/20

Islam's Sharia Law is unchanged since the 7th century, and continues its horrific treatment of women and children.

Governments often lie. Now they hide the reality of the spread of the Coronavirus. In China entire cities have been shut down with the forcible quarantine of selected groups and whole cities in China RIGHT NOW. A good way to shut down political protest such as in Hong Kong.

At such times it's important to invest in your family relationships, your marriage, and children. We will be tested. Prepare physically and spiritually. Develop a plan. Ham radio would be valuable if the Internet and cell phones are down. Hyung Jin Nim warns his Jui Jitsu students about the illegal techniques some fighters use. The devil wants to destroy Blessed Couples. God provides a means for escape, but that doesn't mean we don't have to fulfill our responsibility. God did all the preparation, but Moses still had to leave the Pharoah's palace. Be ready for your opponent's attacks.

Resolve disagreements in a respectful manner, not with anger or hostility. Create a joyful atmosphere in your home. There are many things to be grateful for. Sing praise songs.

Blessing Ceremony for Kooknam Jeon & Alissa Montanaro

God made men more physically strong, which doesn't mean they don't have to control their tendencies. Similarly women should control their emotions and words. Regis Hanna wrote his thesis about the effect of teaching youth martial arts. It leads them to be LESS violent. Those without training may become casual and reckless about using force to get what they want.

Hyung Jin Nim felt proud to see his eldest son Shin-pal taking a walk with his wife Soyung, while carrying his PM9 pistol. He thought "now my son is a man who can protect his family."

God doesn't promise you perpetual happiness, so don't just seek that. He promises you blessings, and a deep sense of purpose, giving glory to God. This requires effort and investment in your marriage. Bring the music of praise into your marriage. Praise songs were to strengthen soldiers for battle. Show your wife that you know you are an object to God. Then she will be ready to be an object to you. Pray for your spouse.

Expectant mothers become filled with worry. Pray for your wife as the King and Priest of the home. Bring in systems of support early in your marriage. Prayer is part of the weapons mentioned in Ephesians 5-6. She is also your warrior queen, in the trenches together with you! All problems can be worked out. Become in accord for the glory of God. Make a list of your victories. It's important to keep track of the battles you have won!

That is why True Father went to USA in 1972, and devoted so much time and resources there for the rest of his life. If he had thought otherwise, he would have gone to China, which has been the inspiration of Korean cultural life and language for two thousand years. True Father knew that the safety of the heavenly providence lay with the alliance between South Korea, Japan and USA. The key to God's kingdom lies through Jesus, not through Confucius, and certainly not Marx.

When Jesus had spoken these words, he went out with his disciples across the brook Kidron, where there was a garden, which he and his disciples entered. Now Judas, who betrayed him, also knew the place, for Jesus often met there with his disciples. So Judas, having procured a band of soldiers and some officers from the chief priests and the Pharisees, went there with lanterns and torches and weapons. Then Jesus, knowing all that would happen to him, came forward and said to them, "Whom do you seek?" They answered him, "Jesus of Nazareth." Jesus said to them, "I am he." Judas, who betrayed him, was standing with them. When Jesus[b] said to them, "I am he," they drew back and fell to the ground. So he asked them again, "Whom do you seek?" And they said, "Jesus of Nazareth." Jesus answered, "I told you that I am he. So, if you seek me, let these men go." John 18:1-8

Ideology can connect all people, but a substantial body can only be linked to one person. Therefore, there are many people of faith who say that they believe in the ideology, but there will not be many who claim they are embodiments of that ideology. What I am saying is that there is no person of faith who can say, "God's mind is my mind, my mind is His. His sorrow is my sorrow."

Have you ever felt Heaven's heart of grief that has been bound until today, the heart so sorrowful it feels as if your bones are melting? You must realize that no matter where Jesus went, he spent thirty-odd years on the earth with such an intense mind that he was constantly on the verge of losing consciousness and fainting. SMM, 3/23/1958

Greetings!

Hyung Jin Nim started the online service by discussing the passage in John 18 which describes how Jesus met with his disciples, who were like his family, in the garden. A garden includes the natural world but is under the dominion of God's children. Judas knew the garden, just as Lucifer did. Freedom to choose is part of God's sacred gift to humanity.

The tragic reality is that the head of the brides, Hak Ja Han, chose to abandon True Father, who was trusting she would lift him up until the very end. Instead she chose to lift up herself and demand that brothers and sisters accept her as the "Mother of the Universe," who barely ever mentions his name.

Fortunately True Father chose Kook Jin Nim and Hyung Jin Nim as the internal Cain and Abel of his lineage who believed in him as the returning Christ. Hak Ja Han's failure has had catastrophic cosmic ramifications. Only Hyung Jin Nim and Kook Jin Nim warned her with concern for her eternal life. The head bride betrayed the Bridegroom.

Sanctuary Church Sunday Service 3/1/20

Many religions teach to avoid all stress, but healthy stress is good for your immune system. One of his sons, who felt a sore threat coming on, jumped in the frozen Koi pond for one minute of ice training. He was hesitant, but once he was in, it wasn't so bad. Afterwards his whole body felt revitalized.

Seven in 10 youths in America would fail to qualify military service because of physical, emotional limitations. Physical training is important which is why PPPM training is so valuable. As a young shepherd, David in the Bible faced lions and bears. Working with stress increases your ability to deal with it.

He spoke about the spread of the Corona virus. With proper care, 2% average fatality rate, mostly of the elderly. China's hiding of the real facts and forced quarantine tactics show the inhumanity of their totalitarian system.

Communism is based on motivations of covetousness, greed and envy. It seeks to divide black vs white, rich vs poor. After taking power it puts in a ruling class whose main objective is to maintain their control.

The Bible shows that when a predator comes, you can be given a way to escape, but you must make your own effort.

Trump is trying to do something about the problems that face America, but many in government are part of the "Beast" with 90% of the Media arrayed against him. The Left has been supporting open borders, but now blames Trump for not doing more to prevent Corona virus from coming into the U.S.

History shows that governments are more dangerous than a virus. God's people centered on True Father and the 3 Generations Kingships will be victorious, but the path will require us to be courageous and persevere.

We should be ready to fight. We are standing in solidarity with brothers and sisters in Korea who are faced with a possible lockdown of schools, etc. Instill courage and fortitude in your family as your flock.

He concluded the service by asking all watching at home to sing the worship songs Amazing Grace and the Sanctus Real band's song "Confidence."

The Constitution of Cheon Il Guk
(Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a

"heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

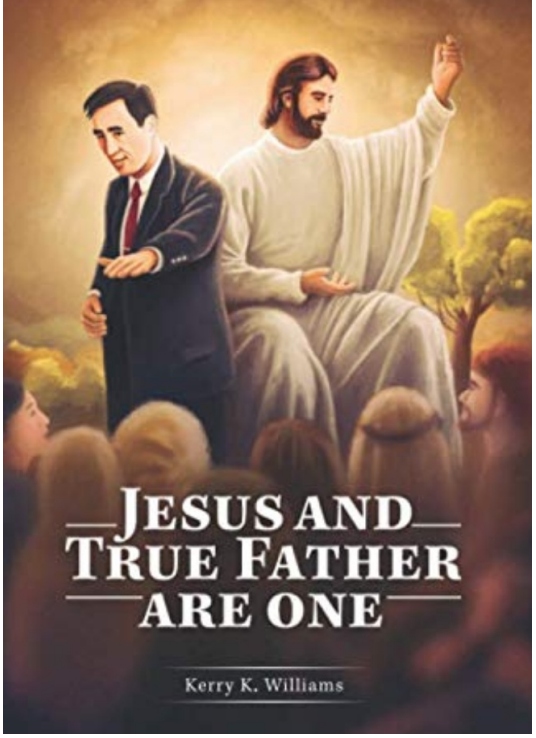

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

Seeing the crowds, he went up on the mountain, and when he sat down, his disciples came to him. And he opened his mouth and taught them, saying:

"Blessed are the poor in spirit, for theirs is the kingdom of heaven.

"Blessed are those who mourn, for they shall be comforted.

"Blessed are the meek, for they shall inherit the earth.

"Blessed are those who hunger and thirst for righteousness, for they shall be satisfied.

"Blessed are the merciful, for they shall receive mercy.

"Blessed are the pure in heart, for they shall see God.

"Blessed are the peacemakers, for they shall be called sons[a] of God.

"Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven.

"Blessed are you when others revile you and persecute you and utter all kinds of evil against you falsely on my account. 12 Rejoice and be glad, for your reward is great in heaven, for so they persecuted the prophets who were before you.

"You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet.

"You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that[b] they may see your good works and give glory to your Father who is in heaven. Matthew 5:1-16

Jesus knew God as his father, but what kind of father did he know Him to be? When Jesus wore the crown of thorns, he felt that God was wearing a crown of thorns that was a thousand times more painful than his. When he was being nailed to the cross, he realized that God was experiencing his pain thousands of times over.

Even when the spear pierced his side, he accepted it as if it were deserved since he knew that Heavenly Father had continued to struggle for His children in spite of pain much greater than his. That is why he could not hold a grudge and sorrow in his heart.
SMM, "The Father and I," July 12, 1959

Greetings!
Hyung Jin Nim started the outdoor Sunday Service by reading from the Beatitudes in Matthew 5:1-21. Then he spoke about how people thought we were crazy, after being fired by the Han Mother, to move out into wilderness of NE Pennsylvania. Now we know that Pennsylvania is ground zero for the last and the coming presidential elections. God sent us here because we are the microcosm that has impact on the macrocosm of America and the world.

He spoke about the spread of the coronavirus. All of us should take steps to avoid being infected. We need to exercise wisdom and our 5% portion of responsibility. Tribulation is part of God's plan. In times of crisis, many people turn towards God. People are searching to know what happens after I die?

Sanctuary Church Sunday Service 3/8/20

The virus can spread fast, but the Gospel can travel even faster. The powers that be want to destabilize our biblically-based culture and confuse our young people about what gender they are. All the political satanists care about is power. The crisis will lead to rationing of resources and greater control of the population.

Thank God we've had the last 5 years to prepare. It is a blessing to be persecuted for righteousness sake. The CIG Constitution has also been launched into the atmosphere! God's Kingdom is coming, but there also has to be a separation. We will eradicate the viruses of Communism and Socialism which are far more deadly than the coronavirus.

Then he prayed: Thank you for this beautiful day. The heavens declare God's handiwork. We thank you for Your protection. We pray that each of us will do our 5% to be strong and healthy. The political Satanists want to take down our President and establish their centralized control. But we believe that Your Kingdom will come and be victorious. We do not fear death. We are in Your hands and in Your will. We pray to have wisdom and discernment. We pray to be "ahead of the curve" and ready to act because we know Your will.

March in Tokyo for Human Rights in Asia

We pray that more hearts will open and reach towards You. That Your Holy Spirit will touch brothers and sisters around the world. Let the Gospel set us on fire and multiply to new brothers and sisters in the weeks and months to come.

Summary of Hyung Jin Nim's interview with former U.S. Ambassador Alan Keyes (India and Zimbabwe). Ambassadpr Keyes also had several roles in the Reagan administration. In recent years he has appeared as a commentator on many TV news shows and hosted his own radio talk show.

Hyung Jin Nim's Interview with Ambassador Alan Keyes 3/9/20

They discussed how Nazism and Communism reject the Biblical view of man that we are subject to God's moral judgment. They both idolize the pursuit of power through the will to use any means necessary. After WW2, leftist intellectuals left Europe and sought to take over universities and public education in the USA.

Last week Vice President Biden was quoting the Declaration of Independence, but could not bring himself to mention the name of the God, the Creator. Instead he said our liberties come from "you know... the thing." His rejection of God reflects the half of the U.S. population that had done the same thing.

We now have movements promoting pedophilia, transgenderism, and unrestricted abortions, but there is still a saving remnant who have not abandoned Biblical faith and values as well as common sense.

Liberty is a God-endowed inalienable right. It is not just lawless freedom. It comes with responsibilities to the Sovereign who gave them. You cannot take away the life of innocent people including unborn children. Without respect for God there is no restraint on the use or pursuit of power.

Hak Ja Han --> REWRITE THE DIVINE PRINCIPLE!

Hitoshi Nakimura, the lead translator of True Father's speeches from Korean to Japanese says that new FFWPU versions of the speeches are radically different from the ones he translated many years ago. He did not want to keep the $3K that he'd received from Hak Ja Han and offered it to the Sanctuary Church in Japan. The 2nd King instructed it to be burned. Many 777 and 1800 couples are contacting the Japanese Sanctuary Church with questions.

On Feb. 1, the Autobiography of Hak Ja Han was published in Korea. Leaders of the Japanese FFWPU were hesitant to publish this in Japan because members will compare it with True Father's Autobiography. HJH had top FFWPU leaders in Japan called to Korea for a 40 day workshop.

One of FFWPU leaders who were told to come to Cheongpyeong reports that they are forbidden to use word "Successor" in public Family Fed events. Hyo Jin Nim's son is referred to as "Central Figure." Hak Ja Han has directed that the Divine Principle chapter on the Second Coming be rewritten as soon as possible.

But now thus says the Lord, he who created you, O Jacob, he who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by name, you are mine. When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you. Isaiah 43:1-2

Please don't forget; this is the most important formula, those three stages. You, as individuals, must be able to separate yourselves from Satan, or in other words, win victory over Satan; then you have the qualification to come under the love of God; and then you must be willing to sacrifice yourself for the sake of your fallen brother. SMM, Things Found Most Important in Leading a Life of Faith, 12-12-71

Greetings!
At the start of Sunday's service, Hyung Jin Nim expressed appreciation for President Trump's declaring a National Day of Prayer for all Americans affected by the Coronavirus Pandemic and for national response efforts.

Communist governments don't want people to think they are Kings and Priests. Sadly many U.S. companies and U.S. government leaders are in bed with them. Communism is the most dangerous virus in the world, stripping people of their freedoms and human rights.

Thank God Trump said "no" to globalism, centralized government and open borders. America needs to be more self-reliant. Pray for him. Leftists want to make it impossible to be a committed Christian and gun-owner. Call the nation to repent. Pray for the patriots to be strong. We should be prepared, but not paralyzed by fear. There will be darkness in the night, but joy in the morning.

Part 1. Church Preparedness Course
Sanctuary Church Sunday Service 3/15/20

He then welcomed Nick Mazza, Dennis Kutcha, and another instructor named Chris to give the Countering the Mass Shooter Threat seminar created by the United States Concealed Carry Association (USCCA).

They are retired police officers, who want to teach civilians how to be prepared for security. It takes an average of 4 minutes for police to arrive in more populated areas, but in more rural areas like Pike County probably much longer. Americans have to realize that they need to be responsible for their own defense.

Mass shootings have been rising in last 20 years. There is a correlation with the growth of Social Media. Bad people are seeking to become celebrities. There were 74 copy-cats of Columbine shooting. It's hard for police to arrive in time to make a difference.

Three in four mass shootings are in "gun free zones." Such events are responsible for 85% of mass shooting deaths. Eight in ten firearms used were purchased at gun-shops already regulated by federal requirements. Zero percent were obtained in private sales.

Part 2. Church Preparedness Course
Sanctuary Church Sunday Service Part 2 on 3/15/20

People are assigned to "terrorist" No Fly lists by bureaucrats, often with no explanation. Half with no known risk factors. Even U.S. Senator Ron Paul was put on that list. Does anyone really think he is a terrorist? There are no guidelines and no due process. The list requires neither "concrete facts" or "irrefutable evidence." How many mass shooters were on the Terrorist Watch List? Zero.

"Gun Free" Zones are really Killing Zones in the eyes of predators. Passively waiting to be killed is obviously not the solution. The three recommended steps are: RUN, HIDE, FIGHT BACK! At the Virginia Tech shooting in 2007 the one classroom to resist from the very beginning had NO student or instructor deaths. So Fighting Back DOES Make a Difference. Start by barricading doors as the students in classroom 205 did.

The instructor Chris led the Countering the Mass Shooter Threat seminar - Part 2. He has been involved with Armed School Security and teaching. 80% of mass shooters told someone they knew in advance about their plans.

Risk Factors of Mass Shooters include:

- Multiple failures, academically, socially or romantically.
- Troubled, broken or abusive home
- Disengaged parents, no responsible adult supervision
- Psychotic symptoms including hallucinations or delusions

Direct Factors of Mass Shooters include:

- Illegal firearm purchase
- Stockpiling of firearms, ammunition,
- Written plans or "fictional" stories of violence.
- Has Made Direct threats
- Posts expressing admiration for mass shooters, admiration of terrorist groups.

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

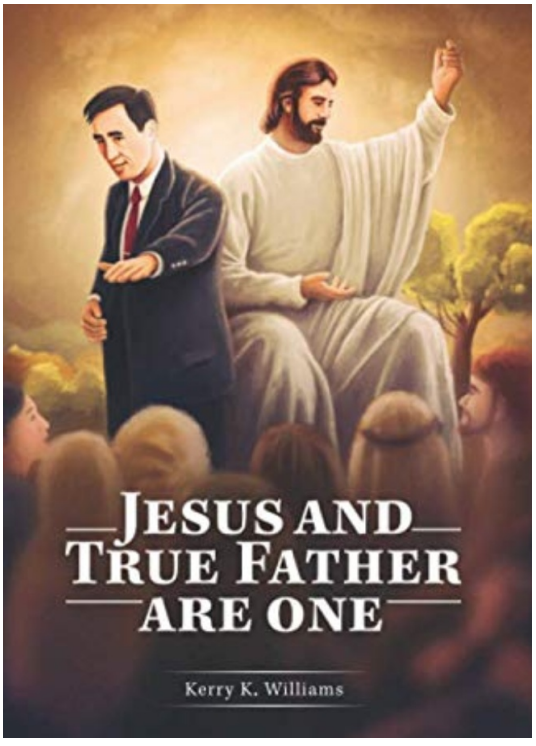

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

For God gave us a spirit not of fear but of power and love and self-control. 2 Timothy 1:7

We know that for thousands of years, countless people have been accusing Adam and Eve. Now you are becoming new ancestors.

Will you be ancestors who will be accused by your descendants, or ancestors of blessing who will be glorified? You are standing at these crossroads. Adam and Eve are accused because they failed to stand in the public position. Surely they would be free from accusation today had they followed a sacrificial and more public path.

You must know that you are standing in such a similar situation. As such, you should always be thinking that you are representing three ages. For this reason, you have to realize that the spirit world is in your hands and that your ancestors are at your mercy. If we gather the past, present and future together, and lead them, they will come running to you. We must accomplish that mission. CSG 730

Greetings!
At the beginning of Sunday's service, Hyung Jin Nim asked us all to pray for President Trump and for first responders, doctors and nurses, police, firemen, etc. None of us who believe in Christ are afraid of death. We are here to do God's will. The early disciples willingly died because of their faith and love for Jesus.

Many small business centers are struggling with mandatory government curfews and shutdowns in response to the Coronavirus scare. Small and medium size businesses comprise more than half of the US economy. Such business ventures are based on the gifts and talents given to each by God. We should be able to keep the fruits of their labor.

America's founding fathers were willing to die to defend the nation. Leftist governors are exercising wartime powers, which are not constitutional. Women are two times more likely to vote for leftists, but Godly women (such as those who are married) know that liberty is more important than safety. We need to be *just as concerned about the safety of the nation founded on God's principles.*

The Curse on Tyre (Sanctuary Church Sunday Service 3/22/20)

We all have a 100% chance that we will die. T *he real question is how we lived.* Did

we live for God's purpose and will? If so, since we stand on God's winning side, we are already winning.

When the state takes away freedom, it is hard to get it back. After the 9/11 attack, the Patriot act allowed permanent detention without trial by jury. In 2012 the FBI designated Ron Paul supporters, Christians and gun owners as potential terrorists. That is how the British designated George Washington and the patriots of the American revolution.

Sergeant Nick Mazza who conducted the Church Preparedness Course the previous Sunday shared his observation that the problems of all law enforcement officers he knows who became corrupt started with sexual problems. The Deep State operates through blackmail of those engaged in "bad sex." Since they don't believe in God, they have no moral accountability to a higher power. Since they believe that Might makes Right, they can choose any girl or boy they want to abuse.

Under Buddhism and Confucianism, Asians bowed to the State. Through Christianity they learned they could have a relationship with the Creator and not just the property of the State. Amazingly China is the place of greatest Christian revival in the world which is why the Communists persecute Christians, who realize their new identity as someone liberated through their savior. As the old Christian hymn states, "I was a slave, but now I am a King through Christ!"

Liberation through faith in Christ combined with the Rod of Iron is bad news for Communism. The remnant that God has prepared must rise with the desire to share the Gospel of the Kingdom. The virus of Communism will be eradicated. Read the Constitution of Cheon Il Guk. The returning Christ is just. The gift of liberty from God will be protected. It comes with moral accountability. We must safeguard, protect, and share these precious gifts from God with others.

We are not in control of world events. How the world is to be changed is not knowable. Jesus tells us, "If you love me, follow me." We are like kids asking "are we there yet?" Trust your father who is God. Believe and love. The world is being transformed.

Pray for Trump to respect the Bill of Rights and the Constitution. Freedoms of assembly and to bear arms must not be infringed.

Hyung Jin Nim's fascinating interview with NRA spokesman Colion Noir.

COLION NOIR Talks about Coronavirus, North Korea, and God

****

Summary of Hyung Jin Nim's interview with former U.S. Ambassador Alan Keyes (India and Zimbabwe). Ambassador Keyes also had several roles in the Reagan administration. In recent years he has appeared as a commentator on many TV news shows and hosted his own radio talk show.

Hyung Jin Nim's Interview with Ambassador Alan Keyes 3/9/20

They discussed how Nazism and Communism reject the Biblical view of man that we are subject to God's moral judgment. They both idolize the pursuit of power through the will to use any means necessary. After WW2, leftist intellectuals left Europe and sought to take over universities and public education in the USA.

Last week Vice President Biden was quoting the Declaration of Independence, but could not bring himself to mention the name of the God, the Creator. Instead he said our liberties come from "you know... the thing." His rejection of God reflects the half of the U.S. population that had done the same thing.

We now have movements promoting pedophilia, transgenderism, and unrestricted abortions, but there is still a saving remnant who have not abandoned Biblical faith and values as well as common sense.

Liberty is a God-endowed inalienable right. It is not just lawless freedom. It comes with responsibilities to the Sovereign who gave them. You cannot take away the life of innocent people including unborn children. Without respect for God there is no restraint on the use or pursuit of power.

Why is FFWPU in Japan Hiding Hak Ja Han's Autobiography?

On Feb. 1, the Autobiography of Hak Ja Han was published in Korea. Leaders of the Japanese FFWPU were hesitant to publish this in Japan because members will compare it with True Father's Autobiography.

The Japanese version of the biography was published on March 10, with limited distribution through only the FFWPU Japan bookstore in Tokyo. Although there are many photos of True Father and her together, there is a shocking lack of testifying to him. It's all only about her accomplishments, especially those during 7 years from 2013-

2020, to show how she is "more capable than True Father," as sycophantic Family Fed leaders like to say. *If the FFWPU in Japan is truly proud of her autobiography why have they only printed 1,000 copies?*

I am tempted to start a petition to demand that large numbers of the English version be printed by the FFWPU in the USA so that everyone can see for themselves whether she expresses real respect and appreciation for True Father or not.

And the word of the Lord came to me: "Son of man, speak to the elders of Israel, and say to them, Thus says the Lord God, Is it to inquire of me that you come? As I live, declares the Lord God, I will not be inquired of by you. Will you judge them, son of man, will you judge them? Let them know the abominations of their fathers, and say to them, Thus says the Lord God: On the day when I chose Israel, I swore[a] to the offspring of the house of Jacob, making myself known to them in the land of Egypt; I swore to them, saying, I am the Lord your God. On that day I swore to them that I would bring them out of the land of Egypt into a land that I had searched out for them, a land flowing with milk and honey, the most glorious of all lands. And I said to them, 'Cast away the detestable things your eyes feast on, every one of you, and do not defile yourselves with the idols of Egypt; I am the Lord your God.' But they rebelled against me and were not willing to listen to me. None of them cast away the detestable things their eyes feasted on, nor did they forsake the idols of Egypt. Ezekiel 20: 2-8

Until now, God has given love to those people and even those tribes and nations that were near His side. He has blessed them by adding things again and again lest they should think of them as too small and not receive them. Even this was not enough, and He gave them the life of His beloved son. Even after giving over his only son to be killed, God again wants to give more love. This is why, on the day when this love is returned, all of heaven and earth will turn into an ideal Kingdom of Heaven. By the principle of love, the more love you receive, the more love you give in return. So when we give God a hundred units of love, God will return to us a thousand, ten thousand units of love. SMM, CSG 334

Greetings!

Hyung Jin Nim started the service by reflecting on the events of the last few months. After being forced to take a break because his knee popped out, he shut down the Sanctuary dojo. Two weeks later all the dojos in the world shut down. Then we stopped gathering for Sunday church worship and the whole country shuts down. Once we started worship service at the church again, Trump started talking about ending the quarantine and putting the country back to work. Meanwhile Communist China denies they have a bio-weapons lab in Wuhan and accuses the Abel realm (USA) of developing it.

Stone Garden at Cheon Il Goong Palace

Most young people in America have never seen a supermarket with empty shelves, but now the culture of immediate satisfaction is gone. We are all forced to appreciate truck, UPS and Fedex drivers who deliver the things we need.

Even Leftists who were for gun confiscation and control are running to gun stores because they realize that the government cannot take care of them. Their illusion of security has been exposed.

Ezekiel was talking about how Israelites in Egypt were beholden to that fallen

culture.The Israelites were initially skeptical about prophesies of plagues in Egypt, but then they saw the scarcity at the markets caused by the locusts and other plagues.

Sanctuary Service 3.29.2020 in Newfoundland, PA

True Father carried a white binder with Shinjoon's photo and the "Cosmic Assembly for the Settlement of the True Parents of Heaven, Earth and Humankind and for the Proclamation of the Word by God's Substantial Self" speech. A new Korean language video about this speech explains how True Father made Hak Ja Han vow to have absolute faith, love and obedience. On the foundation of that vow, he spoke of her victory. But Rev. Yu reports that True Father told him three times that Hak Ja Han spoke of divorcing him so it's clear she had no intention of keeping her pledge.
When Hyung Jin Nim learned of her plan to change Father's words and teachings, he pleaded with her not to betray Father and asked her, "don't you fear God?"

He advised his children to observe the True Parents Day ceremony as if they were scholars. For instance, they could relate the candle lighting segment to many references to lighting candles in Biblical history. The ceremonies Father created were not separate from Bible, but related deeply.

Hyung Jin Nim has been thinking about the apologetic for God's existence from beauty and the mathematical basis for that such as the Golden Mean. Objective ideals of beauty and moral values come from God.

Modern art often shows what is ugly, projecting that reality is meaningless, and how you can defile things that others hold to be sacred. They love to desecrate the image of Jesus, but never the image of Mohammed. They pretend to be daring, edgy and courageous, but in reality they are bullies and cowards. The 2016 Turner Prize winner made a statue of a gigantic male butt. They reject objective standards of beauty, saying "I am such a genius that I can create my own standards of art."

Leftists look down on rural culture, because of its "deplorables," who bitterly cling to their guns and religion, but now because of scarcity they are forced to appreciate those who grow food . For many centuries scientific research was advanced by Christianity. Genealogy was discovered by a Franciscan monk named Gregor Mendel. Natural theology teaches that we can know about the Creator from studying His creation.

Leftist governments relish the pandemic crisis to expand their power. In Pennsylvania the governor issued an order to shut down gun stores, which obviously has nothing to do with stopping the spread of the Covid 19 virus. Kook Jin Nim refused to shut down the Tommy Gun Warehouse, and then a few days later Governor Wolf backed down by rescinding his order.

Being prepared allows you to be more relaxed and to be a shepherd for your community. We know a reset is coming. The Kingdom, which is not a socialist "dictatorship of the proletariat," but rather a God-centered constitutional republic, is coming.

"All Things wanted to Celebrate the True Parents Holy Day More Than Us!"

testimony by Miho Panzer

The world is going crazy about the Corona virus. In the midst of this we had the True Parents Holy Day celebration last week. One week earlier the 2nd King instructed, "let us celebrate True Parents' Day at the church."

Because of the virus it was difficult to go shopping in New Jersey like we usually do, but the community came together to prepare. Kook Jin Nim's wife, Ji-yea Nim, spent two days to make rice cakes. One sister, Yuko Kise, baked "crown" cookies and made a "Crown Cookies" tower. We made a tower of Shingoong Oni's "Gun Sweets" chocolates. I went to a neighborhood store. The owner said, "we just received a new shipment of

fruits you can have!" They helped to put those boxes of fruits in my car. It looked like all things wanted to participate in this Holy Day celebration more than us!

We see things from our human eyes, but we have to ask God what is your perspective and standard? Because of the virus everyone was worried about going to public places, but every time I felt that the Holy Spirit was guiding and protecting us. Every day God is with us. We can ask every morning, "Heavenly Father, what can I do with You and for You today?"

61st True Parents Day Celebration at Unification Sanctuary in Newfoundland, PA

True Parents trust us 100%. At yesterday's Sunday Service, the 2nd King said that through observing beauty and even reflecting on the mathematics of beauty such as the "Golden Mean" we can see God. Hyung Jin Nim explained how he asked his children to reflect on the meaning of the offering table. Regarding the lighting of the candles, he reminded them about the many times the Bible refers to lighting candles. He told them, "you could write 30 pages or even a whole book just about that alone!"

This True Parents Day celebration was the third since the Blessing of the Cosmic True Parents. All of human history was so happy because of the victory of True Father and True Mother Kang.

I couldn't help shedding tears thinking about this. Abonim, thank you! How much you love each one of us! You are guiding us morning until night! The 2nd King and Queen stood up with you at the risk of their lives! Their children followed through a difficult course with no complaint! Kook Jin Nim and Ji-Yea Nim's family did the same. Kook Jin Nim tearfully pledged to Father, "until the end of my life I will support my youngest brother as your heir and successor!"

I can see that the relationship of these two brothers is so beautiful! They are standing on True Father's victory. We have nothing to worry about! Even if the world is anxious about the Corona virus, the Holy Spirit is guiding us so we have nothing to worry about!

Correction: In last week's email it was reported that only 1,000 Japanese language copies of Hak Ja Han's new Autobiography were printed. The FFWPU in Japan states that they printed 50,000 copies. In any case we urge the Family Fed in America to print the English version quickly so that all of us can judge for ourselves, whether she devotes one of the pages in this 400 page book to honor her husband True Father Sun

Myung Moon's life of loving sacrifice for God, or not.

"The Only Begotten Daughter theory that destroys the Principle of Restoration"

Transcript of video by J. H. Park
in Korean with English subtitles and transcribed by Richard Moore

Hak-ja Han O.B.D and the world authority of the O.B.D theory, Prof. Jin-chun Kim are advocating a strange theory. What they claim is that the daughter of Zachariah, who was to become Jesus' wife, but she was born with original sin because Mary and Zachariah did not fulfill their responsibility.

They say that Jesus could not get married because the woman without original sin was not born. The claim of the O.B.D theory not only differs from Father's words but also has a serious contradiction.

Here's the first contradiction. The O.B.D theory claims that the woman who was to become Jesus' wife was supposed to be born without original sin, but she was born with original sin because Mary and Zachariah could not fulfill their responsibilities.
Then, what kind of responsibilities Mary and Zachariah had to fulfill in order for that woman to be born without original sin? Can the original sin be removed by any human responsibility? Of course, the O.B.D theory gives no further explanation about this point.

Here's the second contradiction. **They say Jesus could not get married because the candidate to be Jesus' wife who was not supposed to have original sin was not born. This means Jesus did not have a partner to get married from the beginning. This also means that Jesus was destined to be unable to either create True Family or to become True Parents even from the time he was born.**

As a result, (in their view) the providence of restoration centered on Jesus was predestined to fail from the very beginning. This is a serious contradiction.
A closer look at O.B.D theory reveals the reason why Hak-ja Han O.B.D and Prof. Jin-chun Kim insist on this contradictory logic. This is to claim is that the O.B.D without original sin who was supposed to be born 2000 years ago was none other than Hak-ja Han, while claiming True Father to have been born with original sin.

So they said, "Behold, there is the yearly feast of the Lord at Shiloh, which is north of Bethel, on the east of the highway that goes up from Bethel to Shechem, and south of Lebonah." And they commanded the people of Benjamin, saying, "Go and lie in ambush in the vineyards and watch. If the daughters of Shiloh come out to dance in the dances, then come out of the vineyards and snatch each man his wife from the daughters of Shiloh, and go to the land of Benjamin. And when their fathers or their brothers come to complain to us, we will say to them, 'Grant them graciously to us, because we did not take for each man of them his wife in battle, neither did you give them to them, else you would now be guilty.'" And the people of Benjamin did so and took their wives, according to their number, from the dancers whom they carried off. Then they went and returned to their inheritance and rebuilt the towns and lived in them. And the people of Israel departed from there at that time, every man to his tribe and family, and they went out from there every man to his inheritance. In those days there was no king in Israel. Everyone did what was right in his own eyes. Judges 21:19-25

The moment Adam and Eve fell, God's heart was torn so painfully He almost went insane. You should never forget about the Father who was shaken so thoroughly as to almost forget Himself. Have you ever thought about that? Even when fallen people on the earth watch their children die, they feel their bone marrow melt. They want to save their children even at the cost of their own lives. How must the heart of God been as He watched Adam and Eve walk the path toward the Fall and cross the line of death? Unless you understand that heart, there is no way for you to become God's sons and daughters.
SMM, "The Toil of God as He Tries to Raise Up His Beloved Children," October 11, 1959

Greetings!
Hyung Jin Nim started the service by showing a Bible Project video on the Book of Judges. He explained that in Judges 21:19-25 we can see how the Israelites took on relativistic values, not the objective truth of God, leading them to do horrible things to each other and to some of the neighboring tribes. Roving bands of Israelites went and raped women. They didn't believe in or respect Yahweh.

The Israelites came into the Promised Land, but they lost their connection with God. Prosperity often leads to hedonism. In today's world, social media leads young people to a religion of relativism, where you can choose your own gender, and of course fall into the trap of free sex.

It also leads to a religion of Might equals Right, with no limiting moral injunctions. Political leaders might pretend to "respect" moral norms, but when they gain power there is nothing to stop them from killing.

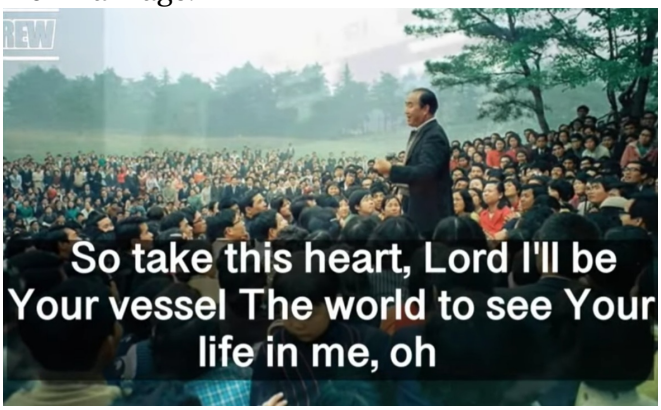

Sanctuary Church Sunday Service 4/5/20

Public education does not teach real ethics. Stephen Molyneux, who is not a believer, but respects Christian ethics, is hated by the atheist community because of his advocacy of morality. He realizes that the power of Christianity is greater than intellect.

It's important to understand that truth is outside of ourselves. We should not have unlimited trust for any person. We need to protect human rights, not just rights for our own "group." In contrast, Marx demonizes people who disagree with him as "reactionaries" who should be eliminated. "enemies of the proletariat."

The value of combat training is that it is a reality check on our ego. Whereas video games teach that actions have no real consequences, firearms training forces you to understand their devastating effects.

Boys have to overcome becoming trapped by sex desire. Girls have to overcome becoming trapped by their desire for romance. We need to teach everyone that the misuse of the sexual organs can destroy everything valuable in life. They are as dangerous as a firearm. Both guys and girls can destroy others with uncommitted sex. If Christianity had a clear understanding of the Fall, they would be much stronger in keeping a Biblical standard is saving sex for marriage.

Each of us must decide that my life is not about pursuing pleasure and be able to say, "I do not fear pain or suffering. I fear the wrath of God and pursue God's love, highest human virtue, transcendental norms."

Young people say they don't like church, because "I don't like that person." But that is not God's fault. Church is not a place for perfect people, but for imperfect sinners seeking to know God. It's more like a hospital of the soul to make people better. We must be compassionate and patient with each other. Medicine may not taste good, but it makes you better.

Hak Ja Han created a culture of feminism, saying that True Father is flawed, with demonization of the strong, protective man and worship of women as pure and virtuous. Some women have a lust for power and security. Not one of the girls in True Family followed True Father.

Some women embrace "Goddess" self - worship. The true message of Bible is to confront our own sin, and the need for repentance. Seek Christ, His victory and virtue. The King in CIG does not have military power. He conducts the holy ceremonies which are a living masterpiece created by the King of Kings that will continue for future generations. If you go into a museum and try to "improve" the Mona Lisa, you would be

arrested. But this is precisely what Hak Ja Han has done to Father's words.

The average reading level in our culture is third grade, of a 8-9 year old. The Queen does a Bible study with each child. We have to lead our children to God. Each home needs to have a King. If you're in a single mother home, you still have King Jesus.

We must all do moral reflection as we enter God's Kingdom in order to create higher level kings and queens. Firearms class involves a lot of intellectual content. Not based on emotions. You cannot disregard rules without consequences. Keep on learning and getting better. Arguments from authority are not as convincing. Learn counseling techniques. Explain to children as if they were new members. They will definitely go through a crisis of doubt. Be prepared. God's people suffer for lack of knowledge.

The Coronavirus epidemic may expose weak family relationships. Then you can realize that it's time to invest and improve. Pray for each other. We need to realize that America has the coronavirus spiritually. Now those hospitalized in ICUs around the world are forced to experience what True Father endured at the end of his life when he was on a respirator because his lungs were filled with fluid from a pneumonia infection. Patriots know that leftists are trying to use virus to bring down the President.

"The Only Begotten Daughter theory that destroys the Principle of Restoration"

Transcript of video by J. H. Park
in Korean with English subtitles and transcribed by Richard Moore

Hak-ja Han O.B.D and the world authority of the O.B.D theory, Prof. Jin-chun Kim are advocating a strange theory. What they claim is that the daughter of Zachariah, who was to become Jesus' wife, but she was born with original sin because Mary and Zachariah did not fulfill their responsibility.

They say that Jesus could not get married because the woman without original sin was not born. The claim of the O.B.D theory not only differs from Father's words but also has a serious contradiction.

Here's the first contradiction. The O.B.D theory claims that the woman who was to become Jesus' wife was supposed to be born without original sin, but she was born with original sin because Mary and Zachariah could not fulfill their responsibilities.
Then, what kind of responsibilities Mary and Zachariah had to fulfill in order for that woman to be born without original sin? Can the original sin be removed by any human responsibility? Of course, the O.B.D theory gives no further explanation about this point.

Here's the second contradiction. **They say Jesus could not get married because the candidate to be Jesus' wife who was not supposed to have original sin was not born. This means Jesus did not have a partner to get married from the beginning. This also means that Jesus was destined to be unable to either create True Family or to become True Parents even from the time he was born.**

As a result, (in their view) the providence of restoration centered on Jesus was predestined to fail from the very beginning. This is a serious contradiction.
A closer look at O.B.D theory reveals the reason why Hak-ja Han O.B.D and Prof. Jin-chun Kim insist on this contradictory logic. This is to claim is that the O.B.D without original sin who was supposed to be born 2000 years ago was none other than Hak-ja Han, while claiming True Father to have been born with original sin.

(Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

Now Joab the son of Zeruiah knew that the king's heart went out to Absalom. And Joab sent to Tekoa and brought from there a wise woman and said to her, "Pretend to be a mourner and put on mourning garments. Do not anoint yourself with oil, but behave like a woman who has been mourning many days for the dead. Go to the king and speak thus to him." So Joab put the words in her mouth.

When the woman of Tekoa came to the king, she fell on her face to the ground and paid homage and said, "Save me, O king." And the king said to her, "What is your trouble?" She answered, "Alas, I am a widow; my husband is dead. And your servant had two sons, and they quarreled with one another in the field. There was no one to separate them, and one struck the other and killed him. And now the whole clan has risen against your servant, and they say, 'Give up the man who struck his brother, that we may put him to death for the life of his brother whom he killed.' And so they would destroy the heir also. Thus they would quench my coal that is left and leave to my husband neither name nor remnant on the face of the earth."

Then the king said to the woman, "Go to your house, and I will give orders concerning you." And the woman of Tekoa said to the king, "On me be the guilt, my lord the king, and on my father's house; let the king and his throne be guiltless." The king said, "If anyone says anything to you, bring him to me, and he shall never touch you again." Then she said, "Please let the king invoke the Lord your God, that the avenger of blood kill no more, and my son be not destroyed." He said, "As the Lord lives, not one hair of your son shall fall to the ground."
2 Samuel 14:1-11

Eve was to be the wife of God. This is so because Adam was supposed to become one with God, so he would become God Himself. Satan violated God's wife. Satan is God's enemy and our enemy. SMM, CSG 1141

Greetings!
Hyung Jin Nim started the service by discussing the passage in 2 Samuel 14 in which King David is manipulated by a woman who pretends to be a widow pleading for the life of her son but is actually coached by a general representing David's son, Absalom, who had killed his brother, Amnon.

Hyung Jin Nim commented that David should not have reacted emotionally. For example, in a survival situation, it's important to sit down, drink water and think clearly. Instead David did react emotionally and it created havoc for his kingdom.

After True Father's passing Hyung Jin Nim was asking the Han Mother to think rationally about the consequences of changing Father's words, but to no avail. Now the name of the church has been changed, confirming that she has created a new religion.

The Weapon of Reasonable Faith
Sanctuary Church Sunday Service 4/12/20

Parenting is like ruling a kingdom. Train yourself not to react emotionally. You will pay when they are teenagers if you guide by emotion and anger or nagging, instead of ministering to them. Don't think your children will be educated by the church. The purpose of the church is to empower parents to act as priests at home.

If children say they are bored, they can create a list they made of things to do when they're bored. Hyung Jin Nim is training Shinjoong, anointed by True Father to be the 3rd King, in apologetics. He is doing his own research. Hyung Jin Nim had him teach the family about the argument for God from physical necessity.

Since we live in an atheistic culture it's important to prepare our children. Instead parents often give your children to be educated by the secular state.

Even the 36 blessed couples emphasized their children having secular success in the public schools. It's a bad assumption that your children will automatically believe that God exists. We should not underestimate the enemy. Instead we should help our children to be prepared to challenge secular ideas. Encourage them to practice debating. If they still choose atheism, at least they cannot pretend it was for rational reasons.

Top level theists have debated leading atheists and won. Under True Father, Hyung Jin Nim was training youth to debate atheists. All that was stopped under the Han Mother.

Read a book or watch a video by leading apologists like William Lane Craig, Albert Plantinga or a new one like Sean McDowell, together and then have a discussion about why or why not it was convincing. If you send in questions to Reasonablefaith.com they will respond. One encouraging trend is that in the world of philosophy, theism has been growing since the 1990s.

It's natural for children to have doubts. Don't get upset. Remain calm. Seek for a rational answer. If you're not sure how to respond, you could say, "that's a very good question, let's talk to an elder/pastor about that."

God has made us kings and priests. Public education supports the power of the state. Ninety percent of those teaching in universities are supporters of Democrats/leftists. They invariably promote "sexual rights" education and the free sex

culture, which is very alluring when you are young.

That is why we cannot give centralized power to anyone in the nation of Cheon Il Guk. The King has influence on the Supreme Court, but no power over the military, Congress or spending.

Keep on developing yourself to become a better teacher/counselor and resource.

California used to be conservative, but its culture today is completely different. Craig Sawyer's Vets for Child Rescue urges parents to be vigilant. Sex predators are active on the Internet. Know what platforms your children are using. You wouldn't send your children to a dangerous park by themselves, but the Internet is full of predators.

As is stated in 1 Corinthians 10:13, God will give you a burden so that you can overcome it, not avoid it. Studying the scripture is supposed to challenge us to improve and develop. Never stop developing while you're alive on earth.

Have a friendly debate. It's like learning a new martial art. The reason Communism is so evil is it attacks and penalizes faith in God. **If we are not prepared to counter it intellectually, then that's a big hole in the Cheon Il Guk Kingdom. We need to know both the physical rod of iron AND the spiritual rod of iron.**

"THE CSG HAS TO BE KEPT FOR TENS OF THOUSANDS OF YEARS FOR YOUR DESCENDANTS.. THAT'S WHY NOBODY SHOULD TOUCH IT" TRUE FATHER.

Introduction by Peter Daly

In this 3 minute video clip Hyung Jin Nim makes it clear that Father was a public person, and he left his words for all the public. Not just for any organization such as the FFWPU to use to create its own theology that Father never believed in.

Hak Ja Han and the FFWPU leaders have taken possession of Father's words and videos of his sermons and speeches since Father died, and they have been changing Father's words. They made a "new" fraudulent CSG book, just so they could leave out Father's words such as the content of pages 1179, 1141, 2530, that don't support Hak Ja Han's new false theology!

As Father's chosen heir and successor, Hyung Jin Nim created the Sanctuary Church, for the purpose to protect and preserve Father's words and traditions.

Hyung Jin Nim's Deposition : "Holy Documents"

Father made it very clear that his words should never be touched or changed, especially the CSG book, which he compared to the Bible, that needs to be studied for tens of thousands of years:

"Cheon Seong Gyeong has to be kept for tens of thousands of years for your descendants. If Christianity had the Bible which Jesus left, would they have sectarian fights? Because of this (Cheon Seong Gyeong), you cannot have sectarian fights." (4/19/05)

"Also, I don't want anyone newly changing [or editing] anything among the things I wrote. They don't know why the content is the way it is. If they change the content without knowing, then they will be judged by everyone when they go to the other world. They will be charged for it. That's why nobody should touch it." (493-287, 2005. 4. 26)

How and Why I Joined Sanctuary Church

A Personal Sharing from Beatrice Clyburn, Warsaw, Poland

1- HOW I JOINED SC (my husband walked his own road too- which luckily ended up at the same point!)

-October 1996 our American/French family came to Poland as national messiah. 20 years in Poland as pastor (UTS '83), European 15 day WS lecturer, counseling, etc...

-Fall of 2007 Hyung Jin Nim began his ministry at Mapo Church. I started transcribing his sermons at that time. First he gave us new hope. Then he made so many conditions and inspired us to follow. So I did, the fasting, the 21,000 bows... Through transcribing I was getting into his heart during his process of recognizing that his father was the Returned Christ, and his Savior. Many tearful hours! Their father/son relationship moved me so deeply- which then became the central axis of the church. I could imagine how proud True Father was of his son; how much hope Hyung Jin Nim gave Father. During that time, in the Warsaw HQs church that I was pastoring, it was actually the International President that was our Pastor! For 2 years, I also headed a prayer ministry in his international online ministry.

-During this time we were also watching the Korean drama Jumong, the history of the founding of the Korean Kingdom of Koguryo (37 BC- 668AD). I felt I was watching the founding of CIG, with Jumong and Haemosu (his father), playing the part of Hyung Jin Nim and True Father. One day a shocking thought zoomed through my head: "In the CJG Palace they must have to restore all these historical palace intrigues!"

-Shortly after January 18, 2015, God guided me to find "Breaking the Silence!" and my world shattered. Such a shock! But I did get my answers about the palace culture! From then I did not miss any sermon- some of them inspired me so much, I watched several times in one week! I even transcribed five sermons in the spring of 2015.

- I could never accept the OBD theology; I knew it was against Fathers' teaching ... But it took 21 months of 'nights of the soul', constant conditions, two 7-day fasts to finally leave FF! Why so long?

* I could not imagine leaving all that foundation that we made for 20 years, all these people that we cared for. We were responsible for them! Maybe we could stay underground? So all my sermons then were only about Father.

*It took me a while to change some of my concepts about love and understand that if you love you must hate
evil!
*I wanted to leave with Amos, my husband, and he too was not yet ready.

I remember my last sermon,"The Cost of Discipleship," based on Dietrich Bonhoeffer's book & example. God was calling us to a new level of discipleship and we had to heed the call, regardless of the cost ('costly grace')! And our deep joy and hope when my husband and I joined SC the next day; the feeling of freedom and victory finally able to answer our call from Father after almost 2 years on this battlefield of the soul!

Jeremiah said to all the people and all the women, "Hear the word of the LORD, all you of Judah who are in the land of Egypt. Thus says the LORD of hosts, the God of Israel: You and your wives have declared with your mouths, and have fulfilled it with your hands, saying, 'We will surely perform our vows that we have made, to make offerings to the queen of heaven and to pour out drink offerings to her.' Then confirm your vows and perform your vows! Therefore hear the word of the LORD, all you of Judah who dwell in the land of Egypt: Behold, I have sworn by my great name, says the LORD, that my name shall no more be invoked by the mouth of any man of Judah in all the land of Egypt, saying, 'As the Lord GOD lives.' Behold, I am watching over them for disaster and not for good. All the men of Judah who are in the land of Egypt shall be consumed by the sword and by famine, until there is an end of them. Jeremiah 44:24-27

Crown of Glory

When I doubt people, I feel pain. When I judge people, it is unbearable.
When I hate people, there is no value to my existence.

Yet if I believe, I am deceived. If I love, I am betrayed
Suffering and grieving tonight, my head in my hands. Am I wrong?

Yes I am wrong. Even though we are deceived, still believe,
Though we are betrayed, still forgive. Love completely, even those who hate you.

Wipe your tears away and welcome with a smile Those who know nothing but deceit,
And those who betray without regret.

O, Master, the pain of loving. Look at my hands.
Place your hand on my chest. My heart is bursting, such agony.

But when I love those who acted against me, I brought victory.
If you have done the same things, I will give you the Crown of Glory.
Sun Myung Moon, 1935

Greetings!
Hyung Jin Nim started the service by asking me to share a message that was given to a prayer group of mostly FFWPU members from Jesus. He said he is definitely not a fan of mediums, but it is clear that Hak Ja Han is being rebuked by Jesus and the spirit world.

Sanctuary Church Sunday Service 4/19/20

Here is Pier-Angelo Beltrami's report on a 2 hour phone meeting of FFWPU members that took place on 4/13/20 with a sister channeling Jesus who gave the following message about Hak Ja Han:

Tell the leaders that Heavenly Father & True Father took away Hak Ja Han's position so she won't have any more adverse effects on the Earth. The Covid 19 virus is a demon attacking Earth. It's her misuse of her position that wreaked havoc on Earth. The position of True Parents is officially bequeathed to Hyung Jin Nim. He needs to understand this. Hak Ja Han was taken out of the position on 4/4/20. She was demoted to the status of civilian. Now is the time that Hyung Jin Nim will have more power to effect change on Earth in the True Parents position as their representative. This will change the energy of Earth.

Report and reflection by PierAngelo afterwards: We got done about 30 minutes ago and the meeting was very interesting, so I better report it to you now.

Right from the beginning the medium prayed and in that prayer she mentioned the fact that Corona virus came because of the destructive behaviors of Hak Ja Han. That set the tone for the rest of the meeting. The mood was serious for everyone was still shocked by the prayer.

Jesus was very kind but direct in his answers. He said COVID-19 is a man-made virus used by Satan to disseminate fear, and the people who buy into fear are prime candidates for succumbing to the deadly virus.

Then it got hotter. One member who questioned the mentioning of Hak Ja Han being the cause of COVID-19, proceeded in an impassioned talk about her. At that point Jesus said that the wrong behavior of HJH has caused many problems in the world and that she has to repent. The questioning continued with the member asking if it was truly Jesus speaking or some other entity. He politely asked if it was ok to ask Jesus if it was Jesus speaking.

Jesus said "ask the question the right way," which would mean asking Jesus everything in the name of Sun Myung Moon. So the brother proceeded to ask (3 times) if it was really Jesus speaking through this sister. The answers were emphatically YES! (3 times). Satisfied of the answer the member proceeded to ask why he (Jesus) could not appreciate Hak Ja Han's world tour and the "wonderful" work she's doing, and why he seemed to support Sanctuary Church.

At this point Jesus asked me (PierAngelo) to explain Sanctuary's

point of view on Hak Ja Han. Caught by surprise I started with a list of her misdeeds and the changes she made against True Father's directions. As I was explaining the events of True Father's last few days on earth and the insistence of HJH in wanting to terminate his life by removing life support (prevented because of opposition by Hyung Jin Nim, Kook Jin Nim, and Bo Hi Pak). I started to break down in tears... eventually I ended my report by denouncing the greatest sin of all...the kicking out of True Father's heir and His lineage after he clearly coronated Hyung Jin Nim 3 times...was it because we were so hard-headed?" I asked.

The member insisted that poor mother may have made some mistakes but in the end her life-long support of True Father may exonerate her from her transgressions and trespassing.... we debated a little more until Jesus put an end to this discussion and resumed the order of the meeting.

However, he suggested that every member who is interested in helping to create unity in the church should create a folder in their desktop containing newsletters for the SC-FFWP and GPF and pray for unity over that border.

At the end I (PierAngelo) was asked to pray and the questioning member followed. Just before terminating the zoom call many people thanked me for the emotional report and prayer. One brother called me afterwards to thank me for the sincerity of my short talk and promised to go over the topic again soon.

IN CONCLUSION. It was a tough and emotionally draining two hours but I think most members were not aware of what went on in Korea even prior to True Father's ascension or the true story of Hyung Jin Nim's ouster from the church.

Jesus was asking for a Sanctuary newsletter, but I think the weekly email newsletters could be a useful reference tool that I could send out to every "trinity" member, as per Jesus' instructions. (View Sanctuary USA emails 2015-2020)

Then Hyung Jin Nim discussed the Bible passage in Jeremiah 44 in which God dispersed and judged the Israelites who were worshipping the Babylonian "queen of heaven."

He also showed an Epoch Times documentary on Tracking Down the Source of the Covid 19 Virus. Communism wants to degrade morality in society. Immoral people are more easily dominated and used. They will not object to immoral acts by government as long as they receive benefits, essentially becoming complicit in their own slavery.

Bill Gates is major funder of Imperial College of London whose researcher Neil Ferguson made the alarming prediction that 2.2 million would die in the U.S. from Covid 19, leading to worldwide quarantine measures that have decimated human freedoms and national economies. *The actual number is likely to be about 50 times less.*

Our civil liberties are being destroyed. In California police arrested a man who was paddle boarding in the Pacific Ocean. In Australia a man was fined for eating lunch by himself on a park bench. Fear of Covid 19 leads to

people giving up their freedoms. Hospitals are being told to put "Covid 19" on death certificates even without confirmation because of greater federal funding for Covid 19 deaths.

Epoch Times Documentary on Covid 19

Through the forced quarantine which has put millions out of work, we are committing economic suicide so that more will become dependent on government with long food lines, etc.

Hyung Jin Nim studied both ancient Chinese and Mandarin for 4-5 years. During True Father's speaking tours he would always go to the local China Town. The Chinese people he knows all hate the Communist Party dictators. It is shocking that the Leftist media in the West is covering for CCP, the Chinese Communist Party.
Since the USA has been transferring Western manufacturing and technology to China for decades, it has become dangerously reliant for supply chains of many products that originate in China.

The government's role is not to order and punish people for not wearing a mask. More people will die from unemployment leading to suicide, alcoholism, etc. During the Revolutionary War there was a smallpox epidemic, but they didn't self-quarantine, they kept on fighting.

Leftists want the quarantine to go on as long as possible so that more Americans will become dependent on government. They prefer the Chinese Communist model of surveillance and control. But more and more Christians are waking up and becoming interested to know more about the Rod of Iron Kingdom. The CIG Constitution makes it clear that the Kingdom will be one of freedom and responsibility, not dependency on government. God's Kingdom is coming, but there will be many rocks in the road. Get ready.

Lucifer Would Not Serve The Son

by Jim Stephens, April 17, 2020

This article will be about fallen nature #1 that we all inherited from Lucifer. It's one that we need to constantly be aware of in our spiritual growth. Lucifer did not take God's point of view and would not serve or follow God's son. What can we learn from this and how does it apply to our daily lives?

Our True Father, Sun Myung Moon, revealed to us the process and motivations behind the Fall of Man. He detailed the Four Fallen Natures which we inherited from Lucifer, Adam, and Eve. This truth has given us an extremely useful measuring stick for comparing our thoughts and actions to see if they are leading us to God's side or Satan's side.

As we know, God created Adam and Eve as His children and intended to bequeath all Creation to them. However, as the time approached for them to take full authority, Lucifer began to balk. It appeared he was going to lose his long-standing position and controlling authority in the cosmos. He was going to have to humble himself under the authority of Adam and Eve.

We can all understand those feelings because we have been placed in a similar situation in our lives. We've had to choose between a God-centered path and a self-centered path. Unfortunately, throughout history most people rarely, if ever, think about bringing God into their decision-making processes.

Examples are everywhere. Literature and movies all through history are full of examples of the God, Lucifer, and Adam scenario. A King designates his young son as his heir, but when it's time for the heir to take over, then there is a huge struggle for the power and assets in the kingdom.

True Father amassed a fortune of billions of dollars and hundreds of organizations and businesses throughout the world.

I think you are incredibly naïve if you imagine there was no free-for-all among the elites of our church when Father passed. It would be natural for everyone to at least be concerned about their own job. That's self-preservation. Not only that, but how many might have higher ambitions? Who doesn't want more money, more authority? Does anyone believe that the leaders are all perfect angels?

How many leaders thought about God first? If you were in that situation, would you be thinking about God's Will?

Fallen Nature #1 is Failure to Take God's Point of View.
"Not my will, but your will be done." Matt 26:39.

I assert that what True Father expressed as God's Will is the closest we can get to God's Point of View. I assume you will agree. So what was Father's proclamation of God's Will until he ascended? And can we humble ourselves to it and repent if we have been pursuing our own point of view. What did True Father want to happen? What did he say?

Remembering True Mother Kang on a Spring Day

by Miho Panzer

Last Tuesday we had early spring weather, so the 2nd King andQueen invited the prayer team to the palace. The cherry trees were blossoming in such a beautiful way! After I sat down under one of the trees, I began to be aware of True Father and True Mother sitting there. They had big smiles.

On March 18, 2019 we observed True Mother Kang's Cosmic Seonghwa ceremony. I felt like this was a long time ago, but it was just one year ago.

We visited the Bo Hwang Won yesterday after the Sunday service. When we had the Wonjun ceremony there last year I brought a wild flowers basket for her because her image is like a wild flower. Cosmos. Margarets. Violets.

Wild flowers are very strong. Even if we step on them they spring back up. Even in the cold weather they survive. Just like the Kang Mother. Even in her 90s she left the comfort of her home in Korea and spent two years in the palace. She was the first disciple of True Father in South Korea. She is the lead bride of Christ even now.

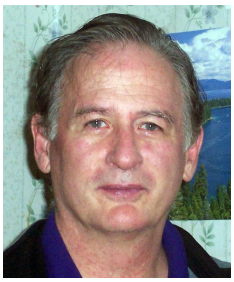

She used to come down to watch the King's Report every morning with brothers and sisters. She was often tired so I did light touch massage on her back, shoulder, hands and feet. One day I was giving a foot massage to her. Then I began to feel that True Father is inside her. I felt I was touching True Father's feet. I asked her, "don't you feel True Father is inside you now?" She smiled and said, "yes, I feel so, too."

She liked to read True Father's words in the Cheon Seong Gyeong and the Bible next to her bed. One day she opened her Bible in front of me. It was covered with red and blue lines underlining many passages. She explained that each time she read a page she would realize that a different passage was important, so that the whole page became underlined!

Such were my memories under the cherry tree. True Mother Kang was waiting for spring to come. When the cherry blossoms come I can go outside and walk around the garden. I feel True Father and Mother are watching the 2nd King and Queen and all of our families and praying for our victory.

Covid-19 and Our Society's Current Predicament

by Dr. Andrew Combs

In a seriously minded "what the heck just happened" piece, Is Maoist America Here to Stay? in "The American Thinker," Joel Gilbert describes what is going on all around us in the US - a nation catapulted into a shutdown of our society resulting in widespread violations of fundamental civil liberties, carried out by many throughout government and society at large who seem to feel entitled to arbitrary and unlawful tyrannies.

And all of this happened out of fear of a virus. Unfortunately, by believing in medical experts hamstrung by limited data (and possibly seeing no choice as he might fear being driven out politically otherwise) I believe President Trump has blundered into a very dangerous place. It is because in the US we have followed the Chinese totalitarian model of "forced mitigation" (an approach recommended by, among others, the too narrowly focused and increasingly self-important Anthony Fauci, and his tunnel-visioned mentee Deborah Birx). This method defers infections (thus deaths) in the near term while it avoids solving the virus problem (inevitable infections from a highly contagious respiratory pathogen) in the long term. Its purpose is to avoid overwhelming the health system (and buy time to develop a good vaccine), but it has cost us our civil liberties as a side-effect - relative health safety at the price of transient totalitarianism.

I use the term "tunnel-visioned" because forced sheltering as a prescription has severe side-effects: financial stress, spousal abuse, drugs and drinking, suicides, and the "models" of viral spread don't take that into account. Neither do the models of disease spread, nor seemingly do Fauci and Birx - but they should know better. I am sure they both pride themselves on a person's whole health - how about the population's whole health?

How and Why I Joined Sanctuary Church

A Personal Sharing from Beatrice Clyburn, Warsaw, Poland

1- HOW I JOINED SC (my husband walked his own road too- which luckily ended up at the same point!)

-October 1996 our American/French family came to Poland as national messiah. 20 years in Poland as pastor (UTS '83), European 15 day WS lecturer, counseling, etc...

-Fall of 2007 Hyung Jin Nim began his ministry at Mapo Church. I

started transcribing his sermons at that time. First he gave us new hope. Then he made so many conditions and inspired us to follow. So I did, the fasting, the 21,000 bows... Through transcribing I was getting into his heart during his process of recognizing that his father was the Returned Christ, and his Savior. Many tearful hours! Their father/son relationship moved me so deeply- which then became the central axis of the church. I could imagine how proud True Father was of his son; how much hope Hyung Jin Nim gave Father. During that time, in the Warsaw HQs church that I was pastoring, it was actually the International President that was our Pastor! For 2 years, I also headed a prayer ministry in his international online ministry.

-During this time we were also watching the Korean drama Jumong, the history of the founding of the Korean Kingdom of Koguryo (37 BC- 668AD). I felt I was watching the founding of CIG, with Jumong and Haemosu (his father), playing the part of Hyung Jin Nim and True Father. One day a shocking thought zoomed through my head: "In the CJG Palace they must have to restore all these historical palace intrigues!"

-Shortly after January 18, 2015, God guided me to find "Breaking the Silence!" and my world shattered. Such a shock! But I did get my answers about the palace culture! From then I did not miss any sermon- some of them inspired me so much, I watched several times in one week! I even transcribed five sermons in the spring of 2015.

- I could never accept the OBD theology; I knew it was against Fathers' teaching ... But it took 21 months of 'nights of the soul', constant conditions, two 7-day fasts to finally leave FF! Why so long?

* I could not imagine leaving all that foundation that we made for 20 years, all these people that we cared for. We were responsible for them! Maybe we could stay underground? So all my sermons then were only about Father.

*It took me a while to change some of my concepts about love and understand that if you love you must hate evil!

*I wanted to leave with Amos, my husband, and he too was not yet ready.

I remember my last sermon,"The Cost of Discipleship," based on Dietrich Bonhoeffer's book & example. God was calling us to a new level of discipleship and we had to heed the call, regardless of the cost ('costly grace')! And our deep joy and hope when my husband and I joined Sanctuary the next day; the feeling of freedom and victory finally able to answer our call from Father after almost 2 years on this battlefield of the soul!

The Constitution of Cheon Il Guk
(Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the

free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."

See what's happening on our social sites

"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Can any one of you by worrying add a single hour to your life?

"And why do you worry about clothes? See how the flowers of the field grow. They do not labor or spin. Yet I tell you that not even Solomon in all his splendor was dressed like one of these. If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you-you of little faith? So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the pagans run after all these things, and your heavenly Father knows that you need them. But seek first his kingdom and his righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own. *Matthew 6:25-34*

Even though they may lock me up in prison, they can't do the same to my mind or philosophy. "Hit me. If you beat me, you are striking the foundation God laid for me and the course I have walked along the way God has paved. Let's see how strong my heart is when it comes to loving my enemies. Hit me if you want to hit me. Do you think I would hate you? I've been severely beaten, vomiting blood. I was beaten in place of the human race with its bitterness accumulated through history. They would whip me, and then I would forget it. How wonderful it is for someone to go through such a thing and be able to say, "God, please forgive them." We should go through that; to do so, we have to practice abnegation (the act of relinquishing or giving up a right or possession). Then it becomes simple.

In the days when Korea was under Japanese control, them was a man named Kumahata, a name I've never forgotten. Though we were taught to love our enemies, I would have kicked him without hesitation when he was stamping on me and hitting me. Then I thought, "Hey you! Fine. Do as you want. I will endure this even though it may push me to the point of death." I didn't treat him as my enemy. Since it was my responsibility to pray for blessings for others, I looked for something in them that could make them worthy to receive a blessing. In my prison cell, that was what I studied. Since men have a conscience, in the morning when everyone else had gone out, the torturers would apologize. That is a human quality. When we see that, we can see that people everywhere are the same. They can't deceive their consciences.
Sun Myung Moon's Life In His Own Words. Part 7: Endurance and Forgiveness - Feb 1944 - Aug 1945

Greetings!
At the beginning of the service, Hyung Jin Nim invited Pastor George Cook to speak. He spoke passionately, explaining that America has turned in its rights because of fear of a virus. A mother was arrested for the "crime" of taking her child to a local park. Pastors have been arrested for preaching the word of God. Maybe the fact that the Sanctuary Church has a reputation for self-defense is one reason it hasn't been bothered. He warned that our government can shut down Internet messages whenever it wants and also about the possibility of widespread violence in the months to come.

Then Hyung Jin Nim showed a video of people who in the name of reducing the spread of the Covid 19 virus, must walk and pause on circles painted on the streets in Peru. Tyson and Smithfield and Hormel meat plants have been shut down. There are meat shortages and rise in prices of other foods. After seeing the reality of long lines and letting sex predators out of prison here in America and other nations, many are beginning to wake up.

Becoming a disciple of Christ is not easy. We are not promised lives of no suffering. If we are living in a nation under judgment by God, we will experience hardships, but God will provide a means to escape.

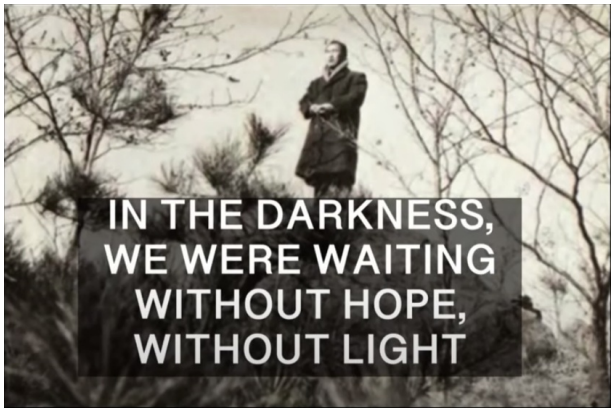

All These Things Shall Be Added Unto You
Sanctuary Church Sunday Service 4/26/20

Dr. Francis Collins who led the Human Genome Project has explained that if the coding data for even one gene in one cell were written down on paper it would stack up 600 feet in the air. He was working in the hospital and dying people would ask him what he believed, but since he had no understanding about an afterlife, he could not give them any comfort or guidance.

Atheists don't understand why believers have faith and hope. They like to point out that modern Christians don't really believe or follow in the words of Jesus in Matthew 6:25-34 not to "worry about what you shall eat or drink."

Hyung Jin Nim explained that if you seek first the Kingdom and His righteousness, you will encounter others who do the same. That will lead to a community that supports each other and especially the needs of those who most actively promote the Word and work of God.

Many preppers do not think about the need for community, but trained communities and networks are absolutely critical. We should seek first God's moral purpose, including the justice principles in the CIG Constitution, which protect our God-given rights to life, liberty and property.

There is a danger of focusing too much on catastrophic events that actually have a low probability. Worrying leads to the brain producing more of a stress hormone named cortisol, which keeps our body in a constant state of fight or flight. Jesus said not to worry, but he still said to buy a sword so that you have the ability to defend your family and community.

Two doctors in California have warned about the danger of continuing the lockdown which has led to rises in suicides, domestic violence, sexual abuse, etc., but there is little difference between fatality rate in Sweden with no lockdown and other European countries which locked down most of their citizens.

The fake science of the Nazis was used to promote genocide against the Jews. Worst case models from Imperial College of London that 3-4% of those infected would die were presented to governments around the world to scare them to take drastic actions, but the actual fatality rate for Covid 19 is much, much lower that those models predicted. Some are even advocating Covid 19 vaccination IDs.

The Bible says that our lives are but a vapor. We have the hope of God's Kingdom

and eternal life. Keep in the Word. Pray for the President to be strong and to do what is right! This is a time to share the Gospel, the joy and hope of the Kingdom.

Jesus on Hak Ja Han and Covid 19

Here is Pier-Angelo Beltrami's report on a 2 hour phone meeting of FFWPU members that took place on 4/13/20 with a sister channeling Jesus who gave the following message about Hak Ja Han:

Tell the leaders that Heavenly Father & True Father took away Hak Ja Han's position so she won't have any more adverse effects on the Earth. The Covid 19 virus is a demon attacking Earth. It's her misuse of her position that wreaked havoc on Earth. The position of True Parents is officially bequeathed to Hyung Jin Nim. He needs to understand this. Hak Ja Han was taken out of the position on 4/4/20. She was demoted to the status of civilian. Now is the time that Hyung Jin Nim will have more power to effect change on Earth in the True Parents position as their representative. This will change the energy of Earth.

Report and reflection by PierAngelo afterwards: We got done about 30 minutes ago and the meeting was very interesting, so I better report it to you now.

Right from the beginning the medium prayed and in that prayer she mentioned the fact that Corona virus came because of the destructive behaviors of Hak Ja Han. That set the tone for the rest of the meeting. The mood was serious for everyone was still shocked by the prayer.

Jesus was very kind but direct in his answers. He said COVID-19 is a man-made virus used by Satan to disseminate fear, and the people who buy into fear are prime candidates for succumbing to the deadly virus.

Then it got hotter. One member who questioned the mentioning of Hak Ja Han being the cause of COVID-19, proceeded in an impassioned talk about her. At that point Jesus said that the wrong behavior of HJH has caused many problems in the world and that she has to repent. The questioning continued with the member asking if it was truly Jesus speaking or some other entity. He politely asked if it was ok to ask Jesus if it was Jesus speaking.

The 2nd King's 2nd son is alive!

by Beatrice Clyburn

This is a quest to understand why the 2nd son of the 2nd King of CIG is alive and well after what could have been a fatal providential car accident. What happened in the family of our 2nd King at the beginning of 2020 is an earth-shattering event! The 2nd son of our 2nd King, Shin-Man, and his only daughter Shin Goong, came out of a serious accident unscathed, even though their car was totaled!
What is so mind- blowing about this? It shows that the victory of the True Parents' 4-Position Foundation did not allow Satan to win! The price has been paid!
Rev Sun Myung Moon: The Necessity for the Day of the Victory of Love, Jan.15, 1984

If the free world and Christianity opposed Reverend Moon, what kind of indemnity would they pay? From where would that indemnity be paid-from America or from Christianity or where? Who shall be responsible for the debt they incurred by rejecting the Messiah? The Unification Church must take responsibility because you are in the Abel position. Abel must pay the indemnity.

This is the reason why those in the second position within the Unification Church are always in the sacrificial position. Mr. Eu, the late president of the Korean Unification Church, was the second of the first three couples in the 36 blessed couples. He died in a hospital, not in his own home, about 13 years ago. At that time, our church was facing tremendous opposition from the other Korean Christian churches, as well as from the government.

Also, from my previous marriage there were two sons. The second son was martyred in 1969. He was going out on a summer evangelical mission, like the IOWC, and was killed in a train accident. From the True Parents' family, there was another daughter, named Hye Jin, who died in 1964. She was the second daughter. Our second son was Heung Jin Nim, who was born right after Hye Jin.

I want you to understand that this is the Divine Principle way of the dispensation.

This has been true throughout history and for our movement as well. Likewise, it is true for the True Parents' family. You can see for yourself that the Divine Principle is not just something I made up, but it is the true principle which has guided history.
So:
- Jesus the 2nd Adam died all alone on the cross, age 33.

-Father's 2nd son Hee Jin Nim, was killed in a train accident August 1, 1969, age 14.
-Father's 2nd son with Hak Ja Han ascended January 2, 1984, age 17, following a fatal car accident in December 1983, while True Parents were on a Korean tour.

-Father told the 2nd King that at the age of 33, he would have to go the way of the cross. Due to the cosmic betrayal, Father's heir and inheritor had to go into exile in the wilderness (Didn't the 2nd Adam Jesus spend 40 days in the wilderness too?)

So, how could this earth-shattering, phenomenal victory be possible on this 8th year after True Father's ascension?

Remembering True Mother Kang on a Spring Day

by Miho Panzer

Last Tuesday we had early spring weather, so the 2nd King andQueen invited the prayer team to the palace. The cherry trees were blossoming in such a beautiful way! After I sat down under one of the trees, I began to be aware of True Father and True Mother sitting there. They had big smiles.

On March 18, 2019 we observed True Mother Kang's Cosmic Seonghwa ceremony. I felt like this was a long time ago, but it was just one year ago.

We visited the Bo Hwang Won yesterday after the Sunday service. When we had the Wonjun ceremony there last year I brought a wild flowers basket for her because her image is like a wild flower. Cosmos. Margarets. Violets.

Wild flowers are very strong. Even if we step on them they spring back up. Even in the cold weather they survive. Just like the Kang Mother. Even in her 90s she left the comfort of her home in Korea and spent two years in the palace. She was the first disciple of True Father in South Korea. She is the lead bride of Christ even now.

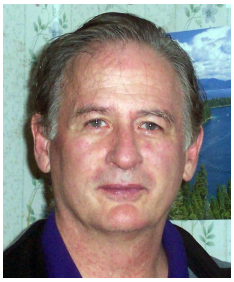

She used to come down to watch the King's Report every morning with brothers and sisters. She was often tired so I did light touch massage on her back, shoulder, hands and feet. One day I was giving a foot massage to her. Then I began to feel that True Father is inside her. I felt I was touching True Father's feet. I asked her, "don't you feel True Father is inside you now?" She smiled and said, "yes, I feel so, too."

She liked to read True Father's words in the Cheon Seong Gyeong and the Bible next to her bed. One day she opened her Bible in front of me. It was covered with red and blue lines underlining many passages. She explained that each time she read a page she would realize that a different passage was important, so that the whole page became underlined!

Such were my memories under the cherry tree. True Mother Kang was waiting for spring to come. When the cherry blossoms come I can go outside and walk around the garden. I feel True Father and Mother are watching the 2nd King and Queen and all of our families and praying for our victory.

Covid-19 and Our Society's Current Predicament

by Dr. Andrew Combs

In a seriously minded "what the heck just happened" piece, Is Maoist America Here to Stay? in "The American Thinker," Joel Gilbert describes what is going on all around us in the US - a nation catapulted into a shutdown of our society resulting in widespread violations of fundamental civil liberties, carried out by many throughout government and society at large who seem to feel entitled to arbitrary and unlawful tyrannies.

And all of this happened out of fear of a virus. Unfortunately, by believing in medical experts hamstrung by limited data (and possibly seeing no choice as he might fear being driven out politically otherwise) I believe President Trump has blundered into a very dangerous place. It is because in the US we have followed the Chinese totalitarian model of "forced mitigation" (an approach recommended by, among others, the too narrowly focused and increasingly self-important Anthony Fauci, and his tunnel-visioned mentee Deborah Birx). This method defers infections (thus deaths) in the near term while it avoids solving the virus problem (inevitable infections from a highly contagious respiratory pathogen) in the long term. Its purpose is to avoid overwhelming the health system (and buy time to develop a good vaccine), but it has cost us our civil liberties as a side-effect - relative health safety at the price of transient totalitarianism.

I use the term "tunnel-visioned" because forced sheltering as a prescription has severe side-effects: financial stress, spousal abuse, drugs and drinking, suicides, and the "models" of viral spread don't take that into account. Neither do the models of disease spread, nor seemingly do Fauci and Birx - but they should know better. I am sure they both pride themselves on a person's whole health - how about the population's whole health?

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

And do not fear those who kill the body but cannot kill the soul. Rather fear him who can destroy both soul and body in hell. Matthew 10:28

Who is Satan? To God he is the adulterer. Forgiving the adulterer would go against the heavenly principle, so God cannot forgive him. Therefore, even though God can forgive the people of the satanic world a hundred or a thousand times, He absolutely cannot forgive Satan. That is why the great judgment will come. Who will be judged in the great judgment? It is not human beings, but Satan, who dwells like a master in their souls, who will be judged. CSG 1154

Greetings!
During the announcements Hyung Jin Nim spoke about the importance of studying the CAUSA/VOC critique of Communism. The first day in July 18-21 Divine Principle workshop will focus on this topic.

Last week Hyung Jin Nim spoke about the threat to the nation's electrical grid. Yesterday Pres. Trump issued an emergency executive order to protect the electrical grid in the U.S. from cyber-attacks. 7 major grids in the U.S. are in danger of shutdown.

People who are proactively preparing for shortages can now be seen as exercising wisdom. There is a real urgency to turn the economy back on and to end the lockdowns as soon as possible. Dr. Fauci shows no awareness of the health effects of unemployment including suicide, depression, drug abuse, etc.

True Father was visionary in the way he trained sisters to get boat driving licenses, to learn fish farming, and to go to hard training in Jardim, which was full of poisonous snakes. He knew that women who were strong and capable to deal with nature would be an insurance policy when difficult times arrived.

Given that many of us are "locked down" it's a good time to engage our children in discussing ideas. The Kennedy clan in Massachusetts had their children debate political issues at dinner.

Sanctuary Church Sunday Service 5/3/20

This is also a good time to reflect on who True Father is. Hyung Jin Nim challenged

his children to discuss the "6 Mary's" controversy. Church leaders created a culture of not talking about it and forgot about lineage.

The "6 Mary's" is an accusing term used by Father's enemies. Chung Hwa Pak who wrote "The Tragedy of the Six Marys" in 1993, wrote a retraction of his accusations in 1995.

Before marrying them, True Father spoke to his first wife, Mother Choi (who ended up beating him and demanding divorce) and to his second wife, Hak Ja Han, about the need to have 12 children in order to establish 12 tribes (and from among those to choose the Kingship line).

When it seemed that Hak J Han would have difficulty to have 12 children, Father took responsibility to achieve that with another "bride of Christ." While not easy for others to understand, Father was absolutely committed to fulfilling the goal of establishing 12 tribes through 12 children. Father explained about this in a speech he gave in 1996:

At the time of True Father, unless True Mother could produce twelve heavenly children there would be a big problem in God's providence. Within twenty years that task had to be accomplished. Otherwise, True Mother could not have assumed her position as True Mother.

Theologians call this "teleological suspension of the ethical." To give an example in the secular sphere, in national emergencies such as to stop a foreign or internal enemy like Al Qaeda, constitutional guarantees like "habeas corpus" can be suspended.

True Father said many times that we will not understand his course until we understand Tamar. In 1976, he explained:

To proceed with His plan, God needed one more dispensation at this point, which was fulfilled through Judah, the fourth son of Jacob. The coming of the Messiah was predicted to be through the tribe of Judah because through him God was able to close the gap of time between the mother's womb and Jacob's age. Judah's daughter-in-law was Tamar.

When Tamar's husband died, her desire was to leave a child to continue his lineage. According to tradition in Israel, if a husband died without leaving sons, his brother should play the role of husband so that the wife could conceive a child. However, the brother of Tamar's husband was reluctant to do that. He was punished, and died also. The second brother of her husband was very young, yet when he came of age Judah did not give him to her in marriage. Tamar knew Judah's family was God's chosen family, but there seemed no way to leave children behind. However, Tamar conceived an idea to deceive her father-in-law into taking her husband's role. Her act is recorded in the Bible. She disguised herself as a prostitute and set up a little cottage, and tempted Judah as he passed by one day. He was indeed tempted, and without knowing that the woman was his daughter-in-law there was an affair, and she conceived. Normally when you read a story like that in the Bible you might throw the Bible away: "What kind of book is this?" But that is an external view...

Through these events Judah's tribe came to hold a very special position in the sight of God. Because the Cain-Abel struggle over dominion was determined in the mother's womb, there was no way Satan had a condition to claim a baby inside the mother's womb through this tribe of Judah. This is why Jesus Christ could be conceived only in Judah's lineage. God always planned that Satan have no power to claim a baby inside the mother's womb, and the act of Tamar completely dissolved the claim of Satan from the mother's womb to maturity. It was truly a tremendous, joyful victory for God.

According to Jewish law, Tamar's act of seducing her father-in-law, Judah, could have resulted in her execution, but the messiah came from her adulterous act and lineage. The prostitute Rahab, Ruth the Moabite, and adulteress Bathsheba were also in line of Jesus. Finally, Mary, the mother of Jesus, had to become pregnant as an unmarried teenager.

Clearly God's providence to establish the messianic lineage did not follow the strict Mosaic laws of the Torah or the Principle teachings about fidelity in marriage. It was accomplished by individuals who were called by God to risk their lives to establish God's lineage in ways that cannot be understood through typical standards.

After all 12 of the True Children were born, True Father predicted in 1983 that the Constitution would be released by his heir:

There will always be a physical representative of the True Father here on earth, from one generation to another; there will be that axis on which the earth will turn. Therefore, all of you here on earth and all the people in the generations to come will be centered upon the same axis...

After that registration is done, True Father will appoint his successor. That successor must be known to all the Unification Church, all the blessed couples and the True Parents' family. They must all unanimously accept him. Once that successor is determined, the law or constitution of the Heavenly Kingdom shall be laid down to guide all activities. The law will guide heavenly citizens here on earth and into the Kingdom of Heaven in heaven.
"Parents, Children and the World Centered Upon Oneself," June 5, 1983; Tarrytown, NY. Printed in God's Will and the World (1985), p. 651.

Since he was prevented from establishing his bloodline, Jesus said to Pilate if my kingdom were of this world, my disciples would fight. Since he could not establish his lineage, there was no reason for his disciples to fight.

After True Father passed, Hak Ja Han acted to erase the 3 Generations Kingship lineage. A civilization can be destroyed if you end its bloodline.

We cannot be controlled by fear of what others say or think. Father showed us the example of risking one's life and reputation to accomplish God's will. After all, the worst thing Satan can do is to kill our bodies, but not our souls.

The 2nd King's 2nd son is alive!

by Beatrice Clyburn

This is a quest to understand why the 2nd son of the 2nd King of CIG

is alive and well after what could have been a fatal providential car accident. What happened in the family of our 2nd King at the beginning of 2020 is an earth-shattering event! The 2nd son of our 2nd King, Shin-Man, and his only daughter Shin Goong, came out of a serious accident unscathed, even though their car was totaled!
What is so mind- blowing about this? It shows that the victory of the True Parents' 4- Position Foundation did not allow Satan to win! The price has been paid!

Rev Sun Myung Moon: The Necessity for the Day of the Victory of Love, Jan.15, 1984

If the free world and Christianity opposed Reverend Moon, what kind of indemnity would they pay? From where would that indemnity be paid-from America or from Christianity or where? Who shall be responsible for the debt they incurred by rejecting the Messiah? The Unification Church must take responsibility because you are in the Abel position. Abel must pay the indemnity.

This is the reason why those in the second position within the Unification Church are always in the sacrificial position. Mr. Eu, the late president of the Korean Unification Church, was the second of the first three couples in the 36 blessed couples. He died in a hospital, not in his own home, about 13 years ago. At that time, our church was facing tremendous opposition from the other Korean Christian churches, as well as from the government.

Also, from my previous marriage there were two sons. The second son was martyred in 1969. He was going out on a summer evangelical mission, like the IOWC, and was killed in a train accident. From the True Parents' family, there was another daughter, named Hye Jin, who died in 1964. She was the second daughter. Our second son was Heung Jin Nim, who was born right after Hye Jin.

I want you to understand that this is the Divine Principle way of the dispensation. This has been true throughout history and for our movement as well. Likewise, it is true for the True Parents' family. You can see for yourself that the Divine Principle is not just something I made up, but it is the true principle which has guided history.
So:
- Jesus the 2nd Adam died all alone on the cross, age 33.

-Father's 2nd son Hee Jin Nim, was killed in a train accident August 1, 1969, age 14.
-Father's 2nd son with Hak Ja Han ascended January 2, 1984, age 17, following a fatal car accident in December 1983, while True Parents were on a Korean tour.

-Father told the 2nd King that at the age of 33, he would have to go the way of the cross. Due to the cosmic betrayal, Father's heir and inheritor had to go into exile in the wilderness (Didn't the 2nd Adam Jesus spend 40 days in the wilderness too?)

So, how could this earth-shattering, phenomenal victory be possible on this 8th year after True Father's ascension?

And Agrippa said to Paul, "In a short time would you persuade me to be a Christian?"[And Paul said, "Whether short or long, I would to God that not only you but also all who hear me this day might become such as I am-except for these chains."

Then the king rose, and the governor and Bernice and those who were sitting with them. 31 And when they had withdrawn, they said to one another, "This man is doing nothing to deserve death or imprisonment." And Agrippa said to Festus, "This man could have been set free if he had not appealed to Caesar." Acts 26:28-32

Perseverance is the main thing of all. We can learn this lesson in great detail from the life of Jesus. When Jesus was about to be crucified, he knew that he was to have been the king of all kings. But, still he prayed very deeply, "Let this cup pass from me, nevertheless not as I will, but as Thou wilt." He yielded his wishes to the wish of God and persevered.

SMM, On Approaching God, 3/3/75

Greetings!
At the beginning of the service, Hyung Jin Nim greeted and honored the righteous mothers without whom the Kingdom would never come. He continued by sharing Paul's compelling testimony to the Judean King Agrippa and the rest of the dignitaries gathered in the Agrippa's court recorded in Acts 25:24-27 and Acts 26:1-32

If you remove Mohammed or Buddha, you still have religious teachings and practices, but if you remove Jesus from Christianity it cannot exist. Christian faith is centered on a person, not only teachings.

Sanctuary Church Sunday Service 5/10/20

To proclaim Christ was to risk your life, because you are not just proclaiming some new

teaching or principles, but rather the person of Jesus Christ. It is the duty of all people to repent and return back to God through Christ.

He also discussed the [Inspiring Philosophy youtube video about Job], which shows that before God humbled him, Job was a boastful Pharisee, who believed that God is obliged to bless because of his own works. He had transactional faith, not a relationship with God. God is not a genie. He is our Creator. By trusting Him, we are saved and transformed. We do good things because we love Him, not to get a reward.

The Romans were mystified by Christians' fervent faith despite undergoing horrific persecution, but eventually that ended and the faith was tolerated and then adopted, some would say "co-opted" by the Empire.

He also spoke about the ontological argument for God's existence from St. Anselm and developed by Albert Platinga where one starts with the conjecture that "maybe God exists." As a "maximally great Being" he would exist in another world and then in all possible worlds, including our world.

In our spiritual life, it's beneficial to reflect on God's maximal greatness. God is not only a great artist, but the maximally great artist. We can meditate on the maximally great love and holiness of God. It's amazing that we have the grace to know such a Creator! Following Christ is a relationship, not just following a bunch of teachings. We are originally created in the image of God, but if we reject Him we remain under dominion of the god of this world, Satan.

We do good things because we love Him, even if we are persecuted. It's all very simple, just want to make Daddy happy and be the best shepherd we can be.

Let us be bold like Paul in front of King Agrippa even though the world may mock us for wearing crowns and thinking we are kings and priests.

You may feel worthless and weak, but if we see ourselves with God's eyes we should see ourselves as the righteous defenders of the weak, capable individuals who stand up for righteousness and against evil. The devil tells us the opposite, "no one loves you, you're an incompetent loser!" God puts us through the fire so that we can become what He wants us to be. We are no longer slaves, but a child of God.

Hak Ja Han Erases All Church Holidays, Except for One

"ONLY SHE Crossed the Finish Line..."

In a shocking speech on May 8, 2020, observing the 60th Anniversary of the Holy Wedding of True Parents, Hak Ja Han explained that while True Father failed to fulfill God's will on earth, ONLY SHE crossed the finish line! As shown in the following video, she declared:

For 54 years True Parents have been running this marathon. In 2013, on January 13, True Parents (Hak Ja Han) proclaimed Foundation Day and who guided everyone (across) the finish line? ONLY True Mother crossed the finish line.

Hak Ja Han's 60th Anniversary Declaration selection

The Han Mother also told those who had gathered that from now on no Unificationist holy days will be celebrated except the one that matters to her, the one on March 16, commemorating the Holy Wedding of True Parents. (Starting at 39:00 in the iPeace TV video).

There will be no more True God's Day celebrations, no True Children's Day, no Day of True All Things, or other commemorations of special events in God's providence during the life of the Lord of the Second Advent.

It makes sense if you think about it. She teaches that she was born sinless, knowing the Principle from birth, and that on March 16, 1960 she forgave Sun Myung Moon's Original Sin. Definitely the only day the Mother of Peace wants us to remember, instead of, for instance, October 14 when True Father was liberated from the Hung Nam death camp, when she was just a 7 year-old.

Certainly she does not want us to remember why the Perfection Level Blessing could not be performed in 2011, even though leaders from all over the world had already gathered to observe it... The erasure of True Father's words, lineage and traditions is now complete. If you think about it, it was actually fitting that all of the church leaders' mouths were covered by Covid 19 masks.

As noted in an essay by Nikolaus Beutl, exactly one month before his ascension True Father had his last Hoondokhwe meeting where he spoke about his wife, as discussed in a short Korean-language video. Nikolaus writes:

On that day of August 3, 2012 he stated clearly that, "Mother threw away all the foundation (root, base)." *When you watch his gesture while saying this you can see that he is truly upset and sad, whereby he is turning his hand to express what he is saying: Everything was thrown away by his wife. By turning his wrist 180 degrees he is showing what she has done: to reverse everything.*

At that time Father knew already more than anybody else what was on the heart and mind of his wife, that she was out to change everything to the opposite. That attitude became clearly visible in the years that followed where she put herself up as the true savior who liberated the Lord of the Second Advent from his sin, setting herself up as the sinlessly born only begotten daughter who is the true Mother of the Universe.

At that final public meeting Father asked the question, "Who is the Owner? Who is the Head?" and he emphasized: "Woman CANNOT be the Head! This all became upside down!"

If you speak Korean you can see the

kind of language True Father used when he expressed his distain about what his wife had done: ***"She threw away the grandfather and the grandson!"*** *Obviously, Father was referring to himself as the grandfather and his grandson Shin Joon Nim who lived with True Parents at that time.*

In 7 short years, we have to admit, Hak Ja Han HAS succeeded. She has succeeded in declaring a FAKE HISTORY that is apparently accepted by the silent sheep in the "Holy Parents Church." How shameful, and sad...

Our Father Forsaken Book Review

by William Brunhofer, DMin in Religious Ed
New York Theological Seminary

Pastor HJ Sean Moon's reminder to the faithful, and a broadside aimed at the confused among the scholarly and pastoral ranks of modern-day Christianity, is that the Bible teaches in both the Old and New Testaments that, "God is the same yesterday, today and tomorrow." Sadly much of modern Christendom promotes the opposite, he says, and follows the long reach of the two-thousand-year-old, "Maricon heresy."

Begun in the 1st Century AD, this early Christian heresy, with its origin in the Gnostic Gospels, promoted a spiritualized conception of Jesus as the Son of God based on its claim that he never existed in the flesh. Yet, in spite of the vast treasure trove of evidence to the contrary, most recently among the Dead Sea Scrolls, today's Marcion Gnostics conclude that all is myth and misunderstanding, beginning in the Old Testament. And in spite of the early Christian Church testimonials of Jesus' life in the New Testament documenting that Jesus was born to Mary and Joseph, walked the earth, gathered disciples, preached his Sermon on Mount, worked miracles, was tried by Pontius Pilate and died on the cross, later appearing to the early apostles, including Paul, and many others, they hold on to their heresy.

Countering this myth-making attempt at redefining the life of Jesus, Pastor Moon urges that Christians need to maintain a focus on God's unchanging words and principles even when they may be hard to understand in some places, like the killing of the Canaanites upon entering the "Promised Land" or the seeming contradictions between Paul's letters and New Testament teachings.

This book is not for the casual reader. It will take the truth seeker and scholar within you to plow these pages and harvest its fruit, but it will be well worth it. So, let's take a deeper look.

The Constitution of Cheon Il Guk
(Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."

You who love the Lord, hate evil! He preserves the souls of His saints; He delivers them out of the hand of the wicked. Psalm 97:10

America's greatness and pride stem from God. With Him, America deserves the blessing and can remain as the mightiest nation. With God, you can preserve your dignity and the leadership of the world. If you allow God to leave America, however, this nation will decline; it will be subjugated by satanic hands. When this happens, the future of America will be dismal, tragic. America will become a living hell.

When God's blessing is great, and one forsakes God's will, God's punishment is equally great. In the early 1960s, America seemed to be the hope of the world, and the symbol of America was the city of New York. Today, however, the world has lost faith in America, and New York has become a jungle of immorality and depravity. It has been transformed into a city under the attack of evil. Chicago is no different, nor Los Angeles. Throughout all of America, Satan is becoming the master. God has been forgotten in this country, and if forgotten, God can only leave America. Now is the very moment that this is taking place!

When the unifying force of God leaves America, nothing will be able to hold America together. The family will break down; churches will divide, and America will become mortally ill because the cells of her body are decaying. This will be the perfect opportunity for the evil of communism to overtake America. This state of emergency is here now. Someone must do something! SMM, June 1, 1976, Yankee Stadium N.Y.

Greetings!

Hyung Jin Nim started the service by thanking those who participated in the statewide "OPEN UP! STOP THE LOCKDOWN1" rally in Harrisburg which was attended by several thousand Pennsylvanians and in the Pike County rally at the Courthouse in Milford. Both rallies called upon Governor Tom Wolf to end the lockdown which has thrown hundreds of thousands out of work and bankrupted countless small businesses.

Hyung Jin Nim invited Andy Hallinan to speak. Andy is the owner of a gun store in Iverness, FL who has given NRA self-defense training to more than 30,000 people along with his motto, "Get armed! Get trained! Carry daily!"

Andy spoke movingly about his own search for real Christianity and about his concern that his 7 year old son Steven would grow up in a free nation.

Everyone is looking for Purpose, Acceptance, and Love. The *Rod of Iron Kingdom* message will do that for thousands of patriots and

Christians seeking to understand what they can do to save our nation during this time of ferocious attacks on its existence, identity, and freedoms.

America is unique in human history in that it is not founded on an ethnic or even geographical identity. Anyone who accepts the founders' vision of "God-given rights" can be accepted as a citizen entitled to full legal rights.

Sanctuary Sanctuary Church Sunday Service 5/17/20

Andy discussed True Father Sun Myung Moon's historic speech at the "God Bless America" rally in 1976, with its message that America is threatened by Communism, immorality/family breakdown, and racial divisions. Statist "Progressive" ideologies are willing to sacrifice or even kill individuals for the benefit of the nation or "revolution."

The 2016 presidential election halted the progressive march towards socialism but the election of 2020 will determine whether this was a temporary interruption or a substantial reaffirmation of Americans' rights to life, liberty and property that include freedoms of speech, religion and self-defense.

SMM God Bless America Festival 1976

Patriots need to understand that these are rights of ALL human beings, not just Americans, and be ready personally to defend these rights at the

cost of their lives, if necessary. Beginning in mid-June a *Rod of Iron Kingdom* home study course will be made available to patriots around the nation.

Hak Ja Han Crosses the Finish Line, Alone

On May 8, 2020 the Only Begotten Daughter told Unificationists that ONLY she, not True Father, crossed the finish line, saying:

For 54 years True Parents have been running this marathon. In 2013, on January 13, True Parents (Hak Ja Han) proclaimed Foundation Day and who guided everyone (across) the finish line? ONLY True Mother crossed the finish line.

The Han Mother also told those who had gathered on May 8 that from now on the True Parents Day will not be celebrated as before. Instead it will be absorbed into the day that matters to her, the one on 3.16, commemorating the Holy Wedding of True Parents. (Starting at 39:00 in the iPeace TV video).

5/8/2020 HJH Calls True Father a Failure Whom She Forgave

It makes sense if you think about it. She teaches that she was born sinless and that on 3.16.1960 Sun Myung Moon's Original Sin was removed when he married her.

On July 1, 2014 at the Cheon Jeong Gung Palace she said, "**The process of changing the lineage occurred while I was in my mother's womb. This is something you have to believe.**"

On December 30, 2016, Mother said at a meeting at the Cheon Jeong Gung palace with 200 wives of families who received the Holy Blessing between 1960 and 1968: "**Father, who was born with original sin, could have that original sin removed as a result of meeting me, the only begotten daughter born into this world without original sin. Father was not supposed to marry any other woman before meeting me.**"[i] [i] "Parents' Special Gathering for Early Woman Leaders"

Equally shameful is the fact that this fake history is accepted by the silent sheep in the "Holy Parents Church." A betrayal both shameful and sad...

Human Trafficking and Modern Slavery

by Marie Koh

In this incredible age of the internet where the purchase of goods

online is but a click away from a lap-top, a virtual world of the indulgences of the flesh emerges; it is one of a much darker kind - the cybercrime of child sex trafficking.

This heinous criminal activity of 'selling and buying' of online sex trafficking has found its way into the home of almost anyone who possesses a computer device. This underworld of internet perpetrators operates in broad daylight every day under the guise of dating agencies, video game chat rooms, forums, and websites of all kinds. A perpetrator has the ability to reach a child without the consent of a parent or being recognized as a threat. In addition to this, pedophile rings circulate in rich and poor neighborhoods alike, they can pose as a 'friend,' relative or neighbor. They can be living on your street, work at your local food store, school, a favorite charity organization, and many times, they just look like regular folks.

Tragically, human trafficking is big business. It generates a staggering $150 billion dollars per year in revenue, second only to drug and weapon trafficking worldwide. A trafficker can earn up to $250,000 per trafficked person, a highly profitable enterprise with low risks to the perpetrator. Approximately 25 million people around the world have been deprived of their rights and freedom due to human trafficking. For too long, traffickers have been allowed to move and exploit humans with impunity, even within their own country of residence where it is estimated that 77% of victims come from and are exploited.

ContraLand Movie

Veteran Navy SEAL "DEVGRU," Sniper, Graig "Sawman" Sawyer, founder of vets4childrescue.org explains that child sex trafficking makes more revenue annually than Netflix and YouTube, and warns society that there is a thriving epidemic of child sex trafficking happening in the United States and around the world. His documentary,Contraland, exposes the proliferation of pedophile rings across states and what can be done to end this cycle of terror in our communities.

Let those who love the Lord hate evil,
for he guards the lives of his faithful ones
and delivers them from the hand of the wicked. Psalm 97:10

Evil is the misuse of love. Good is the right and proper use of love. Good and evil started from one point--love. If we love God, that is all right. But if we love something or someone against God's will, that is evil. If we love someone or something in accordance with God's will, that is good. SMM, The Way of Tradition, Volume II

Greetings!
Hyung Jin Nim thanked the Sanctuarians who traveled to Allentown to pray in front of an abortion clinic. As a consequence of one mother making a decision for life, 2 twins were saved from death!

He also announced the matching of his second son Shin Man with Dong Hee Jin, a blessed child in Korea.

After the announcements, he showed Craig Sawyer's *Contraland* documentary on Sex Trafficking. Mr. Sawyer, who spoke at last year's Freedom Festival and will return again next October, got pressure to remove the sections about government officials being arrested for sex trafficking, but refused to do so. He has also had his Instagram and Twitter accounts shut down many times.

Contraland tells the stories of how girls and boys as young as 12 years old are pimped by men and women out to pedophiles in communities all across America every day and how a team of committed veterans is capturing these perverts. The documentary shows a group of veterans who spot cartel traffickers which operate inside the U.S.A border with Mexico. It also shows the veterans and other citizens cooperating with local law enforcement in Connecticut and Utah to arrest predators. Craig Sawyer's own daughter Aspen was raped at age 18 for 5 hours and works to capture predators pretending to be a young teen for sale.

Here are some of the points made in the documentary:

- Child sex trafficking is the fastest-growing criminal enterprise on earth.
- It generates an estimated $38 billion dollars each year in the U.S.
- Blackmail involving pedophilia is at the root of much of America's political corruption.
- 30,000 victims of sex trafficking die each year from abuse, disease, and neglect, some as young as six years old.
- Over 71% of trafficked children show suicidal tendencies.

- Sex traffickers condition their male and female victims with starvation, rape, gang rape, physical abuse, beating, confinement, forced drug use, and shame.
- No matter what town you live in, it's likely this is going on in your community.

Sanctuary Church Sunday Service 5/24/2020

Boys as young as 8 years old are exposed to porn on the Internet and later become predators. Fatherless children or those with absentee or uninvolved dads are the most vulnerable to traffickers.

The documentary includes a testimony of a girl who was trafficked by her own mother and a Treasury Department investigator arrested for sex with 13 year old girl. Pornography sites are often controlled by criminal organizations. Public figures who frequent them can be blackmailed and controlled for political purposes.

Hyung Jin Nim explained passionately that in Cheon Il Guk (the Heavenly Nation) there will severe consequences for predators. We've been conditioned to be tolerant of everything. But we must not be tolerant of that which can destroy our children. Porn desensitizes. These predators must be severely punished, after due process obviously.

Parents, both men and women, need to realize there are predators roaming on the Internet. After posting an ad for child sex, 5,000 LOCAL requests were received within 30 days. The fallen Eve culture wants to protect the predators, because she is working with him. Young boys need to see predators punished. We should not depend on "the government" to solve this problem. Even average citizens have sent out ads pretending to offer sex with underage girls and then posted videos of pedophile "customers" coming to a Walmart to meet for that purpose.

A LETTER TO REV. KWAK

Vienna, May 23, 2020

Dear Rev. Chung Hwan Kwak!

My name is Johann Hobl from Vienna, Austria. I am part of the 118 couples Blessing in London in 1978. My wife Madeleine is from France. We have four children.

I received your letter from April 22, 2020 and read it with great interest. I have some serious questions about what you wrote in your letter.

You speak a lot about Hyun Jin Nim and his Inauguration as vice-president of FFWPU in July 19, 1998. True Father spoke greatly

about Hyun Jin Nim's mission and responsibility. I also honor your Introductory Address as well at Hyun Jin Nim's Inaugural Address. I would like to share with you some words of True Fathers speech, during the Inauguration Ceremony, it is printed in *Today's World* Magazine from July 1998:

My advice today to my son Hyun Jin is to please maintain a standard of absolute faith, absolute love and absolute obedience in front of God, in front of True Parents, in front of his spouse and in front of all Family Federation members. I order to establish the completed foundation of the fourth Adam and the realm of the fourth Adam. Hyun Jin Nim still has a course to go on the family level, clan level, tribal level and national level. Therefore he has to apply his absolute standard of faith, love and obedience before everyone.

Here are the last words True Father spoke in his speech to Hyun Jin Nim:

From Hyun Jin Nim's point of view, if True Father asks him to do ten things, Hyun Jin Nim would come and say, "Father, that is not enough, I will do 1,000 things." As long as this kind of relationship exists between Hyun Jin and myself, the future of the Unification Church FFWPUI will be great. Amen, amen, amen.

Through this words I see, True Father awaited a close relationship and sincerity in Hyun Jin Nim`s faith, love and obedience, but 10 years later, what did True Father say? On April 16, 2008 True Father said:

I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses Hyung Jin in his standard of faith or in any other way. Do you understand? I am appointing him.

Two days later on April 18, 2008 True Father held the Inauguration of Hyung Jin Nim as international President and regional President of FFWPU in Korea. True Father's prayer and speech I found in *Todays World* May 2008

There is a serious question: What happened with Hyun Jin Nim? True Father gave Hyun Jin Nim no further responsibilities. My question now is: Why didn't you mention Hyung Jin Nim even once in your letter?

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against

unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

Learn to do good; seek justice, correct oppression; bring justice to the fatherless, plead the widow's cause. Isaiah 1:17

We are the hand-picked champions of God who are called to the mission of liberating not only ourselves and not only this world and mankind; our mission includes the liberation of God Himself. Don't you feel good when you hear this? Actually doing this is not easy. Truly it is even harder than dying, because you have to go down to the bottom of human misery to live. I have been walking that path for thirty years and I have secured my own liberation, salvation and resurrection. I do not need any more, but as I said, until I bring the world together and liberate God I cannot stop. No matter what persecution may come to me I shall go on; nobody can stop me. SMM, The Realm of Resurrection, 4-3-77

Greetings!
At the beginning of the service Hyung Jin Nim explained that this is a dangerous time for our nation. It will determine whether America descends into socialist tyranny. South Korea is going that way. Our brothers and sisters in Japan and Korea are demonstrating every week for the defense of freedom and for President Trump. Pray for them!

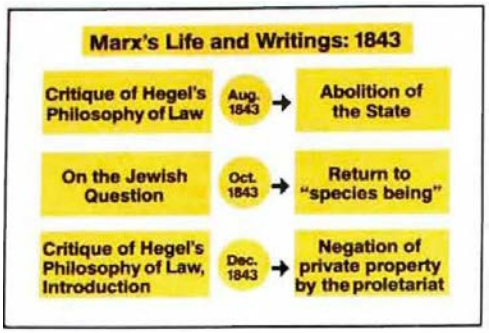

Pro-Trump, anti-Xi Xinping Demonstrations in Tokyo

It has been said, you can vote yourself into socialism, but you have to shoot your way out. There are 424,000 followers of the Newstown youtube channel in South Korea. Its founder openly advocates 2nd Amendment rights there.

Hyung Jin Nim encouraged all to sign up for the new 7 week online Rod of Iron Patriot class starting on June 22. He doesn't want his future grandson to live in a totalitarian state. That is why True Father led a worldwide movement to critique and oppose Communism. The first day of a 3 day workshop at the Sanctuary Church on July 18-20 will be devoted to study of CAUSA/ Victory over Communism information. 2nd Gen educators will lead the last two days with discussions of the Divine Principle.

Robert Pickell shared a moving testimony about meeting the 2nd King and Queen when they moved to NE Pennsylvania in 2013. How wonderful it is that we can attend the one son that True Father anointed and crowned repeatedly before he ascended to the spirit world!

Hyung Jin Nim started his sermon by discussing a passage in Job 10. Job was a mega-millionaire. He owned 7,000 sheep, 500 cows, and 3,000 camels. He seems to be religious and righteous, but became transactional in his relationship to God, thinking he deserved God's blessing.

True faith is a relationship with God, in order to

become a closer child of God. Not because we want something, but because we're trying to give Him joy. In other religions you pray to the "mountain god" for benefits.

Robert Pickell

Top-level evangelical scholars are exploring the true nature of our relationship with God. Many are rejecting the Classical Theistic View in which God can see the past, present and future at the same time. This is the Calvinist view that everything is predetermined. We are all actors in a pre-determined script. This implies that God intended for Adam and Eve to fail, the evils of the holocaust, prostitution, slavery, war, etc. But real freedom entails that we have a real option between "A" or "B." America's founders believed that their actions mattered.

Then he discussed philosophical views on "ontology," the realm of metaphysics which studies the nature of existence. There are infinite components of reality or foundational layers of "holding" things up. At the very bottom there must be a "Ground of Being." Atheists say those laws of nature are enough, so you don't need God, but fail to address where those "laws," or even existence itself, come from.

Sanctuary Church Sunday Service 5/31/20

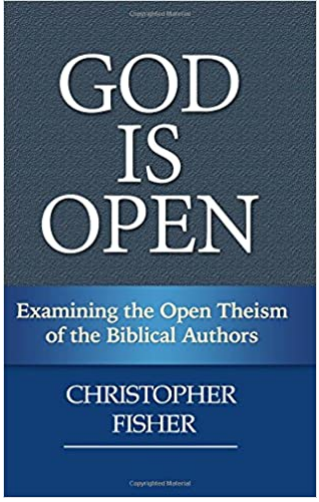

Aristotle and Aquinas spoke of an "Unmoved Mover," which they view as having no emotions. God cannot change because then He would not be eternal. Therefore, He is ultimately unknowable. Such "mysteries of God" resemble the teachings of Vedantic Hinduism. There could not be a God who has a thought about creating the universe, because then there would be the potentiality not to create. He cannot have real anger or other emotions. God is perfect self -love.

The Predestination view is very compatible with acceptance of a tyrannical state, as suggested in Romans 13. If everything is pre-destined, then why act to make change? This understanding of God is very different from the view of God in the Gospels, which speak of knowing and interacting with God as a Father, who is affected by us because He is a being of heart and love for His children.

Our experience is that we make real choices in our lives. Conservative principles, which teach that we are responsible for our decisions, also conflict with the classical theistic view.

The Middle Knowledge view (modified Classical view) of Christian apologists like William Lane Craig affirms that God did choose to create. He knows our nature and tastes, and what we are likely to choose.

The Open Theism view emphasizes our real free will and

the importance of our actions and choices. God knows our nature, but He cannot know something that is not yet in reality and He is always waiting for our repentance, as shown in many New Testament parables such as the Story of the Prodigal Son (Luke 15:11-32).

The future has not yet become reality. Our decisions really do matter. Such is the difference between people who choose to act out of self-centered motives and the ones who shout, "give me liberty or give me death!"

A LETTER TO REV. KWAK

Vienna, May 23, 2020

Dear Rev. Chung Hwan Kwak!

My name is Johann Hobl from Vienna, Austria. I am part of the 118 couples Blessing in London in 1978. My wife Madeleine is from France. We have four children.

I received your letter from April 22, 2020 and read it with great interest. I have some serious questions about what you wrote in your letter.

You speak a lot about Hyun Jin Nim and his Inauguration as vice-president of FFWPU in July 19, 1998. True Father spoke greatly about Hyun Jin Nim's mission and responsibility. I also honor your Introductory Address as well at Hyun Jin Nim's Inaugural Address. I would like to share with you some words of True Fathers speech, during the Inauguration Ceremony, it is printed in *Today's World* Magazine from July 1998:

My advice today to my son Hyun Jin is to please maintain a standard of absolute faith, absolute love and absolute obedience in front of God, in front of True Parents, in front of his spouse and in front of all Family Federation members. I order to establish the completed foundation of the fourth Adam and the realm of the fourth Adam. Hyun Jin Nim still has a course to go on the family level, clan level, tribal level and national level. Therefore he has to apply his absolute standard of faith, love and obedience before everyone.

Here are the last words True Father spoke in his speech to Hyun Jin Nim:

From Hyun Jin Nim's point of view, if True Father asks him to do ten things, Hyun Jin Nim would come and say, "Father, that is not enough, I will do 1,000 things." As long as this kind of relationship exists between Hyun Jin and myself, the future of the Unification Church FFWPUI will be great. Amen, amen, amen.

Through this words I see, True Father awaited a close relationship and sincerity in Hyun Jin Nim`s faith, love and obedience, but 10 years later, what did True Father say? On April 16, 2008 True Father said:

I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses Hyung Jin in his standard of faith or in any other way. Do you understand? I am appointing him.

Two days later on April 18, 2008 True Father held the Inauguration of Hyung Jin Nim as international President and regional President of FFWPU in Korea. True Father's prayer and speech I found in *Todays World* May 2008

There is a serious question: What happened with Hyun Jin Nim? True Father gave Hyun Jin Nim no further responsibilities. My question now is: Why didn't you mention Hyung Jin Nim even once in your letter?

Hak Ja Han Crosses the Finish Line, Alone

On May 8, 2020 the Only Begotten Daughter told Unificationists that ONLY she, not True Father, crossed the finish line, saying:

For 54 years True Parents have been running this marathon. In 2013, on January 13, True Parents (Hak Ja Han) proclaimed Foundation Day and who guided everyone (across) the finish line? ONLY True Mother crossed the finish line.

5/8/2020 HJH Calls True Father a Failure Whom She Forgave

It makes sense if you think about it. She teaches that she was born sinless and that on 3.16.1960 Sun Myung Moon's Original Sin was removed when he married her.

On July 1, 2014 at the Cheon Jeong Gung Palace she said, "**The process of changing the lineage occurred while I was in my mother's womb. This is something you have to believe.**"

On December 30, 2016, Mother said at a meeting at the Cheon Jeong Gung palace with 200 wives of families who received the Holy Blessing between 1960 and 1968: "**Father, who was born with original sin, could have that original sin removed as a result of meeting me, the only begotten daughter born into this world without original sin. Father was not supposed to marry any other woman before meeting me.**"[i] [i] "Parents' Special Gathering for Early Woman Leaders" http://familyfedihq.org/2016/12/true-parents-news-weekly-update-108/True

Human Trafficking and Modern Slavery

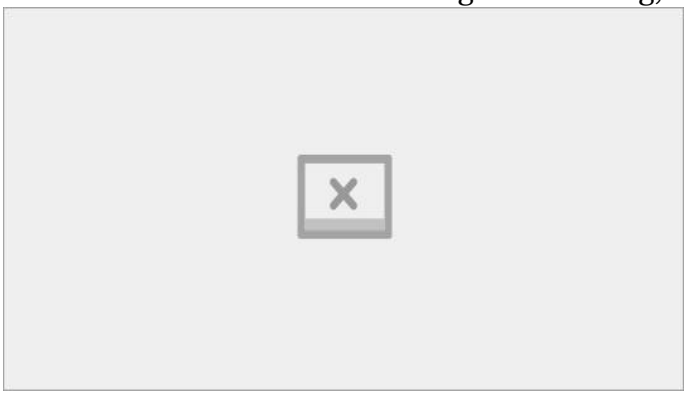

by Marie Koh

In this incredible age of the internet where the purchase of goods online is but a click away from a lap-top, a virtual world of the indulgences of the flesh emerges; it is one of a much darker kind - the cybercrime of child sex trafficking.

This heinous criminal activity of 'selling and buying' of online sex trafficking has found its way into the home of almost anyone who possesses a computer device. This underworld of internet perpetrators operates in broad daylight every day under the guise of dating agencies, video game chat rooms, forums, and websites of all kinds. A perpetrator has the ability to reach a child without the consent of a parent or being recognized as a threat. In addition to this, pedophile rings circulate in rich and poor neighborhoods alike, they can pose as a 'friend,' relative or neighbor. They can be living on your street, work at your local food store, school, a favorite charity organization, and many times, they just look like regular folks.

Tragically, human trafficking is big business. It generates a staggering $150 billion dollars per year in revenue, second only to drug and weapon trafficking worldwide. A trafficker can earn up to $250,000 per trafficked person, a highly profitable enterprise with low risks to the perpetrator. Approximately 25 million people around the world have been deprived of their rights and freedom due to human trafficking. For too long, traffickers have been allowed to move and exploit humans with impunity, even within their own country of residence where it is estimated that 77% of victims come from and are exploited.

He has confirmed his words, which he spoke against us and against our rulers who ruled us, by bringing upon us a great calamity. For under the whole heaven there has not been done anything like what has been done against Jerusalem. As it is written in the Law of Moses, all this calamity has come upon us; yet we have not entreated the favor of the Lord our God, turning from our iniquities and gaining insight by your truth. Therefore the Lord has kept ready the calamity and has brought it upon us, for the Lord our God is righteous in all the works that he has done, and we have not obeyed his voice. And now, O Lord our God, who brought your people out of the land of Egypt with a mighty hand, and have made a name for yourself, as at this day, we have sinned, we have done wickedly.

"O Lord, according to all your righteous acts, let your anger and your wrath turn away from your city Jerusalem, your holy hill, because for our sins, and for the iniquities of our fathers, Jerusalem and your people have become a byword among all who are around us. Now therefore, O our God, listen to the prayer of your servant and to his pleas for mercy, and for your own sake, O Lord, make your face to shine upon your sanctuary, which is desolate. Daniel 9:12-17

For God gave us a spirit not of fear but of power and love and self-control. 2 Timothy 1:7

In tears of sorrow Adam and Eve went to hell, but because of you, your children will go to heaven with tears of gratitude. Tears with a selfish motivation will bring you down to hell, but tears for God and humanity will not only bring you up to heaven, they will also liberate God.
SMM, Sorrow and Tears 3/1/78

Greetings!
Even though the 2nd Amendment rally on June 8 in Harrisburg, PA was officially postponed because of "credible threats," Hyung Jin Nim explained his intention to join the Gunowners of America and others who intended to rally for the 2nd Amendment rights anyway. Local veteran groups were happy to see us show up. We love our government servants but we will not let them exercise power for unconstitutional corrupt purposes. He praised the 2nd Queen who was absolutely determined to come.

Hyung Jin Nim speaks at 2nd A Rally in Harrisburg

He also thanked those who showed up to defend against an ANTIFA threat in Honesdale, the county seat of Wayne County. Thankfully the protests were done peacefully. The state police reportedly turned away an ANTIFA bus coming from Philadelphia.

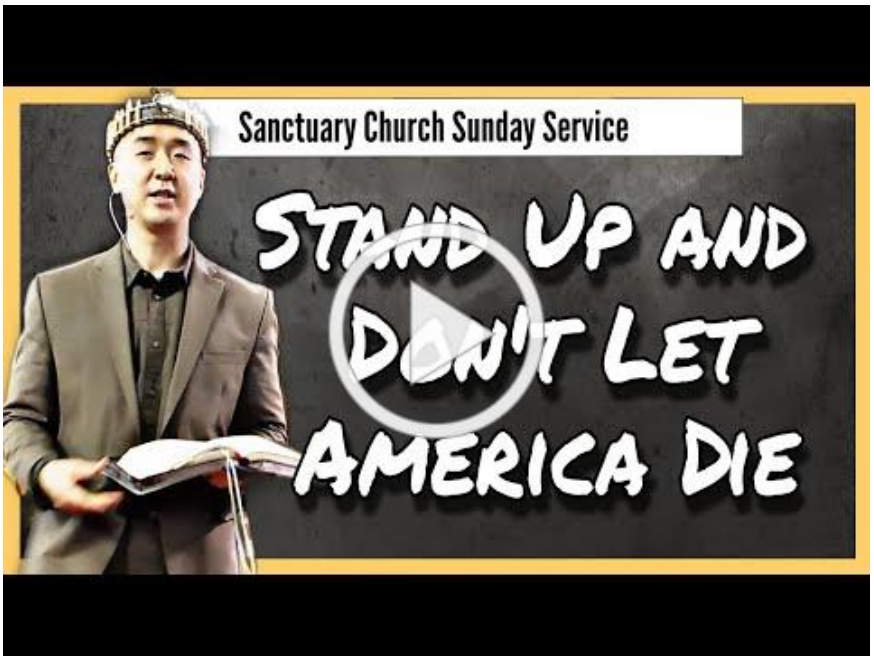

Kook Jin Nim Speaks at Harrisburg 2nd A Rally

He said that all of us are appalled by the murder of George Floyd, who deserved to have due process if he committed a crime, not death. Everyone condemns the murder of George Floyd, but burning down your neighborhood and looting many minority businesses helps no minorities, except politicians. Major corporations like Pepsico, Walmart, Uber, Google, and Apple as well as numerous fashion companies are giving hundreds of millions to leftist organizations.

Hollywood stars are giving money to bail out rioters, who, knowing there are no consequences, will go out and destroy even more. Random piles of bricks were suddenly dropped off for rioters to use. Floyd's death is being used by leftists who don't care about Blacks, but do want to exacerbate their pain to gain more political power and defeat Trump in the next election.

We can see God's judgment on the Israelites worshipping false gods in passages like

Daniel 9:12-17 (see above). In our time people are worshipping a Godless government, not the God of the Bible, and paying the price.

Sanctuary Church Sunday Service 6/7/20

The devastation of small businesses from both the Covid 19 Lockdown and the riots helps no one except large corporations and conglomerates. In prisons, gangs are based on race and tribalism. America transcended race, but this unity is being torn down. Racial division makes people more dependent on government to distribute benefits and keep order.

The Gospel of Jesus Christ unites people beyond race and tribe. True Father encouraged interracial marriage as a further step.

Democrat-run cities are run by corrupt officials who often have had alliances with criminal gangs. They ban the right to self-defense, but when things got violent, the police were instructed to stand down. Many college students have been indoctrinated by their leftist professors to hate America. They think that by public displays of white guilt they will receive forgiveness, but only through Jesus Christ can we receive forgiveness. Communism is hell, especially for those who are most vulnerable. Put fear in people even to go out in public to shop. Goal is to separate you from Christ, just to worship staying alive instead of living for a higher purpose.

The Cheon Il Guk constitution guarantees freedom, but not the absence of challenges. The Book of Revelation states that God's Kingdom will be attacked by numerous enemies.

More and more patriots understand the need to be vigilant. Citizen volunteers are standing up as a militia to defend communities around the country. In areas where there was a presence of force, ANTIFA stood down or moved on.

God has made us kings and priests. We should see ourselves that way instead of as servants of the State. God's Kingdom is one of freedom and responsibility, the same as that given to Adam and Eve. It does not change into a God who loves socialism.

We have to live bravely and say to ourselves, "I will not live in fear!" Jesus said fear not the one who can kill your body, but the one who can send you to hell.

Yeonah Nim's Comments at Sanctuary Prayer Team meeting about the Harrisburg 2nd Amendment rally

Many times we worry about threats that are not real, but it's also important to prepare for real threats with a clear mind and right attitude. Our family went to the rally knowing there could be violence and that we or our children might be injured or killed. We prepared an extra trauma kit in case that was needed.

Because they were willing to risk their lives and those of their children there was a spiritual victory and everything was peaceful.

True Father is guiding them to go through the similar course. Father's life was threatened many times so he wore a bullet-proof vest during several speeches. And kept a pistol under his pillow in case that was needed.

Yeonah Nim described how Hyung Jin Nim spoke to his children about the need to be willing to risk our lives for freedom. One wrong thought can ruin our lives. For example, if we believe "I am always a failure," versus "I can do all things through Christ." Too often we believe the lie instead of the truth. We tell ourselves negative statements over and over like a broken record. We program ourselves for good or for bad so it's good to remember Bible verses like 2 Timothy 1:17.

OBD: Father Did Not Accomplish His Responsibility

On June 1, the Only Begotten Daughter met with 30 leaders, including 5 regional Korean leaders, at the Cheong Pyeong workshop center. She told them that True Father went to spirit world without accomplishing his responsibility. He only declared the truth without being able to fulfill. Because of him, the True Children could not unite with the Han Mother. So from now on, pay no attention to any of the True Children. The Maritrea of Buddhism and returning Lord of Second Advent is a woman. She said she remained silent because she feared the 6,000 year providence might collapse.

Later several leaders were called because of worry about the impact of her words, which clearly show once more her contempt for the Lord of the Second Advent and the fact that she has created a new religion, but somnolent members of the former FFWPU shouldn't worry because "True Parents are one!"

A perpetrator has the ability to reach a child without the consent of a parent or being recognized as a threat. In addition to this, pedophile rings circulate in rich and poor neighborhoods alike, they can pose as a 'friend,' relative or neighbor. They can be living on your street, work at your local food store, school, a favorite charity organization, and many times, they just look like regular folks.

Tragically, human trafficking is big business. It generates a staggering $150 billion dollars per year in revenue, second only to drug and weapon trafficking worldwide. A trafficker can earn up to $250,000 per trafficked person, a highly profitable enterprise with low risks to the perpetrator. Approximately 25 million people around the world have been deprived of their rights and freedom due to human trafficking. For too long, traffickers have been allowed to move and exploit humans with impunity, even within their own country of residence where it is

estimated that 77% of victims come from and are exploited.

Veteran Navy SEAL "DEVGRU," Sniper, Graig "Sawman" Sawyer, founder of vets4childrescue.org explains that child sex trafficking makes more revenue annually than Netflix and YouTube, and warns society that there is a thriving epidemic of child sex trafficking happening in the United States and around the world. His documentary,Contraland, exposes the proliferation of pedophile rings across states and what can be done to end this cycle of terror in our communities.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

Again I lifted my eyes and saw, and behold, a flying scroll! And he said to me, "What do you see?" I answered, "I see a flying scroll. Its length is twenty cubits, and its width ten cubits." Then he said to me, "This is the curse that goes out over the face of the whole land. For everyone who steals shall be cleaned out according to what is on one side, and everyone who swears falsely shall be cleaned out according to what is on the other side. I will send it out, declares the Lord of hosts, and it shall enter the house of the thief, and the house of him who swears falsely by my name. And it shall remain in his house and consume it, both timber and stones."

Then the angel who talked with me came forward and said to me, "Lift your eyes and see what this is that is going out." And I said, "What is it?" He said, "This is the basket that is going out." And he said, "This is their iniquity[d] in all the land." 7 And behold, the leaden cover was lifted, and there was a woman sitting in the basket! And he said, "This is Wickedness." And he thrust her back into the basket, and thrust down the leaden weight on its opening.

Then I lifted my eyes and saw, and behold, two women coming forward! The wind was in their wings. They had wings like the wings of a stork, and they lifted up the basket between earth and heaven. Then I said to the angel who talked with me, "Where are they taking the basket?" He said to me, "To the land of Shinar, to build a house for it. And when this is prepared, they will set the basket down there on its base." Zechariah 5: 1-11

Fallen man has a nature which seeks confrontation and revenge. SMM, *Where Do We Go* 9-17-78

Good and evil are not as different in content as they are in direction. The direction of love separates heaven from hell. SMM, *For the Future* 9-10-78

Greetings!
Hyung Jin Nim started the service by explaining that Zechariah 5: 1-11 predicted the establishment of the Babylon empire starting in Shinar. The grain basket carried by the two women denotes the material wealth that was to characterize the city which grew into a vast empire.

The first settlers tried a socialist system in the Plymouth colony but they experienced starvation and death in the first year when everything was shared. The next year they distributed land for individual ownership and there was an excess of food. This is described in the memoirs of the Plymouth governor William Bradford.

Socialism is coerced "sharing," looting by government for allegedly good purposes, The killing of a black man by two white policemen in Atlanta on Friday led to angry demonstrators burning down the Wendy's restaurant, whose owner and workers had done nothing wrong. Such violence has nothing to do with correcting injustice. Instead it punishes small business owners for investing in their communities and of course the workers who have lost their jobs.

The police chiefs of major American cities, which are all run by Democrat mayors, are anti-2nd Amendment. The Founding Fathers supported elected sheriffs, not the

centralized state-run police departments which are more like the European system where it is hard to fire "bad cops."

The local sheriff in Pike County is approachable. He released a statement that no one would be arrested for demonstrating against the Lockdown.

Sanctuary Church Sunday Service 6/14/20

Government incentives for single parent families hurt minority communities. Socialists know that you need to get the woman in the "basket of grain" (referred to in Zechariah 5 above). You can get the women to support increasing government benefits. They are kept as a key voting bloc for the Democrat party by telling them, "Your men have been oppressing you. The institution of marriage is oppressive. We will free you from the shackles of the patriarchy" (but you will be dependent on us).

Forty percent of children in the U.S. are born out-of-wedlock. Among Hispanics it is more than half. Among black women it is 70%.

THE XX FACTOR

No Kids for Me, Thanks: I Don't Enjoy Alien-Parasites

By DOUBLE X STAFF
JUNE 12, 2012 • 11:04 AM

Readers explain why they choose to be child-free

A number of leftist women when explaining why they don't want to have children actually describe babies as "parasites." That is the way that Satan sees new children, not God. Children who are shuffled between different families experience trauma affecting their own lives.

Leftists use the label of "feminism" and pretend to support women, but if a woman values her role in giving life and taking care of a family, they hate her.

Conservative women have been beaten by leftists with bike locks in Berkeley, CA, but these same leftists and feminists have nothing to say about young girls sold off into marriage in Islamic countries or about Muslim worshippers on the road to Mecca who stop off at brothels where you can get a temporary Islamic "marriage" and then divorced after the sex.

Jesus celebrated marriage and railed against divorce. The sad reality is that a main purpose of government schools is to make children opposed to their parents' values. A society based on

Biblical teachings must protect freedom, since without freedom there is no possibility to love.

Jews were blessed financially in many nations, for working hard and having strong, growing families. Consequently they were accused by demagogues, who now in our time are now trying to divide the races in America into warring tribes.

In Christ we are one beyond our differences. We are each to be evaluated by the content of our character, not by our skin color. We need to return government to its proper place. Lucifer was to be the servant, not the master. People who love God and love their neighbor need to stand up at this time. ANTIFA wants to attack white people in rural areas so that no one feels safe.

Modern Feminism's Hated Enemy: Womanhood

Today's feminists can't abide that which makes women inherently different from men.

The body of Christ needs to be prepared and prayerful during this time of tribulation, but not live with a spirit of fear, but rather with sound minds. We need to seek the Great Shepherd, and the heart to protect others.

Yeonah Nim's Comments at Sanctuary Prayer Team meeting about the Harrisburg 2nd Amendment rally

Many times we worry about threats that are not real, but it's also important to prepare for real threats with a clear mind and right attitude. Our family went to the rally knowing there could be violence and that we or our children might be injured or killed. We prepared an extra trauma kit in case that was needed.

Because they were willing to risk their lives and those of their children there was a spiritual victory and everything was peaceful.

True Father is guiding them to go through the similar course. Father's life was threatened many times so he wore a bullet-proof vest during several speeches. And kept a pistol under his pillow in case that was needed.

Yeonah Nim described how Hyung Jin Nim spoke to his children about the need to be willing to risk our lives for freedom. One wrong thought can ruin our lives. For example, if we believe "I am always a failure," versus "I can do all things through Christ." Too often we believe the lie instead of the truth. We tell ourselves negative statements over and over like a broken record. We program ourselves for good or for bad so it's good to remember Bible verses like 2 Timothy 1:17.

Human Trafficking and Modern Slavery

by Marie Koh

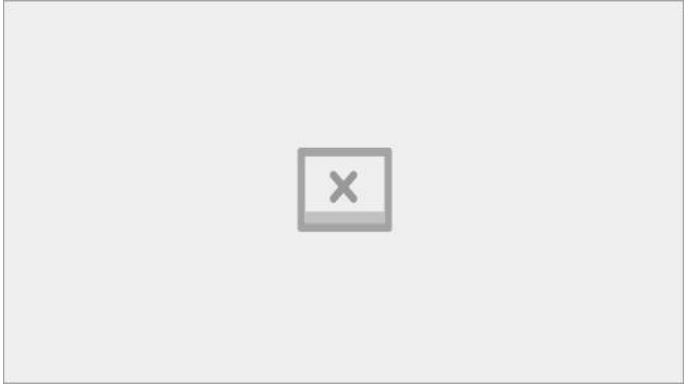

In this incredible age of the internet where the purchase of goods online is but a click away from a lap-top, a virtual world of the indulgences of the flesh emerges; it is one of a much darker kind - the cybercrime of child sex trafficking.

This heinous criminal activity of 'selling and buying' of online sex trafficking has found its way into the home of almost anyone who possesses a computer device. This underworld of internet perpetrators operates in broad daylight every day under the guise of dating agencies, video game chat rooms, forums, and websites of all kinds. A perpetrator has the ability to reach a child without the consent of a parent or being recognized as a threat. In addition to this, pedophile rings circulate in rich and poor neighborhoods alike, they can pose as a 'friend,' relative or neighbor. The word of the Lord that came to Micah of Moresheth in the days of Jotham, Ahaz, and Hezekiah, kings of Judah, which he saw concerning Samaria and Jerusalem. Hear, you peoples, all of you; pay attention, O earth, and all that is in it, and let the Lord God be a witness against you, the Lord from his holy temple. For behold, the Lord is coming out of his place, and will come down and tread upon the high places of the earth. And the mountains will melt under him, and the valleys will split open, like wax before the fire, like waters poured down a steep place. All this is for the transgression of Jacob and for the sins of the house of Israel. What is the transgression of Jacob? Is it not Samaria? And what is the high place of Judah? Is it not Jerusalem? Therefore I will make Samaria a heap in the open country, a place for planting vineyards, and I will pour down her stones into the valley and uncover her foundations. All her carved images shall be beaten to pieces, all her wages shall be burned with fire, and all her idols I will lay waste, for from the fee of a prostitute she gathered them, and to the fee of a prostitute they shall return. Micah 1:1-7

The spirit world is in your hands; your relatives are in your hands - not only your relatives, but even your country is in your hands; even the task of setting the right tradition for your descendants is in your hands. You should always keep this in mind. Whether you, as a single person, accomplish or not, you will determine whether your ancestors and relatives will be liberated, and whether your descendants can be the chosen people of liberation. (66-76, 1973.3.17) You should always be thinking that you are representing three ages. For this reason, you have to realize that the spirit world is in your hands and that your ancestors are at your mercy. If we gather the past, present and future together, and put physical and spiritual realms together, and lead them, they will come running to you. We should accomplish that mission. (66-76, 1973.3.17)

Greetings!
In his Sunday Service message, Hyung Jin Nim discussed how only 2 tribes in Israel kept God's covenant. The other 10 embraced paganism. Similarly only 2 out of 12 of the children of True Parents remained faithful.

In America many have been taught to have contempt for America and even to demand socialism. The socalled Capitol Hill Autonomous Zone occupies 6 blocks in Seattle, a poor imitation of God's Kingdom, which is autonomous from suc satanic kingdoms.
ANTIFA, which claims to be anti-fascist, acts as a terrorist organization. America is in an existential struggle now. If America dies, then the world will be under the grip of political Satanism.

Sanctuarians in Japan demonstrating for a Free Asia

Sanctuary brothers and sisters in Japan demonstrate every week in favor of the alliance of free nations in danger of losing their freedoms. What we as human beings do matters. The future is not fixed. The goal of ANTIFA and Black Lives Matter is to start a race war in America.

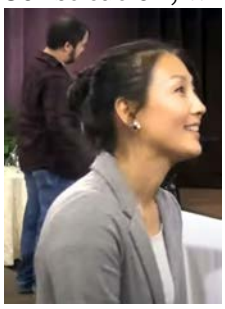

As it says in 2 Timothy 1:7, God has not given us a spirit of fear, but of power, love and a sound mind. It is not an accident that "demonstrators" are pulling down statues, not just of confederate leaders, but of President Ulysses S. Grant and of a Christian missionary.

Unification Sanctuary Sunday Service 6/21/20

Many, especially those living in the urban areas, live under constant fear. There are areas where the police dare not enter. We have gotten away from the founding fathers' vision of decentralized government which included elected sheriffs. Government "archangels" are to be the servants, not our masters.

The passage in Romans 13 in which Paul urges believers to be subject to the governing authorities was cited by churches in Nazi Germany to justify going along with oppression. Let every soul be subject to the higher powers, which in the U.S. is the Constitution, which protects God-given rights.

We need to stand up against evil, even if many of us lose our lives. The founding Christians were willingly martyred. For decades Leftists have launched unrelenting attacks on the willing shepherds, who are strong, righteous men, who are labeled "patriarchal oppressors." But if they fall, women and children will fall prey to rampaging men who have no conscience.

Over its long history Korea has been invaded every 5 years on average. This is what Leftists want to bring to America. It's important for us to show up to defend our communities and nation. The body of Christ must not fear death.

Wives have an essential role to play. If Eve becomes the weak link and has fear, then the household will have fear. If she is strong, Satan cannot invade.

Our local Congressman Cartwright said at open house in Milford last year "your rights don't come from God, they come from a piece of paper." How arrogant and ignorant he is, but this view is widespread in our increasingly secular nation!

The Pre-rapture theology that teaches real Christians will be raptured before the tribulation accompanying Christ's return has led to many Christians doing nothing politically while Leftist movements work hard to bring socialism to USA, even with force.

Carrying a firearm is a serious spiritual question. We are in Christ's family, and as such should not be separated into the white, black, or yellow race. He honored the Sanctuary Prolife team led by Ted O'Grady, which persuaded a black woman not to abort her twins.

As True Father taught, Communism is Satanism cloaked in political terms. Knowing

who you are and having the sovereignty of God are essential for each of us. Be confident on this day of judgment.

58th Day of True All Things Observed, But NOT in One Place...

Early on Sunday morning a beautiful Day of True All Things Holy Day ceremony was held at the Newfoundland Sanctuary Church.

58th Day of True All Things
HSA-UWC 66th Anniversary 6/21/20

Unificationists all over the world joined in such observances, except for one place, Hak Ja Han's palace in Cheongpyeong where there was no Holy Day celebration. True Father taught that such deeply meaningful observances would be held for thousands of years into the future. One more piece of evidence that the Han Mother has no concern to observe the traditions Father created, *but OBD followers shouldn't worry because "True Parents are One!"*

2nd King's Declares Liberation of Ancestors, Victims of Tyranny

In the beginning of human history with the Garden of Eden, God's original world of freedom, liberty, conscience, and relationship with God was to be established. It was to be a world where the powerful archangels were to be the servants of the children of God. However, due to the Fall, Eve committed adultery with the Archangel and tempted Adam into sinning against God. Thus, the world of Satan's domination over mankind was established and history has shown centralized archangelic powers, either governmental, religious or financial use artificial methods to rule over mankind sometimes taking freedoms gradually and sometimes eliminating them by brute force. God's Kingdom of Heaven on Earth must be established where the artificial structures of power, representing Satan, shall never again rule over mankind and humanity. In order to establish this, the Tribal Messiahs and the help of all ancestors in the spirit world must come together as one.

After the Fall of Adam and Eve the history of restoration began and God yearned for a day where in which His children could return back to His bosom. He had to

witness the trails and tribulations of His chosen people wax and wane in faith and righteousness.

After the providential foundation for the messiah had been fulfilled, God sent Jesus to save humanity and become the King of Kings and Lord of Lords. But due to the faithlessness of the people, Jesus was crucified and thus the kingdom could only be substantiated spiritually. Jesus intended for God's Kingdom to come physically as he commanded in Matthew 6, "pray everyday...Thy Kingdom come, Thy will be done on earth as it is in Heaven..."

Jesus' spiritual children were the inheritors of the gospel and thus his kingdom would only be spiritual. If Jesus' physical children inherited the gospel an actual line of Kings would continue from Christ the living representative of God. But since this kingship was not substantiated the Church of Christianity would have to continue the spiritual kingdom building process and preach the gospel to the world.

However, the hope of the Church was the promise that Christ would return and establish the Kingdom of Heaven on Earth. In the end times while the Messiah was here on Earth, believers believed that the prophesy in scripture would come to pass. The Book of Revelation would come to pass and the signs and wonders would play out for the discerning believer to be able to take notice.

In 1920 our True Father, the Lord at the Second Advent came to the earth as the Returning Jesus to fulfill the prophetic roles of King, Judge and Bridegroom. He established the Kingship of God despite multiple attempts by contemptuous wives to destroy the bloodline of God. He judged Communism and Socialism as the real and substantial danger to humanity as a Godless, wicked and evil system being sustained and led by Satan. Finally, as the Bridegroom he established the Blessing of marriage where husband and wife would be engrafted into the lineage of God.

During his time on earth the world saw the greatest tribulations in human history: world wars, nuclear exterminations, genocides and death, the likes of which had never been experienced by the human race. These evils were perpetrated by the symbolic 4 Horsemen of the End times, that the book of Chapter 6 in the Book of Revelation describes:

Hak Ja Han Didn't "Step Up," She Stepped OUT... of Father's Will

by Rosemary Yokoi

To my dear sister,
Thank you for reminding me about Dan Fefferman's song, "She Stepped Up!" I don't want to alienate you and at the same time I would like you to consider that when Mother "stepped up" she stepped out... of Father's Will.

When she supported True Father, she was obedient to God. Near the end of Father's physical life, she began to go her own way.

She denied True Father's desire for their son, Hyung Jin, to "step up" into his role as the second king (see pledge #3) in the three great kingships.

By "stepping up" she took the Blessing centered on God from millions of people around the world, including you. She then gave a "blessing" centered on herself and her Han lineage.

Essentially, she stole the people that had been restored to God's lineage. Through the wine centered on herself, she brought them under the lineage of Satan again.

She has changed Father's words that he said should never be changed. The National Anthem that represented the deep heart of gratitude and hope, written when Father

was in prison, was changed to a communist-style song.

Most recently, she has erased the holy days that represented the struggle to indemnify history.

When I saw what she did, it was devastating to me. The heart of God has been so broken once again that I am overwhelmed to even think about it.

She has done everything to erase True Father and raise up herself. She failed to see True Father from God's viewpoint.

She left her proper position as wife of the Messiah.

She reversed dominion by claiming authority that was not hers. Then she multiplied that evil to the millions of trusting members.

Faithful members who follow her must know that history will judge us all. I am praying for her to repent for her sin.

A worldwide judgment is now taking place. Please investigate.

This is no longer the movement that I joined or you joined. It has been hijacked by Satan.

She did not "step up," she stepped out of Heaven's will.

I love you.

It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

In the first year of Cyrus king of Persia, that the word of the Lord by the mouth of Jeremiah might be fulfilled, the Lord stirred up the spirit of Cyrus king of Persia, so that he made a proclamation throughout all his kingdom and also put it in writing:

"Thus says Cyrus king of Persia: The Lord, the God of heaven, has given me all the kingdoms of the earth, and he has charged me to build him a house at Jerusalem, which is in Judah. Whoever is among you of all his people, may his God be with him, and let him go up to Jerusalem, which is in Judah, and rebuild the house of the Lord, the God of Israel- he is the God who is in Jerusalem. 4 And let each survivor, in whatever place he sojourns, be assisted by the men of his place with silver and gold, with goods and with beasts, besides freewill offerings for the house of God that is in Jerusalem." Then rose up the heads of the fathers' houses of Judah and Benjamin, and the priests and the Levites, everyone whose spirit God had stirred to go up to rebuild the house of the Lord that is in Jerusalem. Ezra 1:1-5

God is now happy over the fact that we are here, ready to do His will. He is not grievous anymore. But in a way, He is still sad- and He is so impatient to have you fight and win over Satan. There are many, many elements and obstacles you have yet to win over, so He is impatient and so sad about that fact. We must tell Father in Heaven when we pray that we are here, saying: "We are all ready to go out and fight for Your sake and for the sake of the whole world. Don't worry about us. We will win at all costs and return the glory to You."

Only in that way will we liberate Him from grief... so that He can realize His long-cherished hope of unity between God and man and unity between every true element. God sets hope in us and we have our own hopes, like a flickering fire burning in us, but we have to multiply that fire and multiply that love power and destroy the whole world of Satan to return it to God. We have now only a flickering candlelight, but we want to shed light into the whole world. The light will be multiplied and the whole world will be illuminated in the heat of God's love. We are the soldiers for that cause and we want to be ready to liberate God from grief. SMM, God's Grief, 1/27/73

Greetings!
Hyung Jin Nim started the Sunday service by discussing the traumatizing effects of fallen cultures on families going back thousands of years. As discussed in the Our Father Forsaken book, the Babylonian culture compelled families to offer their daughters at age 12 or 13 to become temple prostitutes. Can you imagine the state forcing your daughter to have sex with strangers?

The God of the Bible forbade these practices which defile and destroy families. Biblical teachings seek to bring people back to God's original ideal and the joy of husband - wife marriage (see video of the joyful Blessing ceremony of Sam Quinn and Anna O'brien below) This builds the Godly Kingdom and strong families that have the tradition of good, patient, invested parenting where parents are their children's main coach and teacher. American popular culture portrays marriages as boring and repressive because it is Satan's tool to undermine this gift from God.

Sanctuary Church Sunday Service 6/28/20

In the Chinese cultural revolution there was tearing down of statues, which were seen as evil relics honoring anti-revolutionary leaders from the past. The goal of BLM and Antifa activists who tear down statues here in America is to make us feel that we should be ashamed of our own country and its founding.

Slavery, a terrible sin, was ended 84 years after the founding of the USA. The Christian nations in Europe ended the slave trade and slave ownership in the first half of the 19th century. They were the first nations to do so.

Pressure from Christian European nations led to the abolition of slavery in the Islamic World in the 20th century, but it still persists in territories controlled by Islamic rebel groups and in countries like Libya and Mauritania despite being outlawed.

Brazil imported 10 times more slaves than did the United States. If slavery is truly the source of America's wealth, as is alleged by those advocating reparations, how come Brazil is not 10 times more prosperous than the USA?

It's interesting to contemplate why the Lenin statue in Seattle has not been torn down. The revolution he engineered led to the murder of tens of millions in Soviet Union.

Shelby Steele - White Guilt and the Identity of Innocence

Decapitation of statues of our founding fathers sends the message that our nation's identity is fundamentally corrupt and therefore being erased. Author/Educator Shelby Steele has explained how white guilt leads to an unnecessary acceptance of so-called "black power." Despite the existence of individual racists, America overall is the least racist country in the world and that is due to its Christian foundation. If America were truly tainted by "systemic racism," why did 2 million sub-Saharan Africans move to the U.S. in recent decades?

As was shown by signs in restaurants in Communist China saying that "black people are not allowed to enter [this] restaurant," racism is alive and well in many other countries around the world.

Maj Toure, the founder of Black Guns Matter, is empowering Black people with self-defense skills. He has been interviewed many times on the King's Report.

Blessing of Sam Quinn and Anna O'Brien 6/28/20

Reforms including replacing politically appointed police chiefs with locally elected sheriffs are needed. Big City police departments are anti- 2nd Amendment. Leftist mayors order their police not to stop the tearing down of statues. Such decisions tell radical groups that violence is effective and can be escalated with no consequences. Criminal acts such as randoms attacks on white people in their cars or homeless people sleeping on the streets are largely ignored. This lawlessness and chaos creates a culture of fear, but CNN and much of the mainstream media call them "peaceful protesters."

BLM activists invade a DC restaurant and demand that the white customers raise their fists if they agree with the goals of Black Lives Matter. If we look back in history, every race has done shameful things. We ALL need to repent. Every race has a record of slavery.

A highly organized and funded leftist attack on America has now revealed its ugly head above ground. In Marxism you worship the power of the state. Such worship of the state brings not freedom, but a living hell on earth. What will you do when the police department is led by Black Lives Matter or Antifa ideologues? Once they take over the city, then they move out to the suburbs, initiating a "reparation" tax. Then gun confiscation with force if necessary.

The breakdown of governmental authority organized by racial activists leads to tribalism. Where is the one who can end hatred and violence? Where is the one who can erase sin? The answer is Christ.

It is essential for Christians to become Rod of Iron patriots capable of protecting their communities and families. In times of crisis, you have unexpected alliances even with motorcycle gangs such as Bikers for Trump, etc.

True Father called the Korean War a holy war, so those veterans were engaged in sacred activity. The CIG Constitution enshrines freedom. American armed forces liberated the returning Jesus from a death camp. Now we must step up and be ready to defend our faith, families and freedoms at the risk of our lives.

58th Day of True All Things Observed, But NOT in One Place...

Early on Sunday morning a beautiful Day of True All Things Holy Day ceremony was held at the Newfoundland Sanctuary Church.

58th Day of True All Things
HSA-UWC 66th Anniversary 6/21/20

Unificationists all over the world joined in such observances, except for one place, Hak Ja Han's palace in Cheongpyeong where there was no Holy Day celebration. True Father taught that such deeply meaningful observances would be held for thousands of years into the future. One more piece of evidence that the Han Mother has no concern to observe the traditions Father created, *but OBD followers shouldn't worry because "True Parents are One!"*

2nd King's Declares Liberation of Ancestors, Victims of Tyranny

In the beginning of human history with the Garden of Eden, God's original world of freedom, liberty, conscience, and relationship with God was to be established. It was to be a world where the powerful archangels were to be the servants of the children of God. However, due to the Fall, Eve committed adultery with the Archangel and

tempted Adam into sinning against God. Thus, the world of Satan's domination over mankind was established and history has shown centralized archangelic powers, either governmental, religious or financial use artificial methods to rule over mankind sometimes taking freedoms gradually and sometimes eliminating them by brute force. God's Kingdom of Heaven on Earth must be established where the artificial structures of power, representing Satan, shall never again rule over mankind and humanity. In order to establish this, the Tribal Messiahs and the help of all ancestors in the spirit world must come together as one.

After the Fall of Adam and Eve the history of restoration began and God yearned for a day where in which His children could return back to His bosom. He had to witness the trails and tribulations of His chosen people wax and wane in faith and righteousness.

After the providential foundation for the messiah had been fulfilled, God sent Jesus to save humanity and become the King of Kings and Lord of Lords. But due to the faithlessness of the people, Jesus was crucified and thus the kingdom could only be substantiated spiritually. Jesus intended for God's Kingdom to come physically as he commanded in Matthew 6, "pray everyday...Thy Kingdom come, Thy will be done on earth as it is in Heaven..."

Jesus' spiritual children were the inheritors of the gospel and thus his kingdom would only be spiritual. If Jesus' physical children inherited the gospel an actual line of Kings would continue from Christ the living representative of God. But since this kingship was not substantiated the Church of Christianity would have to continue the spiritual kingdom building process and preach the gospel to the world.

However, the hope of the Church was the promise that Christ would return and establish the Kingdom of Heaven on Earth. In the end times while the Messiah was here on Earth, believers believed that the prophesy in scripture would come to pass. The Book of Revelation would come to pass and the signs and wonders would play out for the discerning believer to be able to take notice.

In 1920 our True Father, the Lord at the Second Advent came to the earth as the Returning Jesus to fulfill the prophetic roles of King, Judge and Bridegroom. He established the Kingship of God despite multiple attempts by contemptuous wives to destroy the bloodline of God. He judged Communism and Socialism as the real and substantial danger to humanity as a Godless, wicked and evil system being sustained and led by Satan. Finally, as the Bridegroom he established the Blessing of marriage where husband and wife would be engrafted into the lineage of God.

During his time on earth the world saw the greatest tribulations in human history: world wars, nuclear exterminations, genocides and death, the likes of which had never been experienced by the human race. These evils were perpetrated by the symbolic 4 Horsemen of the End times, that the book of Chapter 6 in the Book of Revelation describes:

Hak Ja Han Didn't "Step Up,"
She Stepped OUT... of Father's Will

by Rosemary Yokoi

To my dear sister,
Thank you for reminding me about Dan Fefferman's song, "She Stepped Up!" I don't want to alienate you and at the same time I would like you to consider that when Mother "stepped up" she stepped out... of Father's Will.

When she supported True Father, she was obedient to God. Near the end of Father's

physical life, she began to go her own way.

She denied True Father's desire for their son, Hyung Jin, to "step up" into his role as the second king (see pledge #3) in the three great kingships.

By "stepping up" she took the Blessing centered on God from millions of people around the world, including you. She then gave a "blessing" centered on herself and her Han lineage.

Essentially, she stole the people that had been restored to God's lineage. Through the wine centered on herself, she brought them under the lineage of Satan again.

She has changed Father's words that he said should never be changed. The National Anthem that represented the deep heart of gratitude and hope, written when Father was in prison, was changed to a communist-style song.

Most recently, she has erased the holy days that represented the struggle to indemnify history.

When I saw what she did, it was devastating to me. The heart of God has been so broken once again that I am overwhelmed to even think about it.

She has done everything to erase True Father and raise up herself. She failed to see True Father from God's viewpoint.

She left her proper position as wife of the Messiah.

She reversed dominion by claiming authority that was not hers. Then she multiplied that evil to the millions of trusting members.

Faithful members who follow her must know that history will judge us all. I am praying for her to repent for her sin.

A worldwide judgment is now taking place. Please investigate.

This is no longer the movement that I joined or you joined. It has been hijacked by Satan.

She did not "step up," she stepped out of Heaven's will.

I love you.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

Right III

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

He put another parable before them, saying, "The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field. It is the smallest of all seeds, but when it has grown it is larger than all the garden plants and becomes a tree, so that the birds of the air come and make nests in its branches." Matthew 13:31 - 32

For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ, being ready to punish every disobedience, when your obedience is complete. 2 Corinthians 10:3-6

If we do not have our own nation, then, however happy our family may feel, at any moment a group of brigands can appear in front of us and cut off our heads. Thus, we must establish our nation. Religious people do not understand this; they have no clear idea of it. We must establish a nation of goodness. This is the purpose of religion. CSG 1541

Greetings!
Hyung Jin Nim started the service by showing photos from the July 4 Bullets & BBQ event at the shooting range at the Tommy Gun Warehouse in Greeley, PA.

Some atheists are actively worshippers of Satan. Some just wear goth clothing with satanic symbols. We see the tearing down of icons of American history. To be an atheist means a rejection of Judeo-Christianity, but they often accept Wiccan and other beliefs about "energy chakras," "new Age yoga," etc. mainly because they are also leftists.

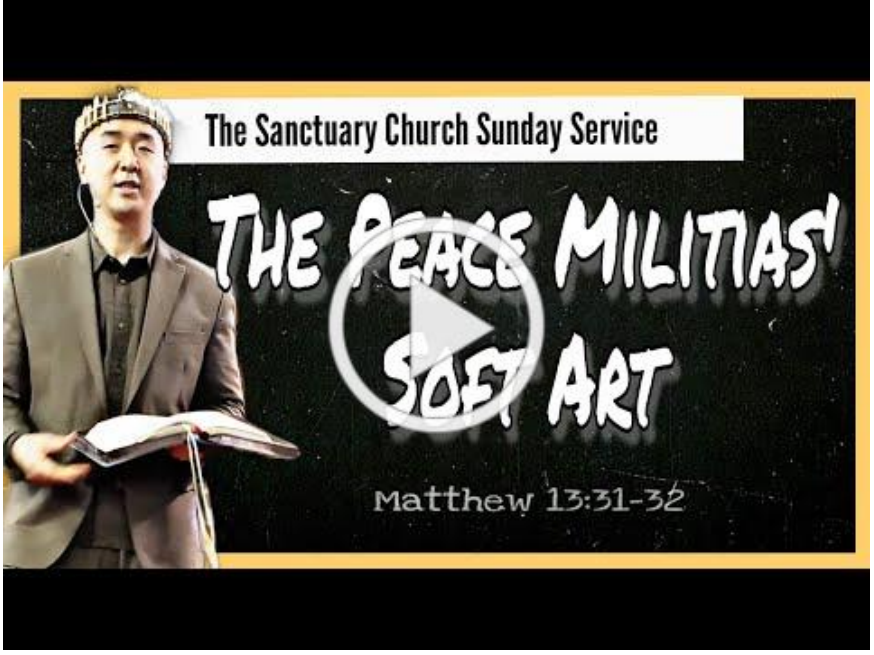

Hyung Jin Nim & Patriots at July 4 Celebration

Communism is a real modern form of Satanism, bringing a hell with murder of "oppressor" groups, control of speech and imprisonment of "disbelievers."

Jesse Lee Peterson talks about the leaders of *Black Lives Matter* as those who hate their fathers. In the Cheon Il Guk training, our spousal "training" is just as important as martial arts. Spend time together one day a week. Strong marriages are critical for the Kingdom and for the children.

It's easy to forget why you're grateful and to fail to count your blessings. Satan can invade where there is growing spousal alienation.

Sanctuary Church Sunday Service 7/5/20

He spoke about appreciation of nature, knowing different species of trees, gradations of light and color. Going beyond a surface level allows you to appreciate the richness of life. It's also possible to go beyond annoyances by changing the context. If you just react emotionally you will regret it later.

Then he gave the example of a Korean grandma who hears her grandbaby loudly crying for a very long time and says "he's exercising his vocal cords to become a great singer." It's a mental martial art. Young people need to be taught how to master their minds. The Bible teaches to bring all thoughts under captivity to Christ.

Men are prone to think about violence all the time, but most of them restrain themselves even if provoked. It's important to the community that they are prepared for warfare.

Kook Jin Nim w/ Veterans at July 4 Celebration

Pick up on small things with your wife. It shows your mindset is perceptive. It's frustrating to her if you don't notice things, changes in her mood, hairstyle, etc. Female eyes have 25 times more eye movement than males. A wife needs "face time" with her spouse. Then she won't become jealous if her husband talks with other women.

As True Father said, it's good to have a large family. That provides a layer of training of how to understand and get along with older and younger boys and girls. It's a way to learn the 4 realms of heart.

Leftist culture's goal is not to raise up people of conscience and strong families. Their goal is to gain power, so increasing resentment is a useful tool.

The Bible is clear that fornicators will not inherit the Kingdom of Heaven. But many Christian parents encourage early dating which leads to that.

It's critical to water a plant correctly. If too little water, they die. If too much water, they die. Caterpillars were eating all the leaves of the rose bushes they planted. So they made a mixture of vinegar, garlic and soapy water to put around the bushes, but it only worked for 2 days.

If a child asked his mommie "who do you love more, me or Daddy?" If she responds, "of course I love Daddy more!" the child may cry the first time, but then feel more stable that his parents will always be together and therefore able to provide and protect him. If the mommie reacts emotionally and desires to please the child by saying, "I love you more." Then she's undermined Dad's authority. Such women become slaves to pleasing their children.

Royal couple w Harley Davidson motorcycle

True Father spoke about having "farmers eyes." A farmer must see the future seasons that will come and prepare for that. Husbands must be the head coach. Wives are the assistant coach. It's important for her to feel she is growing through your coaching.

If you do not train young men, your community will have havoc, because males have a tendency to violence. Instead of harnessing violence for good, they will harness it for their own power and pleasure. The resulting fatherless children, especially boys will grow up in such a vacuum and be more likely to commit crimes, go to prison, etc. Fatherless girls will be more likely to become single teen mothers. Good men seek to please and worship God first, not only their wives.

July 4, 2020 Speech by Pastor HJ Sean Moon

Distinguished guests, patriots, lovers of God and country, guns and freedom, it is our great honor to welcome you to the 4th of July Independence day Celebration of America from the Tyranny of Britain and Europe. On this day in 1776 our founding framers signed the Declaration of Independence, which declared that the thirteen American colonies were no longer subordinate to the orders of king George III of Britain. They stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from Britain's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that American must be destroyed and Marxism erected in its place.

Contrary to what the leftist communists say about the Founding Fathers, history shows a different picture. They were NOT deists who believed in the possibility of God, they were Christian intellectuals with some varying opinions of doctrinal matters, but they were NOT agnostic or atheist. Benjamin Franklin wrote that he was a deist but then realized the stupidity of such a position. Montesquieu, Blackstone and Locke were the 3 most widely quoted philosophers by the Founding fathers and they were ALL Christian philosophers, not secular materialists!!!

So why were our Founding Fathers willing to listen to the conscience within that yearned and cried out for liberty and independence from George III? Why were they willing to die for such a cause? The answer lies in God's Word.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. This is the message we have heard from him and proclaim to you, that God is light, and in him is no darkness at all. If we say we have fellowship with him while we walk in darkness, we lie and do not practice the truth. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin. If we say we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. If we say we have not sinned, we make him a liar, and his word is not in us. 1 John 1:5-10

Unification Church members do not have their own nation. The democratic world we see today is the fruit of God's six-thousand-year long endeavors. Had you been born in Israel at the time of Jesus, you would have been killed in no time at all. A man like me would have been done away with, without leaving even the smallest trace of my existence. We must understand clearly that in this world today, there iniquitous representatives of Satan in every nation, and communism, which is the embodiment of evil on the global level, is making preparations for the final desperate battle to blot out religion. Do we have a nation that we can claim as our own? Since we do not, aren't we like outcasts from the world, and haven't we been treated accordingly? Never forget that you have more to feel mortified about than anyone else. CSG 1541

Greetings!
In Sunday's service, Hyung Jin Nim discussed how governments tend to promote the idea that they are the masters, but their policies undermine families. The ultimate goal is to break down the authority of the responsible Alpha male, who should be in the position of the Christ-like shepherd.

The Black Lives Matter foundation was founded by lesbian women who grew up fatherless and proclaimed they are "trained Marxists." Marx created a new religion that involves worship of the "Church of the State." CNN and NPR are like their evangelical team. Hollywood is their praise and worship team, promoting self-worship and sexual license.

Ted O_Grady & Regis Hanna
Street-Preaching in Scranton

Satan appealed to Eve's emotions. He was majestic and impressive. He said, "you won't die. You will become as gods." He promised her power.

Predators drive up in often stolen cars to impress girls, who don't pay attention to hard-working men, who actually build the buildings and install the electricity and plumbing and are willing to do tough jobs to support those they love.

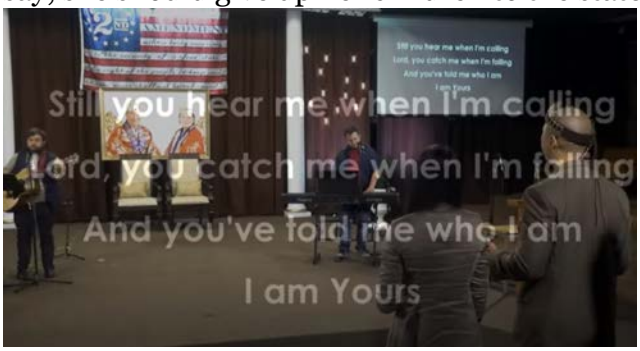

Government promises safety to women, to take care of them, but these women often end up unhappy and bitter. Righteous men seek to be like their fathers or a "father figure." The most dangerous situation for children is for a single mother who has boyfriends visiting the home. When men want to just watch porno and run away from their paternal responsibility, Satan wins.

Sanctuary Service 7/12/2020

Men and women both have sin, but the "Goddess" culture, which is really a *fallen Eve* culture, says women can do no wrong. Honest women know inside they are full of anxiety and problems. In the matriarchal system you are not allowed to criticize the actions of a woman. You cannot criticize Eve, who did run away with the Archangel and tempted Adam, and often continues to do so today.

But feminists CAN attack any conservative woman who respects her husband and wants to take care of her children. They say she is "not really a woman." Instead, they say, she should give up her children to the state to educate/indoctrinate.

We of course are not against a Godly woman serving as President or in other leadership positions. Pop culture makes fun of marriage as boring, but the reality is married people have more and better sex. A true father figure warns his daughter about the wolves.

"Free sex" advocated by leftists is nothing new. It's a revival of ancient pre-Christian philosophies. For instance, Babylonian families had to offer their 12-13 year-old daughters to the Temple of Ishtar.

The Jewish "Sexual Revolution" said to reserve sex for marriage and to protect your children. Two parent homes are the safest, leading to the family becoming a heavenly "swat team" against satanic systems and a nightmare for the globalists. Jews and Christians were first to stop infanticide and abortion. The Bible says "do not pass your children through the fires of Baal."

God calls us to be Kings and Priests. God did not value Adam and Eve for their "power." He valued them because they were in His lineage, as His children. That is why the Old Testament valued lineage. Satan values power, not true love.

Make America Great Again means to have pride in American ideals. The USA abolished slavery within 86 years after its founding. America is not based on racial identity, it's based on ideals of liberty.

America's Founding Fathers quoted Montesquieu, Blackstone and Locke the most. These were all Christian thinkers. Rights come from natural law which originates in God who has given us freedom, with responsibility. We should practice the shepherd's *poimano* reign of protectors. "I will be responsible. I will protect my family

and neighbors, even if I don't agree with them."

Communism seeks to destroy families. That is one reason why True Father did the mass marriage movement, to emphasize the importance of God-centered marriages in the face of the anti-Christ called Communism.

July 4, 2020 Speech by Pastor HJ Sean Moon

Distinguished guests, patriots, lovers of God and country, guns and freedom, it is our great honor to welcome you to the 4th of July Independence day Celebration of America from the Tyranny of Britain and Europe. On this day in 1776 our founding framers signed the Declaration of Independence, which declared that the thirteen American colonies were no longer subordinate to the orders of king George III of Britain. They stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from Britain's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that American must be destroyed and Marxism erected in its place.

Contrary to what the leftist communists say about the Founding Fathers, history shows a different picture. They were NOT deists who believed in the possibility of God, they were Christian intellectuals with some varying opinions of doctrinal matters, but they were NOT agnostic or atheist. Benjamin Franklin wrote that he was a deist but then realized the stupidity of such a position. Montesquieu, Blackstone and Locke were the 3 most widely quoted philosophers by the Founding fathers and they were ALL Christian philosophers, not secular materialists!!!

So why were our Founding Fathers willing to listen to the conscience within that yearned and cried out for liberty and independence from George III? Why were they willing to die for such a cause? The answer lies in God's Word.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a

"heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

Christ at his Second Advent is coming to save humanity. Once the heavenly standard has been established. God is ready to strike. He takes the offensive. That does not mean He kills His foes by executing them in the style of Stalin; instead, He makes them surrender at once. He must make Satan submit to Him, firstly through His ideology, secondly through His citizenry, thirdly through His sovereignty, and fourthly through His territory. Everyone desires to have ideals, friends, power, and money, and these four items have been listed above.

Greetings!
Hyung Jin Nim requested that the first day of the 3 day Divine Principle education workshop starting on Sunday be devoted to the study of the Victory over Communism/CAUSA education that True Father initiated, first through the International Federation for the Victory Over Communism (IFVOC) in the 1960s and then through organizations like CAUSA International founded in 1980.

CAUSA Lecture Section 1 Introduction by Jim Stephens

With the Fall of the Berlin Wall in 1989 and the collapse of the Soviet Union in 1991, many of us in the Free World assumed that Communism had been definitively ended for good. How wrong we were! Marxist teachings and struggle are alive and well in our universities, even influencing public education in elementary and high schools, mainstream media, tech corporations and even many churches.

SC Sunday Service/ CAUSA Lecture Section 2 (7/19/20)

The American people need to understand that current campaigns against "systemic racism" are not really about solving racial inequities. Rather they are designed to INCREASE racial conflict and distrust in order to bring about fundamental changes in American society. The goal is not just to secure "reforms" or better policies, but to achieve radical change.

CAUSA Lecture Section 3 (7/19/20)

My Declaration

by Dave Christopher Kroon

1. I Believe that the 2nd coming of Christ occurred quietly in 1920 February 25 in North Korea, after the end of the 1st world war as mentioned in Rev.12:5 (NIV) "5 She gave birth to a son, a male child, who "will rule all the nations with an iron sceptre."And her child was snatched up to God and to his throne".

2. I Believe in 1936 on Easter Sunday Morning, the mission was ordained by our Lord Jesus Christ to Rev. Sun Myung Moon to finish the work that he set out to do in the beginning of his ministry (Matthew 4:17, Mark 1:15) to bring about the Kingdom of

Heaven on earth (the Lord's prayer, Matthew 6:10) and save us spiritually and physically from Satan's blood lineage.

3. I Believe he, Rev. Moon accomplished his mission until 2013 in his latter part of his life, where he was betrayed by his own wife, who was to become True Mother and the only begotten daughter of God failed to unite with him absolutely before he passed into the spiritual world, only his youngest two sons stepped up and protected his Messiahship, Honor and his Moral Authority over the movement. One was his internal heir and successor (Hyung Jin Nim) the other was his external heir and successor (Kook Jin Nim) that united and kept God's providence alive, and hope for the world.

4. I Believe that life is a one way street, human-beings are born, they grow physically and spiritually, they get sick and age and pass on spiritually into the spiritual world as mentioned in Ecclesiastes 12:7 (NIV) "and the dust returns to the ground it came from, and the spirit returns to God who gave it." Jesus was no different so was John the Baptist in the physical sense. On the great and terrible day I will send Elijah the prophet was prophesied by Malachi (Malachi 4:5), and the disciples asked Jesus, "Why does the scribes say that Elijah must come?" And Jesus answered them that Elijah has already come. They knew that he was speaking to them of John the Baptist. (Matthew 11:13-15, 17:10-13)

5. I Believe the way Elijah came through John the Baptist so will the son of man come - Jesus Christ will anoint another person with a new name as mentioned in (Rev. 2:17, 3:5, 3:12, 19:12-16). That new name I believe is Reverend Sun Myung Moon. To carry out his (Jesus) mission which he could not accomplish because of the failure of John the Baptist (Matthew 11:3,11:11) and the chosen people of Israel.(1 Corinthians 2:8)

Your rowers have brought you out into the high seas. The east wind has wrecked you in the heart of the seas. Your riches, your wares, your merchandise, your mariners and your pilots, your caulkers, your dealers in merchandise, and all your men of war who are in you, with all your crew that is in your midst, sink into the heart of the seas on the day of your fall. At the sound of the cry of your pilots the countryside shakes, and down from their ships come all who handle the oar. The mariners and all the pilots of the sea stand on the land and shout aloud over you and cry out bitterly. They cast dust on their heads and wallow in ashes; they make themselves bald for you and put sackcloth on their waist, and they weep over you in bitterness of soul, with bitter mourning. In their wailing they raise a lamentation for you and lament over you: 'Who is like Tyre, like one destroyed in the midst of the sea?' Ezekiel 27:26-32

It is very important to recognize the importance of Christianity in America. If we disregard that element, America has very little meaning. When America won its independence, George Washington was a betrayer to England which was their mother nation. It was not something that could be encouraged or even praised. It was not. How can you tolerate the country which betrayed its origins without clear cause and became independent? America at that time was in the son's position whereas England was in the mother's position. This time the son was not supposed to follow the mother, but the mother was supposed to follow the son. This is the view point of restoration. So, God helped America to be born as the first son of the mother, England. The dispensation allowed this situation to exist for the restoration of elder sonship.

Comparing to that, how does the Lord of the Second Advent come? The same way. The second advent will be born of a woman. Do you understand? At the time of the last advent that son occupied all the mother's country, all the mother's people, all the mother's-side traditions. That's what Washington was and did. In Korean, Washington rhymes very well with a word which means 'wash stone.' Stone is symbolic of Jesus and the Christ to come. So, wash the stone means make preparation. Clean up the atmosphere. This is the principle point of view. This is the right perspective to look at American history. SMM, *The Dividing Peak Of The Dispensation Of History,* 3/1/91

Greetings!
At the beginning of the service Hyung Jin Nim spoke about Craig Sawyer's One Day Intensive Training to be held on October 12. As many Sanctuarians already know, he was a top tier sniper in the U.S. Army Special Forces and producer of the powerful documentary about sex trafficking called *Contraland.*

The Second King spoke about the passage in Ezekiel 27 which describes the impending destruction of Tyre, a prosperous Phoenician port city on the Mediterranean coast of what is now Lebanon.

Sanctuary Church Sunday Service 7/26/20

Many pastors preach about Romans 13 which teaches obedience to government, but we have to be careful not to support evil, totalitarian regimes. In North Korea and in Communist China, there are state-approved churches which are careful to teach only what the government allows. We are supposed to put Christ and his teachings first in our lives, but many Americans have become "Cultural Satanists," supporting an anti-Christ system that persecutes and even kills true believers.

In America, the highest power is supposed to be the Constitution, which guarantees freedoms of speech, religion and the right to bear arms, but all of these are under attack. That is what we must defend, not self-serving government officials who are supposed to be servants, not masters.

Blessing of Shim Man & Dong Hee Jin

In the Garden of Eden, the brilliant Archangel Lucifer was supposed to serve God and His children, Adam and Eve, but instead he seized power. Government servants must always be kept in check.

That is what Ezekiel was warning about, Israelites worshipping the corrupt pagan gods of Babylon and Egypt. For example, worship of Ashterah required sending your daughters to become temple prostitutes as well as the practice of child sacrifice, homosexuality and bestiality.

New Blessed Couple with the 2nd King and Queen

Satanic nations want to replace strong Alpha males and females with compliant followers. In the Bible, God judges His own people when they become sinful and disobey His commands. This kind of judgment is coming right now to America which has also become rebellious and wicked in many ways. God is not impressed with wealth that is tainted by corruption. We must be ready to protect God's Kingdom.

As described in the three VOC/CAUSA lectures given the previous Sunday, Communism/Socialism has spread

throughout the world more quickly than Christianity or Islam. Marx proclaimed it as a secular, "scientific" theory, but in reality it is a satanic religion that teaches about a "fall" through ownership of private property and a "savior" which is the proletariat waging class struggle and warfare. Nearly 200 million were murdered in the name of Communism, but the result was not equality, but a new ruling class that subjugated the rest of the population.

We are living at an historic time of tribulation, where cities across America are being burned and destroyed. We must be ready to embrace our roles as Kings and Priests to protect what is good at the risk of our lives. The Bible teaches us to resist the devil and he will flee.

Miho's Testimony, "Jesus Gave Me His Blood"

Miho at the Geisinger Hospital in Danville, PA

Thank you for all of your prayers! Miho asked me to let all of you know about her situation. To be honest, it was very scary on Monday (7/20) when I brought Miho to the Geisinger hospital in Scranton very weak with body aches and sometimes violently shaking and high fever.

The doctors discovered it was a tick-born infection called Babesiosis that had destroyed 30% of her red blood cells and started giving her antibiotics but on Tuesday decided she needed to go to the larger hospital in Danville to get a red blood cell exchange transfusion since her hemoglobin level was so low and damaging her kidney and liver function.

She had to wait all night since there was an initial mistake in the kind of blood that was sent from the blood bank. Early this morning she received 6 pints of blood, replacing about 3/4 of the blood in her body.

Miho had a very meaningful experience. Here is her testimony:

During the 2.5 hours of blood transfer early that morning Jesus appeared to me. He said, "I will give you all my blood!" It was like a waterfall of His blood coming to me. He was watching me for the entire time of the blood transfer. I felt total peace after it finished. We sisters are really the brides of Christ. To be with Jesus, True Father and the 3 Kingships, it is not our will. Our lives are for Christ. We did not come from our own will. God has called us at this time.

Miho strongly felt the prayer and love from brothers and sisters. Each of us plays a different role. We are each so precious. Let's live our lives for Christ.

She wants to thank all of you and the 2nd King and Queen for all of your prayers. Our life is for God, Who decides when to take each of us to the next world. She realized that each of us must live each day as if it were our last.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The Constitution of Cheon Il Guk, released on October 11, 2015 by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

No matter how fierce the beating or terrible the environment, a person can endure if he carries a definite purpose in his heart. SMM, "A Grain of Rice Is Greater than the Earth." March 1, 2009, As a Peace-Loving Global Citizen, Pages 97-99

Greetings!
At the beginning of the Sunday service Hyung Jin Nim spoke about the Rod of Iron Riders motorcycle group which is rapidly growing in membership. He emphasized the importance of proper training, safety, unity and brotherhood.

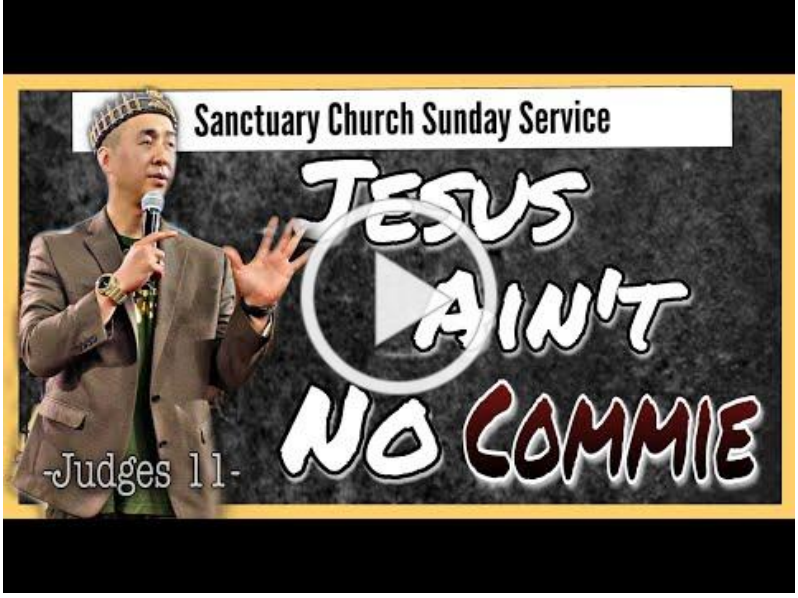

The Left is promoting indiscriminate violence against random conservatives. One Black Trump supporter, who is a friend of Pastor Cook, was stabbed in the back for no reason other than hatred of his political views.

We should pray for the country, but also prepare for the adversity coming in advance of the Kingdom. Many of the prophets in the Bible including Abraham, Moses, Joshua and Caleb were also tribal military leaders. But after their victories they often forgot about God, adopting Canaanite ways, which included hedonism, child sacrifice and ritual prostitution.

Gideon won a tremendous victory against thousands of Midianite soldiers with only 300 fighters, but then became corrupt.

As described in Judges 11, the elders of Gilead begged Jephthah, who previously had been rejected because he was the son of a prostitute, to defend Israel against the Ammonites. He made a pledge to God that he would sacrifice the first person who walked in the door if he was victorious in battle. He had a victory and then saw his daughter walk into the door. He was so unknowledgeable about the God of the Israelites and His teachings that he went ahead with murdering his own daughter!

Sanctuary Church Sunday Service 8/2/20

Husbands need to be leaders in their families, loving and guiding their wives. 80% of public school teachers are women. Feminized public education often promotes a victim ideology and tears down strong men.

Rod of Iron leaders should protect the rights of everyone, not just those they like. America has fallen far from the ideals of our founding fathers, who designed a Constitution to limit government power. Everyone can see that our system is under attack.

The difference between the Growth and Perfection stages is that in the Growth Stage you can still fall. In the Perfection stage you are no longer tempted to abandon God's Will. The American Constitution was guided by God to institutionalize protections for freedoms, but it has been infiltrated and degraded. The 4 Horsemen of the Apocalypse are working together to take down America. In democracies, a majority can impose tyranny on the rest. Many churches promote a leftist view. A Netflix TV show even portrays Jesus as a trangender woman, but the real Jesus spent hours creating a scourge to chastise the money changers in the Temple.

In Jesus' Parable of the Talents in Matthew 25:14 the Master praises those servants who multiplied their talents (a large unit of currency worth about $10k - $20k in modern day Europe) and condemned the one who buried the one he received and did nothing to increase it. Didn't God make something from nothing? He is a Creator and is happy when we create something new and valuable.

The Kingdom of God is not socialism. Marxism is an anti-Christian religion that has an origin of evil story (greed) and ownership of private property. Its essence is envy.

True Father taught that the Fall was rejecting God's command and accepting the fallen lineage. Instead we should say "I love my Father. I know He can be strict, but I choose to follow Him."

In 2012 the FBI put Christian gun owners and Ron Paul supporters on the terrorist watch list. Yes, Christian gun owners can and should be dangerous to bad people. CIA tactics include blackmailing people photographed doing illicit sexual acts. That is why CIG marriages need to be strong Absolute Sex marriages.

Kook Jin Nim's 50th Birthday Celebration (Vince & Giovanna Benedetto at right)

Become a strong and generous protector of others. A father encourages his son to keep trying and developing. God gave us freedom and responsibility. You must have a moral people to maintain the Constitution.

Marxism seeks to destroy marriages and families, and to replace the Father with government. That is one reason why True Father did the Mass Marriage movement.

We must not feel complacent just because we have guns. We have to be connected and fighting for the same higher purpose. As shown in Joshua 6:18-19, God forbade the Israelites invading Jericho and other Canaanite cities from taking resources after defeating the enemy, because then the Israelites would have become just like evil jihadis and "commies."

America's founders said they would risk their lives, fortunes and sacred honor, not for personal benefit or resources. That is why God must be at the center of the patriot movement.

"Would that even today you knew the things that make for peace! But now they are hid from your eyes." Luke 19:42

Jesus died on the cross, not of his own will, not of the will of God, but by the will of men. Christ was destined to return from that moment on. He will return to consummate his mission on earth. Mankind must await his Second Coming for the complete salvation of the world.

You may again want to ask me, "With what authority do you say these things?" I spoke with Jesus Christ in the spirit world. And I spoke also with John the Baptist. This is my authority. If you cannot at this time determine that my words are the truth, you will surely discover that they are in the course of time. These are hidden truths presented to you as new revelations. You have heard me speak from the Bible. If you believe the Bible you must believe what I am saying.

SMM, "God prophesied in two contradictory ways in the Bible,"TheFuture of Christianity, October 28, 1973

Greetings!

At the beginning of the Sunday service, Hyung Jin Nim discussed how it's important to remember that our spouses have a public role as a Peace Police man or woman.

He then showed a video of his visit to Pastor Cook's flooded home with dozens of Sanctuary youth to help clean up this basement. More than just praying for someone, it's even better to help them directly! This is analogous to the difference between spiritual salvation and spiritual/physical salvation. Love God, Love Your Neighbor

Pastor Cook's flooded basement

The passage in Genesis 3 shows how Satan is the first child groomer and rapist. Satan claimed to have transcended good and evil, but really he had become just evil.

It's important for both boys and girls to learn about the reality of evil and about the need for good alpha males. As the scripture says, "The Kingdom suffers violence and the violent take it by force."

Sanctuary Sunday Service 8/9/20

It's important to warn your children about sex education in public schools that promotes unhealthy sexual relationships while almost never explaining about the benefits of a healthy marriage. People with so many problems because of their upbringing will never confront totalitarianism.

We must develop strong families that become small, moral "swat teams" that can serve the community. If they practice the standards of true love then corrupt organizations can't do sex blackmailing on them.

If we learn that Satan was the first sex predator then we can learn to be vigilant and prepared to fight. Men are attracted sexually. Women are generally attracted to romance. Just as porn weakens marriages, romantic dramas can be destructive as well.

The flip side of fallen love is the sacred Blessing of a couple that saved sex for marriage. Your spouse is a gift from God. You are commanded to love and respect each other. Invest in your marriage. Date once a week.

Women like face to face time. Men like shoulder to shoulder time. Just as you water plants, you need to invest in your relationships.

Communists want to destroy strong families. In China, during the Cultural Revolution, children even killed their parents.

At the end of the service participants in the graduating Sanctuary Academy group sang during a moving video of their activities during the past several weeks.

Later in the day, Hyung Jin Nim and Yeonah Nim officiated over the Blessings of a 2nd Generation couple.

SATANISM AND RITUAL CHILD SEX ABUSE

by Marie Koh

Former FBI Senior Special Agent-In Charge Ted Gunderson warned about the growing influence of satanic related crimes in America through The Gunderson Report, a 25 year research into unresolved cases involving horrific satanic child rituals.

A declassified FBI file released last year reveals the Mc Martin case and the Finders case that have been kept secret from public view since the 1970's and 1980's. These reports expose the criminality of satanic cults, ritual child sex abuse, human sacrifice, human trafficking, child pornography, and mind-control psyops experimented on children. But as horrific as these crimes are, the most damning ones, are those being committed through our own justice system, by our Central Intelligence Agencies, the FBI, other intelligence companies and their connections with people of power in government, the Justice Department, the immigration system, the Military Industrial Complex, the education system, in medical science, the elite class, terrorist organizations, socialist and communist agendas foreign and domestic. There is an active criminal enterprise embedded within our governmental apparatus that is far-reaching and ongoing in America today and around the world.

The Original Investigation of the Finders Group:

The search for the Finders Group began when six unkept and bug bitten children aged 2 to 7, were found in a Tallahassee park, Florida on February 4, 1987 accompanied by 2 well dressed men driving a Dodge blue van. The inside was said to be "foul smelling"

and littered with maps, books, documents, a U.S. Passport and a mattress making it appear lived in. The two men were arrested by Tallahassee police officers when they could not identify the children's names or who their parents were. They were later charged for child abuse after "more than one showed evidence of sexual abuse" a doctor said.

The Tallahassee Police Department (TPD) had reason to believe that the two men were involved in child pornography and sought assistance from the local Customs Office to conduct a search through their child pornography data base. The results were negative. A USCustoms agent advised TPD that documents, computer disks and the U.S. Passport seized from the blue van contained two identifiable Washington DC addresses.

What good is it, my brothers, if someone says he has faith but does not have works? Can that faith save him? If a brother or sister is poorly clothed and lacking in daily food, and one of you says to them, "Go in peace, be warmed and filled," without giving them the things needed for the body, what good[b] is that? So also faith by itself, if it does not have works, is dead. But someone will say, "You have faith and I have works." Show me your faith apart from your works, and I will show you my faith by my works. James 2:14-18

Before complaining in your heart, you have to think first how we are going to have God's nation. Before your physical exhaustion, you have to think more of how by your work you are going to inherit the Kingdom of Heaven on earth. You have to apply your effort not to burden your next generation to be born. You have to finish your job in our lifetime, leaving nothing to burden the generation to come. SMM, Address to Prayer and Fast Participants (II) 7/31/74

Greetings!
Hyung Jin Nim was invited to give the opening prayer yesterday at a Pennsylvania State Republican event called "Rally at the Rock" in Wysox, PA where hundreds gathered in advance of the November presidential election.

2nd King's Prayer at the "Rally at the Rock!"

Here is the text of his historic prayer:

Our Father in Heaven, we come to you in the mighty name of your son Jesus, we praise you and give you all the glory for you have kept this country free from the wiles of the devil up till now. We thank you for President Trump, risking his life to fight against the most evil and powerful forces in the world that are joining forces to destroy him and our country!!! Lord, let us remember that at the inception of our great country you allowed our founding framers to create a country centered on your Judeo-Christian values-on hard work, morality, the rule of law, faith in Jesus Christ and loving our neighbors as we love ourselves. Our founding fathers stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from King George's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that America must be destroyed and Marxism erected in its place.

But we know that contrary to what the leftist communists are saying about the Founding Fathers, history shows a different picture.

(Rest of Hyung Jin Nim's Prayer)

While Hyung Jin Nim and Yeonah Nim were attending the Republican Party event, Pastor George Cook gave a powerful message about "Faith Means Action."

There is an active criminal enterprise embedded within our governmental apparatus that is far-reaching and ongoing in America today and around the world.

The Original Investigation of the Finders Group:

The search for the Finders Group began when six unkept and bug bitten children aged 2 to 7, were found in a Tallahassee park, Florida on February 4, 1987 accompanied by 2 well dressed men driving a Dodge blue van. The inside was said to be "foul smelling" and littered with maps, books, documents, a U.S. Passport and a mattress making it appear lived in. The two men were arrested by Tallahassee police officers when they could not identify the children's names or who their parents were. They were later charged for child abuse after "more than

one showed evidence of sexual abuse" a doctor said.

The Tallahassee Police Department (TPD) had reason to believe that the two men were involved in child pornography and sought assistance from the local Customs Office to conduct a search through their child pornography data base. The results were negative. A USCustoms agent advised TPD that documents, computer disks and the U.S. Passport seized from the blue van contained two identifiable Washington DC addresses.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."

See what's happening on our social sites

While Israel lived in Shittim, the people began to whore with the daughters of Moab. These invited the people to the sacrifices of their gods, and the people ate and bowed down to their gods. So Israel yoked himself to Baal of Peor. And the anger of the Lord was kindled against Israel. And the Lord said to Moses, "Take all the chiefs of the people and hang them in the sun before the Lord, that the fierce anger of the Lord may turn away from Israel." And Moses said to the judges of Israel, "Each of you kill those of his men who have yoked themselves to Baal of Peor."

And behold, one of the people of Israel came and brought a Midianite woman to his family, in the sight of Moses and in the sight of the whole congregation of the people of Israel, while they were weeping in the entrance of the tent of meeting. When Phinehas the son of Eleazar, son of Aaron the priest, saw it, he rose and left the congregation and took a spear in his hand and went after the man of Israel into the chamber and pierced both of them, the man of Israel and the woman through her belly. Thus the plague on the people of Israel was stopped. Nevertheless, those who died by the plague were twenty-four thousand. Numbers 25:1-9

I have had the opportunity to peek into the Book of Life in God's mansion in spirit world. I saw that the people who were oppressed and persecuted and martyred all have their names in that Book. They looked like they were defeated in their life on earth, but the millionaires and famous preachers and politicians aren't there. Sometimes people say, "Reverend Moon, you are a millionaire. Why don't you give all your money to the poor?" Of course, I am willing to give money to the poor, even the last cent I have, and then I am entitled to receive money because I practice the principle of loving my enemy. I have been giving out not only money, but my blood and sweat and heart as well. Such people are entitled to receive money because they use it in the right way.

Sometimes I ask God for money, telling Him I need resources to do His work. There are billions of dollars in the world, so I tell God that He knows how I will use it. God blesses us many, many times, yet I am still penniless. Anyone who can love their enemy-whether individual, race or nation-will inherit from God any resources he needs. That is the kind of nation God has been waiting for. Once that nation appears on earth, it will become the center of God's dispensation and through it He will fulfill all the promises of the Scriptures.
SMM, "Ideal Nation of God," February 21, 1980, New York .

Greetings!
Hyung Jin Nim started the service by talking about Millenial Millie Weaver's video "Shadow Gate," which revealed that NSA contractors have been conducting and storing surveillance on all American citizens, which of course can be used for blackmail. Which is why it's not a surprise that her videos were banned from YouTube. Another reason why the Cheon Il Guk Constitution forbids creation of a national intelligence (spying) organization that can initiate surveillance on citizens.

He spoke about Tom Ryan's testimony at Saturday's Freedom Faith and Family Coalition prayer breakfast about his experience as a 19 year old soldier in the Vietnam War and the Post Traumatic Stress he continues to experience.

Through it all, his wife Debbie stayed at his side for 50 years.

Sanctuary Church Sunday Service 8/23/20

Even though we may feel insignificant, we should remember that God often uses a small group to change history. We can all see the conflict of 2 irreconcilable ideologies in the USA. America cannot continue as a unified nation without a resolution.

Then Hyung Jin Nim spoke about the Rod of Iron motorcycle club - we cannot fear to do dangerous things. Instead we have to have them in dominion. We must be lions, not sheep. That is why True Father encouraged hard training as a way to unlock our epigenetics. Bad people can make you afraid of dangerous activities and dying. Then they can enslave you.

Satan was the first child groomer. He told Eve, who was just a young teenager, "you misunderstood God, you will not die if you eat the fruit. If you can trust me, not God, then you will be like a god, knowing good and evil." But Eve was not his real object, what Satan really wanted was Adam's position and authority.

Free will and responsibility are key to Christian culture. Without those the nation cannot survive as a constitutional republic. A powerful Absolute Sex marriage protects the Kingdom. Sexual intimacy is supposed to be the glue and joy that keeps the connection between husband and wife.

30th 7.1 Jeol and 24th 7.8 Jeol 8/25/20

Christian teachings warn that fornicators will not inherit the Kingdom of God. That is because bad sex corrupts and demoralizes the soul. As shown in the book of Numbers, the Israelites were victorious over the Moabites, but then the men began to "whore with the daughters of Moab" and to "bow down" to their gods.

The Deep State weaponizes sex. That's what the CIA and intelligence agencies do, set female "honey traps" in order to control people of influence through blackmail.

On posts to the Chinese-created Tic Toc app you can see 12 year old girls dancing in skimpy clothes, but China does not allow TicToc in their own nation. During the Chinese Communist Cultural Revolution the government funded nightclubs to promote free sex and break down traditional marriage.

Public schools indoctrinate youth about so-called "safe sex" and inveigh against "toxic masculinity." Such indoctrination damages the future ability of young men and women to have a lasting marriage. Young adults have to choose between dating for marriage versus dating for sex.

It's important for children to learn self-defense at young ages. Good people must learn to use force. As Jesus stated in Matthew 11:12, the Kingdom has suffered violence and the violent take it by force.

****

The END of the WORLD -- NOT What You Think!

In the following video, Prophet Johnny Enlow discusses how Christians are called not just to proclaim the coming of King Jesus but *to participate in building the Kingdom*. The church has been in an arrested development period, brought on by trying to leave the planet before we showcase the kingdom. We thought that just telling of the King was enough, but the King is inseparable from His Kingdom. Seek Ye First the Kingdom!

God showed Johnny Enlow that Trump would become President to accomplish a great liberation. So great will this effect be that the United States will now be know as post-Trump versus what happened before, which will be known as pre-Trump. In fact the entire world will be referred to in the same way.

This will be the end of the world as we know it. This is a shift and transformation of cities and nations, not a literal destruction. By 2050 there will be 50 "Sheep" nations largely operating by the laws of God.

Every generation since Jesus' resurrection has tried to interpret the end-time prophecies of destruction to their own time, but Acts 3/21 tells us that Jesus is retained in the heavens until the restoration of all things spoken of by his servants the prophets. In Psalms 2:8 God promises to "give you the nations for your inheritance, and the ends of the earth for your possession." We are meant to occupy and have Godly dominion of the earth.

This of course is exactly what True Father Sun Myung Moon taught and worked to bring about his whole life. Father's anointed heir, his youngest son, Hyung Jin "Sean" Moon, continues to spread and live the same message.

God Told Me "This is the END of the World As You Know It"

2nd King's Prayer at the "Rally at the Rock!"

Here is the text of his historic prayer:

Our Father in Heaven, we come to you in the mighty name of your son Jesus, we praise you and give you all the glory for you have kept this country free from the wiles of the devil up till now. We thank you for President Trump, risking his life to fight against the most evil and powerful forces in the world that are joining forces to destroy him and our country!!! Lord, let us remember that at the inception of our great country you allowed our founding framers to create a country centered on your Judeo-Christian values-on hard work, morality, the rule of law, faith in Jesus Christ and loving our neighbors as we love ourselves. Our founding fathers stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from King George's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that America must be destroyed and Marxism erected in its place.

But we know that contrary to what the leftist communists are saying about the Founding Fathers, history shows a different picture.

SATANISM AND RITUAL CHILD SEX ABUSE

by Marie Koh

Former FBI Senior Special Agent-In Charge Ted Gunderson warned about the growing influence of satanic related crimes in America through The Gunderson Report, a 25 year research into unresolved cases involving horrific satanic child rituals.

A declassified FBI file released last year reveals the Mc Martin case and the Finders case that have been kept secret from public view since the 1970's and 1980's. These reports expose the criminality of satanic cults, ritual child sex abuse, human sacrifice, human trafficking, child pornography, and mind-control psyops experimented on children. But as horrific as these crimes are, the most damning ones, are those being committed through our own justice system, by our Central Intelligence Agencies, the FBI, other intelligence companies and their connections with people of power in government, the Justice Department, the immigration system, the Military Industrial Complex, the education system, in medical science, the elite class, terrorist organizations, socialist and communist agendas foreign and domestic. There is an active criminal enterprise embedded within our governmental apparatus that is far-reaching and ongoing in America today and around the world.

And the priest answered David, "I have no common bread on hand, but there is holy bread-if the young men have kept themselves from women." And David answered the priest, "Truly women have been kept from us as always when I go on an expedition. The vessels of the young men are holy even when it is an ordinary journey. How much more today will their vessels be holy?" So the priest gave him the holy bread, for there was no bread there but the bread of the Presence, which is removed from before the Lord, to be replaced by hot bread on the day it is taken away. 1 Samuel 21:4-6

I am telling you that absolute rejection will bring absolute friends. The more dramatic the persecution you receive in your home church area, the better it is. If you are kicked and knocked unconscious, people may think you are dead and the headlines will proclaim that the Moonie was kicked to death. Then when you revive later the headlines will announce that you resurrected! If this happens two or three times then you will easily restore the whole area in the meantime.

On the outside I seem to be mean and ugly instead of handsome and nice, right? The entire world may say I am mean and ugly, but God will be the one person who will definitely veto that statement. Because the power of God is absolute, there is nothing to fear even when the American Government comes against us. I speak out strongly and without fear when the President does something wrong. God is stronger than any President. I don't care what the people say; I only care what God says. As long as God thinks I am His champion then I don't care what the world says. SMM, "Ideal Nation of God," February 21, 1980, New York.

Greetings!
Hyung Jin Nim started the service by discussing the assassination of a Trump supporter in Portland. We need to be prepared for the possibility of a Civil War in the USA. Each of us should have a trauma kit and be ready to use it. We don't fear death, but we should be responsible to protect life.

The Vietnam Wall traveling memorial will be at the Freedom Festival. This is a sacred place, the blood of Americans sacrificed there. We should make those veterans feel deeply respected.

Then he spoke about the Covid 19 Lockdown. In 4 months they have turned USA into a socialist country. The same people who call us conspiracy theorists are riding bicycles or going swimming with a mask on!

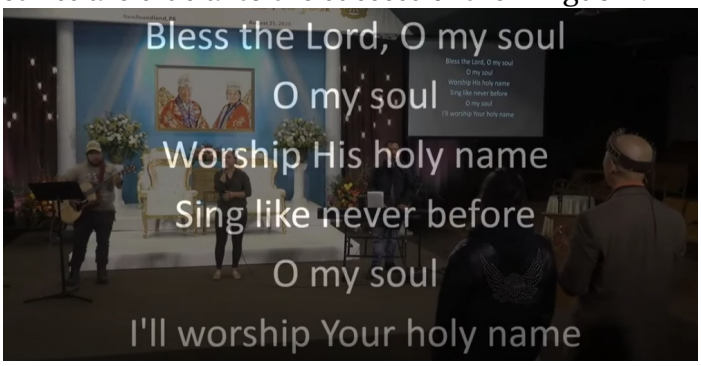

Sanctuary Church Sunday Service 8/30/20

In North Korean there are supermarkets, but they are all government-run. Small businesses in USA impacted by the shut-down have been going out of business, while mega-corporations like Walmart and Amazon grow in their domination of the economy.

It has been said that you can vote yourselves into socialism, but you have to shoot your way out. George Soros has been funding the ANTIFA terrorism we see on the TV news. Many churches have been infiltrated by socialists who bring a Marxist ideology. There will have to be a separation of the sheep from the goats.

Sex has been used as a weapon and means of conquering. The Leftist Sexual Revolution leads to young men and women who are unable to distinguish between good and evil. In the Bible David started off good, but then had women issues that led him to commit sins. Sexual ethics are crucial to the success of the Kingdom.

Satan will use the harlot to destroy your kingdom. America's founding fathers knew that to keep a free republic you needed to have people with moral discipline.
Satanic nations promised their soldiers they could "rape, pillage and plunder." When conquering Jericho, God commanded the Israelites to refrain from taking any plunder. Anthropologists found burnt grain in the ruins of Jericho that had not been stolen. This was a huge advance in war ethics. Warriors should not become what they are fighting against.

But later, as shown in Numbers 25, the Moabites used sex to entrap Israelite men, who then began to worship Canaanite gods and become confused about uniqueness of Jehovah. The modern US army also follows rules of engagement that are Judeo-Christian. Our soldiers are required to abstain from rape, pillage and plunder. They are punished for not doing so. You have to fight for a larger purpose, not personal gain.

Patriots have to follow the same code. Otherwise you become evil. Our purpose is to free people from communism, but the warrior class will always need to overcome the temptation to use power for personal gain. David was not just praying when he had to face Goliath in battle and kill him. We must be united in opposing evil. Fighting on just the family level is not enough.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. This is the message we have heard from him and proclaim to you, that God is light, and in him is no darkness at all. If we say we have fellowship with him while we walk in darkness, we lie and do not practice the truth. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin. If we say we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. If we say we have not sinned, we make him a liar, and his word is not in us. 1 John 1: 5-10

The parent cannot find happiness when their beloved child falls ill. If God does not feel pain in His heart for the condition of human beings who have become the cause of national ruin, and who are falling straight down into hell, but instead, enjoys it saying, "Wow! You got what you deserved and now you are going to perish," then such a God should be struck down down by lightning.

Since He is an ideal God who represents the parental position, He does not just sit still on seeing these circumstances. When we think about the hidden heart of parents who would disregard the laws of their nation in order to save their own children, we know it is the same with God.

Were it not for Satan, God would forgive humankind and save them. Despite His desire, since God cannot avoid Satan's accusations, then with tremendous regret, He is compelled to accept those accusations. Who understands God's difficult and wearisome position? We should liberate Him from this situation. In order to do so, there must be such sons and daughters who can confront Satan and save those in hell. Without doing so it is impossible. SMM, CSG 921

Greetings!
At the beginning of the Sunday Service, Hyung Jin Nim discussed about how satanic power structures use free sex and blackmail to keep people under control. King Solomon thought that political marriages would strengthen his kingdom, but the foreign wives brought their pagan gods and practices with them. King Ahab had a political marriage with Jezebel leading him to tell Israelites to kiss the statue of Baal, but Baal worship included child sacrifice.

Now in the USA, Gov. Northam of Virginia advocates post-birth abortion, but hides that horrific reality with sweet words about "keeping the baby comfortable" until the mother and physicians decide whether to keep it alive or not.

Sanctuary Church Sunday Service 9/6/20

As described in 1 Kings 20, King Benhadad brings 32 Kings with their armies to attack Samaria and Israel, and sends a messenger to King Ahab with the message that, "Your gold and silver, and goodliest wives and children are mine!"

That is what the Left says, that your children are not yours regarding important decisions such as their education, whether they should have abortions or transgender surgery. Child Protective Services takes away children for their "safety" and then loses track of tens of thousands of them . This is nothing new. Plato advocated that the State raise the children more than 2400 years ago.

Why does the State control who can get married, who can worship or open their business? Now all must wear a mask. In the book of James, it says to resist the devil and he will flee.

Dr. Richard Lee who wrote Patriot Bible and recently appeared on The King's Report has been praying with Pres. Trump. God stirs things up for our long-term benefit.

The JOY of Rod of Iron Riders on the Road

True Father spoke about the Hobby Industry. Hobbies can provide good training for mind-body unity and experiencing the joy of camaraderie, such as the Rod of Iron motorcycle riders keeping in close formations or the Trump 2020 boat flotillas.

Leftists want to divide us by race. If they succeed, America will be like a prison

where there are white gangs, black gangs, and Asian gangs. If we lose the beliefs and values that bind us together, then will we will be divided and defeated. Christ transcends all the divisions.

Atheism ultimately leads to the Occult and Satanism. That is why the Bible forbids dealing with the Occult.

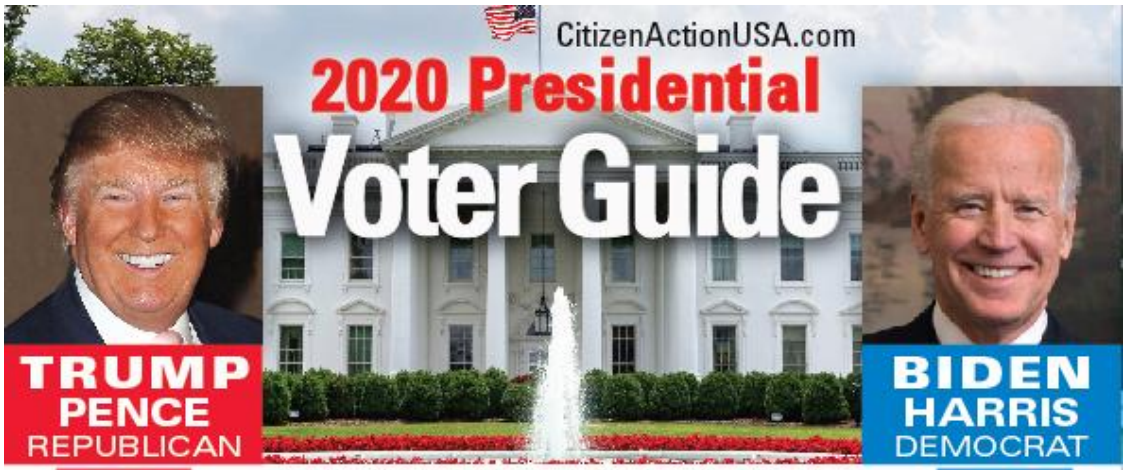

2nd Queen's Victorious Ride!

God pulls us out of pure individualism or just focusing on our families into caring about the community and nation. There will be no centralized police or military in the Kingdom of Heaven. Each must learn to practice loving and protecting your neighbor as yourself.

Each should look at his wife/Queen as a Peace Militia woman. The husband is a Peace Militia man who does not live for himself.

In this 2020 presidential election leftist mobs are running parts of several cities, Seattle, Portland, etc. David fulfilled his responsibility by chopping off the head of Goliath. Traitors must be put on trial and, if found guilty, given the severe punishment they deserve.

Leftists Blame America.
Decent People Blame Themselves.

by Dennis Prager, 9/8/20

As long ago as the 1970s, I came to a major realization. While watching fellow students at Columbia University demonstrate not just against the war in Vietnam but against America - "Amerika," as many spelled it, the "imperialist," "colonialist," "mass-murdering" country - I kept wondering what made these people so hostile to the freest country in human history.

Then, one day, as a result of my having attended a yeshiva (an Orthodox Jewish day school) through high school, the reason became clear. Half of each school day was devoted to religious studies in Hebrew, and the other half was devoted to secular studies in English. This meant that I had been immersed in a religious worldview until college.

Though it was Jewish, this worldview could also be called "Judeo-Christian." Students at traditionally Christian schools were immersed in essentially the same worldview. We were all taught that the most important battle we need to wage in life was with our own nature. Jews and Christians learned from the same Scripture that "the will of man's heart is evil from his youth" (Genesis 8:21).

Therefore, being a good person involved a constant battle with our flawed human nature: our urges, appetites and innate weaknesses. This battle was also the only real route to a better world. Every individual had to work on him or herself to be decent, strong, courageous and self-controlled, and every parent had to work, first and foremost, on raising such people.

One day, I came to realize that this was not how the vast majority of my fellow students were raised. They were raised to believe that the great battle in life was not with one's nature but with outside forces - with parents, in many cases, but most of all with society, i.e., America.

SATANISM AND RITUAL CHILD SEX ABUSE

by Marie Koh

Former FBI Senior Special Agent-In Charge Ted Gunderson warned about the growing influence of satanic related crimes in America through The Gunderson Report, a 25 year research into unresolved cases involving horrific satanic child rituals.

A declassified FBI file released last year reveals the Mc Martin case and the Finders case that have been kept secret from public view since the 1970's and 1980's. These reports expose the criminality of satanic cults,

ritual child sex abuse, human sacrifice, human trafficking, child pornography, and mind-control psyops experimented on children. But as horrific as these crimes are, the most damning ones, are those being committed through our own justice system, by our Central Intelligence Agencies, the FBI, other intelligence companies and their connections with people of power in government, the Justice Department, the immigration system, the Military Industrial Complex, the education system, in medical science, the elite class, terrorist organizations, socialist and communist agendas foreign and domestic. There is an active criminal enterprise embedded within our governmental apparatus that is far-reaching and ongoing in America today and around the world.

The Original Investigation of the Finders Group:

The search for the Finders Group began when six unkept and bug bitten children aged 2 to 7, were found in a Tallahassee park, Florida on February 4, 1987 accompanied by 2 well dressed men driving a Dodge blue van. The inside was said to be "foul smelling" and littered with maps, books, documents, a U.S. Passport and a mattress making it appear lived in. The two men were arrested by Tallahassee police officers when they could not identify the children's names or who their parents were. They were later charged for child abuse after "more than one showed evidence of sexual abuse" a doctor said.

The Tallahassee Police Department (TPD) had reason to believe that the two men were involved in child pornography and sought assistance from the local Customs Office to conduct a search through their child pornography data base. The results were negative. A USCustoms agent advised TPD that documents, computer disks and the U.S. Passport seized from the blue van contained two identifiable Washington DC addresses.

Therefore let us be grateful for receiving a kingdom that cannot be shaken, and thus let us offer to God acceptable worship, with reverence and awe, for our God is a consuming fire. Hebrews 12:28-29

In this day and age, the world domain in which spiritual salvation was perfected on earth, the realm of Christian culture, is the democratic world. However, there is no Christian state in this present-day world that God can select as His chosen people and promise to send the Messiah to, just as He promised the Israelites in ancient times when He designated them as His chosen people, the covenant still held sacred by the Jews. All of you must understand this. This is the reason for which, having lost its land, and in pursuit of a nation floating in midair with only a name and no domain, the realm of Christian culture was driven west when chased from the east, and driven south when chased from the north, wandering and evading the path of death, and yet all the while expanding worldwide. SMM, CSG 1541

Greetings!
In his Sunday Service message, Hyung Jin Nim discussed how the Bible does not always portray hell as a ring of fire. In Jesus' parable in Luke 16, the rich man in hell is negotiating with Abraham, asking him to send Lazarus to warn the rich man's brothers. He's able to converse and reflect on his situation which would not be the case if the fire were a literal one. Hell's fire symbolizes the torment and regret felt by those condemned to live there.

Black Lives Matter is hateful and covetous towards anyone doing well. It grows in intensity every day. Imagine if that went on forever. It would become hell. The same with addictions to drugs, porn, etc. if allowed to grow each day, it would devastate lives.

A psych ward is filled with tormented people who not only have to deal with their own delusions but also with those of the others.

Sanctuary Church Sunday Service 9/13/20

C.S. Lewis in his book, The Great Divorce, wrote that there are two kinds of people - people, those who say "God, thy will be done" and the others where God says "Your will be done." The first go to heaven and the second go to the hell they have chosen.

The fire of God burns away our sin, but for someone who hates God, it is tormenting. True Father often explained that God's love is like the air to breathe in the spirit world. If you do not know God, you feel like you are suffocating, but also other beings are attacking you or raping you.

Motorcycle Riders take in mountain top view

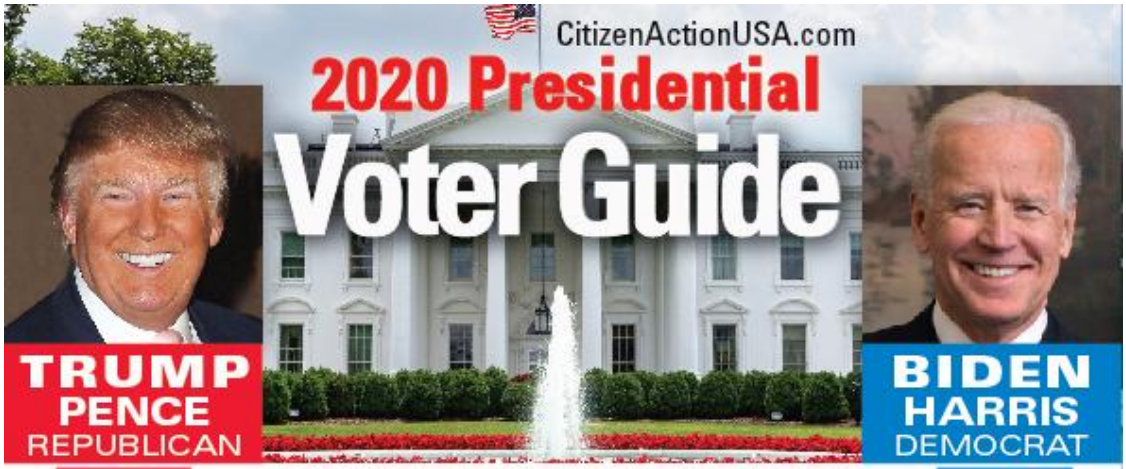

After the Covid 19 Lockdown crisis, many young people realize for the first time how fast things can change.

In Communist countries the government controls the food supply and cuts off access to rebellious communities. Marxism justifies the use of force and violence to destroy and control. It is a form of Satanism. Marx channeled Satan in many of his early poems.

The journalist Jeffery Nyquist, who will speak at the Save the Nation conference and at the Rod of Iron Freedom Festival, writes about the threat of Communist China. In China, if you worship in a government approved church then you won't be imprisoned, or be organ harvested. China is leading the way in gene manipulation and in propagating information warfare. Leftists are erasing American history and institutions, but America is still the light on the hill, a bastion of freedom, even though it is under attack.

True Father advocated the creation of a new Abel UN consisting of freedom-respecting nations. Given the world-wide influence of tyrannical countries like China, it is becoming more and more clear each day why that is urgently needed.

"And now, O Israel, listen to the statutes and the rules[a] that I am teaching you, and do them, that you may live, and go in and take possession of the land that the Lord, the God of your fathers, is giving you. You shall not add to the word that I command you, nor take from it, that you may keep the commandments of the Lord your God that I command you. Deuteronomy 4:1-2

The citizens of a nation without sovereignty are in a pitiful plight. Hence, Jesus preached out of concern: "Therefore do not be anxious, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear/' For the Gentiles seek all these things; and your heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well." (Matt. 6:31-33) Did he say you should seek His on first or His kingdom? He told you to seek the kingdom desired by God. CSG 1540

Greetings!
Hyung Jin Nim started the service by discussing how the number 19 in the Bible represents judgment. The Messianic Jewish pastor Jonathan Cahn explains how the 19 years after the judgment of 9/11 in 2001 to the present year are parallel to the initial judgment of God with the attack of Babylonian King Nebudchadnezzar in 605 BC and the final judgment in 586 BC with deportations of large numbers of Jews to Babylon.

The political career of Hilary Clinton matched Jezebel who reigned 23 years with her husband King Ahab and 14 years alone after his death. The true prophet Micaiah called Ahab to repent and warned that he would be killed if he went to war against Ramoth-gilead. But God sent lying spirits to the other prophets who assured Ahab of success if he waged war. Ahab launched the war and was killed. Afterwards Jezebel brought more Baal worship and persecution of the prophets.

Sanctuary Church Sunday Service 9/20/20

After the 9/11/2001 attacks on the Twin Towers in NYC everyone was praying. It was a moment where America could have united and returned to God. America is now faced with the choice to return to its Judeo-Christian roots or to be subjected to tyrannical centralized Government. Christians across the country are the only force able to respond, but will they?

Deuteronomy 4 warns the Israelites to honor the words of God and not to add to them. Worship of others leads people away from God and His ways.

Christian leaders Franklin Graham and Jonathan Cahn are organizing prayer in Washington DC on 9/26. But Christians must also be able to fight against evil, not only pray. There are 44 days to the presidential election and 19 days to the Freedom Festival. We must mobilize and educate citizens at this time!

The United States is the first superpower to recognize Jerusalem as the capitol of Israel, but there are traitors within our nation. One example is U.S. Senator Harry Reid's son who had a $5 billion deal with China to create solar panels in Nevada, which required putting ranchers out of business by cutting off their right to graze cattle on federal lands. You can see the same in South Korea where there is land that is supposed to be public for environmental purposes but is made available to elite special interests.

The Danger of China (The King's Report 9/21/20)

China has invested billions into Harvard and other universities in order to gain influence and control. They have also invested billions into the U.S. entertainment industry, for similar reasons. Fifty years ago Mao Tse Tung and now Xi Xinping in our time both say that China is proudly Marxist-Leninist. Jeffrey Nyquist, whose interview is posted on Monday's King's Report, has written extensively about the Communist Chinese threat to America and the entire Free World.

America has become more like Red China during the lockdown. The same with South Korea where you can be given a $3,000 fine if you are not wearing your mask in public.

During WW2 Nazis took over Norway in April 1940 by first sending Germans as tourists who, when activated, seized airbases and strategic locations.

Pundits have been warning about a Chinese invasion of Taiwan, but the real target is America. We see the potential for God's people to wake up and unite, but patriots must resist the temptation to seek private gain. The Israelites who attacked Jericho were forbidden to take wealth. God did not want them to be corrupted.

In South Korea, the statue of MacArthur was burned and damaged by Leftists. Several officials at the top levels in Moon Je In's government were previously in the Communist party.

2018 Burning of MacArthur Statue in S Korea

These are all real threats, b ut as Jesus said, fear not the one who can take your life, fear the one who can send your soul into hell. We must be well trained and disciplined plus the power of God makes us unstoppable. Since we are not perfect, we need God's love and guidance to do His will.

Transgression speaks to the wicked deep in his heart; there is no fear of God before his eyes. For he flatters himself in his own eyes that his iniquity cannot be found out and hated. The words of his mouth are trouble and deceit; he has ceased to act wisely and do good. He plots trouble while on his bed; he sets himself in a way that is not good; he does not reject evil.

Your steadfast love, O Lord, extends to the heavens, your faithfulness to the clouds. Your righteousness is like the mountains of God; your judgments are like the great deep; man and beast you save, O Lord. How precious is your steadfast love, O God! The children of mankind take refuge in the shadow of your wings. They feast on the abundance of your house, and you give them drink from the river of your delights. For with you is the fountain of life; in your light do we see light. Oh, continue your steadfast love to those who know you, and your righteousness to the upright of heart! Let not the foot of arrogance come upon me, nor the hand of the wicked drive me away. There the evildoers lie fallen; they are thrust down, unable to rise. Psalm 36

Even if people attend church for one hundred years, if they still have a self-centered mind they will never get to heaven. They cannot receive salvation. We need to know what kind of religion is a true religion, what kind of person is a true person, and what kind of nation is a true nation. SMM, CSG 645

Greetings!
Hyung Jin Nim started the service by discussing how F acebook CEO Mark Zuckerburg thinks it's okay to shut people's speech down if it disagrees with the beliefs of the elites. Leftists think it's okay to control others.

Marx created a demonic ideology that led to 220 million deaths. Now we have academics who are infatuated with his teachings. Lenin wrote about taking down the middle class, using media and psychological tactics.

Sanctuary Church Sunday Service 9/27/20

It's irresponsible to send children to public schools to be indoctrinated and even given condoms without their parents knowing. That obviously damages trust with their parents, which, believe it or not, is the intent. Socialists since Plato have written about the need to weaken the nuclear family. The popular culture wages a constant cultural attack on strong alpha males while giving endless praise for women as infallible "goddesses" who cannot be criticized.

The current national, centralized police system is dangerous, especially when directed by leftist governments. King Saul was trying to kill David using a state army. Our nation's original system was the Sheriff system, where citizens could elect and, if needed, remove those who abuse power. America's Founding Fathers did not resist the British government for the purpose of creating another centralized tyranny.

Ted O'Grady w Sudos at DC Prayer Rally

In NYC there used to be 10,000 religious charitable organizations. Now, faceless government bureaucracies are doing much of that, but the majority of our welfare system's funding goes to the salaries of the bureaucrats, not for actually helping people.

James 4:7 says resist the devil and he will flee. Benjamin Franklin suggested placing on the USA national seal the statement, "Resistance to tyrants is obedience to God." Atheists question the morality of a God who orders the Israelites to utterly destroy the Canaanite tribes, but it was in order to stop the killing and raping of children which were the practices of Baal worship and Temple prostitution.

The Our Father Forsaken book describes the archeological record of an ancient Egyptian man who sold his own daughter into temple prostitution. The most prized slaves in the Arabian slave trade were young white girls. The Bible says the beginning of wisdom is the fear of

Pierangelo & Pennsylvanian

God.

The Democratic party is the one trying to undermine natural marriage and the nuclear family. The popular culture often celebrates evil.

It took so much effort on God's part to liberate people from such evil. Believers must not be like the ostrich, shutting their eyes to evil. Women need to look for marriage-quality men. America has a generation of women who do not know how to deal with men and end up destroying their own children.

Every week the Sanctuary Prolife team including Ted, Yumi-san and others saves a child. It's wrong to take the life of a child who has God's image.

The believers' strength was that they feared God. The Israelites were told to wipe out the Canaanite culture, but not to take loot, rape or plunder. When we fight for liberty, it must not be for our own self-benefit.

Icons of Evolution
& Zombie Science

By William Brunhofer, Former Assistant Professor, Unification Theological Seminary

Jonathan Wells' remarkable twin works, Icons of Evolution (2000) and its sequel, Zombie Science (2017), debunk the top 16 arguments of both the classic and recent "icons" upon which the Darwinian theory of evolution hinges. Wells writes: "Empirical science is devolving into zombie science, shuffling along unfazed by opposing evidence. Discredited icons of evolution rise from the dead while more icons - equally bogus - join their ranks. Zombies are make-believe, but zombie science is real - and it threatens not just science, but our whole culture." (Wells 2017)

Indeed, this threat to "our whole culture," as he says, is easily seen as all the philosophers and practitioners of militant materialism, chiefly Marx and his early followers, Lenin, Stalin and Mao, as well as, Ho Chi Min, Kim Jun Un, and so many more modern-day disciples everywhere in our political class who have hitched a ride on Darwin's "discredited" train of claims with its caboose, the new claims of the Neo-Darwinists. Like a religion with its Book (Origin of Species), its Canon (16 claims or "Icons"), and its Hero-Saint (Darwin), along with its Prophets, Priests and would-be Kings (Lenin, et al), the Darwinian "fact train" of "evidence" lumbers on. And Jonathan Wells reveals in a painstakingly scientific and scholarly way, the false claims, fakery and bare lies that populate the origin, canon and big idea of the great hero-saint, Charles Darwin, and his triumphant followers.

	333	2020-10-21 Festival VICTORY Working for Nov. 3
	334	2020-10-26 Hundreds Mobilized to DEFEND the USA

This will be my third visit to you. "Every matter must be established by the testimony of two or three witnesses." I already gave you a warning when I was with you the second time. I now repeat it while absent: On my return I will not spare those who sinned earlier or any of the others,since you are demanding proof that Christ is speaking through me. He is not weak in dealing with you, but is powerful among you. For to be sure, he was crucified in weakness, yet he lives by God's power. Likewise, we are weak in him, yet by God's power we will live with him in our dealing with you. 2 Corinthians 13:1-4

Do you think the Defense Department can safeguard God's world? Don't trust it too much. You can only trust the heavenly forces that are dedicated to God's purpose. Our young people should be trained in every way physically. In a final war against the satanic force it will be a life or death battle. In order to safeguard the heavenly side we may need to become soldiers.

It is Satan's nature that once he feels he is in a superior position he will attack. Is it a crime to defend yourself and the heavenly nation? You should not have some naive concept of Christian love; that does not apply in a confrontation with Satan's forces, which are determined to destroy God's world and God's people. If God has no power to defeat a satanic attack then He is no longer God. As God's force, we shall be able to defend ourselves and to defend the godly world. We are a different kind of religious leadership. SMM, The Age of Judgment and Ourselves, November 21, 1976, Belvedere, NY

Greetings!
Hyung Jin Nim started the service by discussing how assassination of political leaders has been the norm in human history. Billionaires have been investing to defeat him. We shouldn't think they would not be willing to support the violent removal of President Trump.

This year, when we will hold the Book of Life Registration Blessing on October 14, is the 70th anniversary of True Father's release from Hungnam prison when U.S. airplanes bombed the walls of the prison.

The Cheon Il Guk constitution bans a "war on drugs," which creates black markets and incentives for gang-related crime. Illicit drug use should be fought by high level parenting and investing in your children.

Sanctuary Church Sunday Service 10/4/20

The Bible tells us that God loves us, but it's important for parents to spend one on one time with children when they are young to express that and to build rapport. Family bonds are strengthened through personal relationships.

Some Christians think they can do whatever they want, but Matthew 27 makes it clear that believers will be judged. Jesus taught us, "If you love me, follow my commandments." We are not saved by our works, but we do the right thing because we love Christ. We often compare ourselves to the standard of other fallen people, but not to God's standard.

All of us have sin, which is why we must all repent. The Greek word metanoia means to change our mind. When you're a toddler you might put dirty things into your mouth, but when you're in your 20s you have no desire to do that. In the spirit world we will still have free will, but no longer desire to do evil things.

Psychologists say you will become like the 5 people you spend the most time with. Make sure that God is one of those 5 persons!

Gary Rowe w/ Voter Scorecards in York County, PA

Homosexuality and infanticide are more ancient than Judaism and Christianity, but public schools teach that these are "modern." The media constantly tells us that we must believe in "tolerance," but where is the tolerance for those who believe in God's commandments? They promote the idea that you can create your own morality, but God is the source of morality. Hitler believed he was a higher consciousness being, an "uber mensch" beyond good and evil, but Christ came to reveal, judge and solve our sin.

"Higher consciousness" in itself is not what gives us value. The culture of most universities is licentious, saying that we should do what feels good. That is hedonism. Low-level relationships damage our hearts. People who focus on their own desires never develop unselfish communication and conflict resolution skills.

Just one premarital partner other than your spouse doubles the chance of future divorce.

Wanji Rowe in support of Pres. Trump outside Walter Reed Hospital

It's important to coach and witness to your children. We should make families that are like a strong swat team, training and working together. Educate your children about the reality of good and evil. You could read Karl Marx along with freedom-based thinkers such as Locke and Montesquieu so they can see the difference. The picture of a real man is Christ, the Bridegroom, who never abandons his flock. Sex is anointed in marriage. Even though there are higher rates of child abuse where the father is absent, tyrannies want to divide families. Many colleges ban conservative speakers who promote self-reliance, marriage and responsible parenting.

Following your feelings will ruin your life. Watching soap operas and TV dramas encourage this and can lead women to coveting other men.

Shin-pal & Soyoung Expecting Child

God used the Babylonians and Assyrians to punish the Israelites when they defied Him. God does not play favorites with in-group preferences. Instead He pursues justice. America is not immune from judgment. If it remains an apostate country, He will be forced to judge it and remove His hedge of protection.

The early pilgrims prayed and dedicated their community to God, but now prayer is banned in our nation's schools and 70 million babies have been murdered. One in four women have murdered their own child.

As it says in Matthew 11:12, the Kingdom of God has suffered violence, and the violent take it by force. We are still weak, but in God we are strong. We must not have comfort with sin. Christians must condemn, in love, what the Bible condemns. Not with lethal force, but praying for those struggling with sin. There is ethical use of lethal force in the heavenly kingdom. The vast majority of gun-owning people do not escalate fights and are taught how to use power responsibly.

Seungnam Moon, 4th Generation

Patience and forbearance are gifts of the Holy Spirit. In Christ, we have an unbeatable purpose and power, fighting for a Kingdom where all will be free.

Lift up your eyes to the heavens, look at the earth beneath; the heavens will vanish like smoke, the earth will wear out like a garment and its inhabitants die like flies. But my salvation will last forever, my righteousness will never fail. Isaiah 51:6

The word death is sacred. It is not a synonym for sadness and suffering. True Parents have created the term Sunghwa [ascension] to explain the true significance of death. The moment we enter the spirit world should be a time that we enter a world of joy and victory with the fruits born of our lives on earth. It is a time for those of us remaining on earth to send off the departed with joy. It should be a time for great celebration. We should be shedding tears of joy instead of tears of sadness. That is the way of the sacred and noble Sunghwa Ceremony, the first step the spirit of the departed takes toward enjoying eternal life in attendance to God, within His embrace. At the moment of death, our spirits should feel more excited and thrilled than a newlywed bride feels when she goes to her groom's home for the first time.

Icons of Evolution & Zombie Science

By William Brunhofer, Former Assistant Professor, Unification Theological Seminary

Jonathan Wells' remarkable twin works, Icons of Evolution (2000) and its sequel, Zombie Science (2017), debunk the top 16 arguments of both the classic and recent "icons" upon which the Darwinian theory of evolution hinges. Wells writes: "Empirical science is devolving into zombie science, shuffling along unfazed by opposing evidence. Discredited icons of evolution rise from the dead while more icons - equally bogus - join their ranks. Zombies are make-believe, but zombie science is real - and it threatens not just science, but our whole culture." (Wells 2017)

Indeed, this threat to "our whole culture," as he says, is easily seen as all the philosophers and practitioners of militant

materialism, chiefly Marx and his early followers, Lenin, Stalin and Mao, as well as, Ho Chi Min, Kim Jun Un, and so many more modern-day disciples everywhere in our political class who have hitched a ride on Darwin's "discredited" train of claims with its caboose, the new claims of the Neo-Darwinists. Like a religion with its Book (Origin of Species), its Canon (16 claims or "Icons"), and its Hero-Saint (Darwin), along with its Prophets, Priests and would-be Kings (Lenin, et al), the Darwinian "fact train" of "evidence" lumbers on. And Jonathan Wells reveals in a painstakingly scientific and scholarly way, the false claims, fakery and bare lies that populate the origin, canon and big idea of the great hero-saint, Charles Darwin, and his triumphant followers.

Our soul has escaped as a bird out of the snare of the trapper; The snare is broken and we have escaped. Psalm 124:7

This is the time of opening up the era of God's kingdom, Cheon Il Guk, a time in which we can return to the heart of the one true God. Please engrave this point on your hearts.

Once the actual era of Cheon Il Guk begins, the spiritual and earthly worlds will be connected and brought into oneness, and all things will be governed under the Union of the Spiritual and Physical Worlds Association, which will be established on earth for the first time. To have God is not enough. God and humans must cooperate and make one structure. SMM, *The Reality of the Spirit World,* October 26, 2011

Greetings!

Hyung Jin Nim started the Sunday service by praising the serious efforts of 430 brothers and sisters from Japan, Korea and other nations who came to Pennsylvania for the Rod of Iron Freedom Festival and the 150 who stayed to support the re-election of President Trump in this providential time.

Dave Bray USA Patriot & Christian Entertainer

5,473 registered and attended the Rod of Iron Freedom Festival two weeks ago despite the lockdown restrictions from Governor Wolf limiting public gatherings to 250.

This is the time to go beyond our limitations to defend freedom against the leftist attack against America. If leftist Democrats take control of the USA, the whole world and the Kingdom itself will suffer.

He also expressed appreciation for Steve Bannon who spoke at the ROI FF twice and passed on the Hunter Biden laptop files to the NY Post. (see Steve Bannon's interview with the 2 brothers below)

Sanctuary Church Sunday Service 10/25/20
w/ Performance by Dave Bray USA

He then introduced Dave Bray USA, a committed Christian Patriot, who has performed for the President and his family during the campaign this year. Dave expressed gratitude for our God-given liberty and for the soldiers who sacrificed their lives to protect our freedoms. He grew up in a small town. His father and brothers were veterans. He joined the Marines and trained as a sniper.

He explained that life without Jesus is like shooting without a front sight post. Hunting is great time to pray and reflect. He likes to hunt on an empty stomach since your senses become more aware. He urged those attending the service to continue to focus on our purpose in life and use all our senses for His purpose. At times he felt far from God, but was able to find his way back. God is the hunter of all mankind.

After the service many attended a fundraiser for Jim Bognet, Republican candidate for Congress, where Hyung Jin Nim was asked to give the invocation.

Steve Bannon's Interview of Hyung Jin Nim & Kook Jin Nim on The War Room Radio

Transcript of Steve Bannon's Interview of Hyung Jin "Sean" Moon and Justin Moon on "War Room" Radio

"SB" below refers to Bannon, "SM" refers to Sean Moon, and "JM" refers to Justin Moon.

SB: Ok, uh, I want to go now - we got over the weekend, I was honored on Saturday and Sunday to be work in the territory up in northeast Pennsylvania with Rod of Iron Ministries and a tremendous conference out there, the Rod of Iron conference. It's to bring the supporters of the Second Amendment together to hear motivational talks and to hear policy talks about supporting

President Trump. They're really focused on trying to get out to vote. I want to turn now to, we've got Justin Moon, who is the owner of Kahr, Kahr Arms, an innovative gun manufacturer, a gun company that's now relocated, it's actually in Pennsylvania, Pike County. And the pastor Sean Moon. Justin, Sean, I want to thank you guys very much. First off, Sean, I want to go to you, Pastor Sean. What is Rod of Iron Ministries? The concept Rod of Iron, I was so fascinated when Alexandra Preate and other Pennsylvania crowd came to me - the name in and of itself attracted me to want to be part of it, but what is Rod of Iron Ministries stand for?

Trump Rally at State Capitol in Harrisburg

SM: Well, the rod of Iron Ministries, it comes from the scriptures in the Bible that show a decentralized armed society as the Kingdom of God where the rulers or co-heirs with Christ are made into kings and priests as Revelation chapter 1 verse 5 states. And as the Bible says in Psalm chapter 2, we shall rule the nations with the Rod of Iron and dash them into pieces like the potter's vessel, but in the poimaino role, that is the shepherd's rule. Not obeying men's law like these crazy Chi-comm lockdown laws that we are protesting, but God's laws, serving God, guns and country.

Early morning HDK at the True Parents' Memorial

S B: So when you look at the CCP virus, reverend, I want to stay with Pastor Sean Moon for a second, I'll come to Justin in a minute, but when you look at the pandemic, when you look at what's going on particularly in a state like Pennsylvania, what's your beef? What's your problem with what they are trying to do since public health officials are just saying, "Hey, we want you to wear masks, we want you to lock down, we want you to social distance because the way to stop this virus is to listen to public health officials." So what is Rod of Iron, what's your complaint about that and what's your complaint? And how do you tie that back to your biblical kind of orientation?

OPEN LETTER TO THE FAMILY FEDERATION USA

Greetings!
First, I would like to express my sincere appreciation to many FFWPU and GPF brothers and sisters who spent countless hours praying, researching, spending personal funds and working to distribute the Presidential voter scorecards in Pennsylvania, North Carolina, Florida, several Midwestern states, Arizona, Nevada, and others. I'm sure True Father was happy to see Family Fed, GPF and Unification Sanctuary brothers and sisters working together to save America at this time when there is a coordinated attack on its survival as a constitutional republic. It reminded me of the time many of us worked together to try to salvage the Nixon presidency in 1973 and to elect Ronald Reagan in 1980. So, THANK YOU to all the brothers and sisters who prayed and shed their blood, sweat and tears during these past 3 months. I feel only deep love and respect for each one of you.

I have been keeping my mouth shut about a number of issues, but because of the urgency of this time feel I must now speak out honestly about a "big elephant in the room," the neutral stance of the organization formerly called to do God's will, the Family Federation for World Peace and Unification. In its November 2 article, "Ballots for God," (http://familyfed.org/news-story/ballots-for-god-69164/) it portrays the Democrat candidate for President, Joe Biden, as waging a "battle for the soul of the nation," saying "this has remained a core tenet of his campaign." It quotes him talking about "a calling toward justice, healing, hope—not hate. To speak the good news, and followed by some good deeds."

Wow, such beautiful words from the leader of a political party who may become our next president. But what is the reality of that party? Promotion of taxpayer-funded abortion not only until birth, but also infanticide AFTER birth if the abortion should fail. A party that wants to enforce transgender education of children in our public schools *starting in Kindergarten*. A party that minimizes the destruction of urban neighborhoods and burning and looting of minority businesses by "peaceful protesters." A party that wants our schools to teach children that America is "systemically racist," ie. founded for an evil purpose from its inception.

How do such agendas align with True Father's teachings about the founding of America as a nation founded to secure religious freedom and to support that same liberty for peoples all over the world? A nation that paid a heavy price to end slavery and more recently, segregation, and which now welcomes people of all races who seek to come here as long as they respect our laws?

Does anyone at the Family Federation headquarters read *The Washington Times?* Do flowery speeches masking a hateful, leftist agenda deceive all of its leaders? A 60 second search would reveal the true reality of the Party of "justice, healing and hope—not hate." (see list of links below)

I can't stop thinking about what True Father did in 1973 when he asked brothers and sisters to fast and pray for the Trump-like figure of Richard Nixon, the most despised figure in America. Father knew that if Nixon were impeached or driven out of office MILLIONS would die in Southeast Asia. And millions DID DIE after he was driven out of office.

Virtue-signaling churches for "peace" and the mainstream media hated Father for doing that. When Father mobilized church members to support the election of the dangerous "cowboy" Ronald Reagan in 1980, the die was cast to drive him out of our nation with the threat of imprisonment related to charges of tax evasion. They didn't count on Father's righteous and sacrificial willingness to go to prison in Danbury.

Now True Father's youngest son, Hyung Jin Nim, is standing up publicly to defend the Nixon-like figure, Donald J. Trump. A brash businessman who hardly ever measures his words, his record of accomplishment is nevertheless significant. I'm not just referring to his strengthening of America's economy and its military against very real foreign threats, or the recent peace treaties between Israel and several Arab states, but also his defense of religious freedom, removal of government transgender and racial education mandates, prosecutions of

human traffickers, etc., all while under relentless attacks from mainstream media, censoring Big Tech, Intelligence agencies saturated with leftist operatives and a weaponized Democrat House of Representatives that accused him of things that their OWN party had actually been doing (ie. collaborating with the governments of Russia, the Ukraine and Communist China).

Make no mistake, the attacks on Donald Trump are NOT just an attack on him. They are an attack on OUR freedoms of speech and self-defense, OUR Judeo-Christian beliefs about marriage and family, on OUR right to choose and keep a duly elected President, and on America's ability to defend freedom throughout the world.

Despite the "grandfatherly" and "peace-loving" image peddled by the media, Joe Biden and the Democrats' 2020 platform and agenda are little different from that of the Communist Party USA, and their victory would consolidate Chinese Communist/Islamist influence in the U.S. and their control of many parts of the world, likely including the East Asian nations in which many church members were born.

I don't have room here to offer details of these assertions, but please take a look at just a few of the links below. The bottom line is—**through election fraud the Democrat Party is in the process of stealing the U.S. Presidency.**
At this moment in history, what will Unificationists who knew True Father do? Will I do the easy thing and think that sharing pious words and virtue signaling are really doing God's Will? Or we will stand at this time in defense of fair, honest elections and the survival of our constitutional republic? I think I know what True Father would do.

If you understand that this is really about a clash of worldviews, between Judeo-Christian civilization and those who want to impose an ideological control of our speech and our lives, then please WORK TOGETHER with us to defend freedom! **This is not a time to be silent or neutral!** We must not allow our nation to be hijacked by individuals ideologically aligned with the hate-filled dialectic of Marx and Lenin.

We have little to gain by seeking photo ops with those seeking to destroy our nation. Let's work together to defend our nation so that it can defend those seeking freedom around the world. That is a key part of "God's hope for America," is it not?

America's PROVIDENTIAL Moment and I

Then Caleb quieted the people before Moses and said, "We should by all means go up and take possession of it, for we will certainly prevail over it." But the men who had gone up with him said, "We are not able to go up against the people, because they are too strong for us." So they brought a bad report of the land which they had spied out to the sons of Israel, saying, "The land through which we have gone to spy out is a land that devours its inhabitants; and all the people whom we saw in it are people of great stature. We also saw the [d] Nephilim there (the sons of Anak are part of the Nephilim); and we were like [e] grasshoppers in our own sight, and so we were in their sight." Numbers 13:30-33

You are on the battlefield under the command of God and the True Parents, and you will dash forward until you fight against and win over the last one of the satanic powers. From morning until night, you must be strong warriors. However fortified the fortress of Satan may be, however big the obstacles that are laid before you may be, you must go through them and win the goal. You must never forget that we are in the position to carry out this mission which is assigned to us by God. We are the princes and princesses of God to liberate the inhabitants of the spirit world, present population of the world, and future generations, from the bondage of sin. SMM, Our Present Mission, 8-4-74

Dear {First Name},
Since Hyung Jin Nim was not feeling well, he asked me to give the Sunday Service. This is a providential moment in American history, as significant as many of the events recorded in the Old Testament. The faith of patriots and sincere believers is being tested in the face of a relentless onslaught of mainstream media and Big Tech mocking anyone who questions the integrity of this presidential election and the premature declaration of Joe Biden as the next president of the United States.

Many of us remember the 2000 election when Al Gore was declared to be president by virtually all of the media. We all can remember the many accomplishments of the Gore presidency--except that it never happened. The Media do not have the authority to declare the winner of an election. They have been wrong in the past and I believe they will be proven wrong this time.

Make no mistake, if systemic voter fraud is allowed to deprive legal American citizens of their real choice, then our nation will no longer be a constitutional republic. It will no longer be able to stand as a beacon of free and honest elections for the rest of the world.

Without confidence in the electoral process, our nation could fracture permanently into warring factions, with tragic outcomes that could include some form of Civil War.

I read the transcript of Kook Jin Nim's speech at the True Parents' Memorial on the day after the election which was also the conclusion of the 21 day condition made by hundreds of Korean, Japanese and Western brothers and sisters mobilized to Pennsylvania. Here is part of what he had to say:

I mean this is very serious. I thought that people would wait a little longer for the legal warfare, wait a little bit longer, a few months, but it seems like it's at the stage where people are actually calling for civil war. The time is very serious. We of course, want to have a peaceful resolution and hopefully the Democratic Party gets out of this crazy mental situation that they are in and tries to gather a peaceful and fair resolution to this problem, but given the steps that they have taken, it does not look like it's going to happen. So, what will we see in America in the next few months? That is a big question.

Everybody needs to think about what it means to have your votes stolen in a republic. I mean if the Democratic Party is allowed to steal your votes in a presidential election, what does it mean for the citizens of this country, of America, and for the citizens of Korea and Japan and of all over the world? If the Democratic Party is allowed to steal the Republican Party's votes in this election, they will steal your votes for every election from now and forever.

So, when a people are in this situation, what options are available? What choices do we have? That's the question we need to ask ourselves. American society has been dividing for a long time, and nobody wanted to see this kind of situation happen, but we are faced with a situation where there is no way any reasonable person can step away from.

So, today we can see how the troubles are all coming together at one time here in PA; this state has really become the center of all the conflicts in this country. It's a very significant time in a very significant place.

We know that this country has faced many challenges, and each time this country faced such challenges, some people stood up at the frontline, and even sacrificed themselves to preserve the sovereignty of this people, in this nation, so they could pass on that sovereignty to their next generations. (Transcript of Kook Jin Nim's Speech)

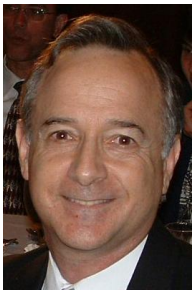

"Stop Voter Fraud"
Rally in Des Moines, Iowa

There are some in the faith community who say that since the highest value is "Peace," we should keep quiet in the face of the media-declared victory of Joe Biden. But the Bible's view of "peace" is different from a humanistic view. The peace spoken about in the Bible is the kind we experience when we are in alignment with God's will. We could be facing our own imminent death and feel perfectly in peace, knowing we are standing for Truth and therefor in God's love and lineage. Jesus and True Father showed all of us that example countless times.

We need to exercise faith, determination and patience at this time. We should pray for the Supreme Court which will likely be called to decide what must be done in the face of rampant voter fraud.

OPEN LETTER TO THE FAMILY FEDERATION USA

First, I would like to express my sincere appreciation to many FFWPU and GPF brothers and sisters who spent countless hours praying, researching, spending personal funds and working to distribute the Presidential voter scorecards in Pennsylvania, North Carolina, Florida, several Midwestern states, Arizona, Nevada, and others. I'm sure True Father was happy to see Family Fed, GPF and Unification Sanctuary brothers and sisters working together to save America at this time when there is a coordinated attack on its survival as a constitutional republic. It reminded me of the time many of us worked together to try to salvage the Nixon presidency in 1973 and to elect Ronald Reagan in 1980. So, THANK YOU to all the brothers and sisters who prayed and shed their blood, sweat and tears during these past 3 months. I feel only deep love and respect for each one of you.

I have been keeping my mouth shut about a number of issues, but because of the urgency of this time feel I must now speak out honestly about a "big elephant in the room," the neutral stance of the organization formerly called to do God's will, the Family Federation for World Peace and Unification. In its November 2 article, "Ballots for God," (http://familyfed.org/news-story/ballots-for-god-69164/) it portrays the Democrat candidate for President, Joe Biden, as waging a "battle for the soul of the nation," saying "this has remained a core tenet of his campaign." It quotes him talking about "a calling toward justice, healing, hope—not hate. To speak the good news, and followed by some good deeds."

Wow, such beautiful words from the leader of a political party who may become our next president. But what is the reality of that party? Promotion of taxpayer-funded abortion not only until birth, but also infanticide AFTER birth if the abortion should fail. A party that wants to enforce transgender education of children in our public schools *starting in Kindergarten*. A party that minimizes the destruction of urban neighborhoods and burning and looting of minority businesses by "peaceful protesters." A party that wants our schools to

teach children that America is “systemically racist,” ie. founded for an evil purpose from its inception.

How do such agendas align with True Father’s teachings about the founding of America as a nation founded to secure religious freedom and to support that same liberty for peoples all over the world? A nation that paid a heavy price to end slavery and more recently, segregation, and which now welcomes people of all races who seek to come here as long as they respect our laws?

Does anyone at the Family Federation headquarters read *The Washington Times?* Do flowery speeches masking a hateful, leftist agenda deceive all of its leaders? A 60 second search would reveal the true reality of the Party of “justice, healing and hope—not hate.” (see list of links below)

I can’t stop thinking about what True Father did in 1973 when he asked brothers and sisters to fast and pray for the Trump-like figure of Richard Nixon, the most despised figure in America. Father knew that if Nixon were impeached or driven out of office MILLIONS would die in Southeast Asia. And millions DID DIE after he was driven out of office.

Americans must speak out NOW!

"When I passed by you again and saw you, behold, you were at the age for love, and I spread the corner of my garment over you and covered your nakedness; I made my vow to you and entered into a covenant with you, declares the Lord God, and you became mine. Then I bathed you with water and washed off your blood from you and anointed you with oil. I clothed you also with embroidered cloth and shod you with fine leather. I wrapped you in fine linen and covered you with silk. And I adorned you with ornaments and put bracelets on your wrists and a chain on your neck. And I put a ring on your nose and earrings in your ears and a beautiful crown on your head. Thus you were adorned with gold and silver, and your clothing was of fine linen and silk and embroidered cloth. You ate fine flour and honey and oil. You grew exceedingly beautiful and advanced to royalty. And your renown went forth among the nations because of your beauty, for it was perfect through the splendor that I had bestowed on you, declares the Lord God.
"But you trusted in your beauty and played the whore because of your renown and lavished your whorings on any passerby; your beauty became his. You took some of your garments and made for yourself colorful shrines, and on them played the whore. The like has never been, nor ever shall be. You also took your beautiful jewels of my gold and of my silver, which I had given you, and made for yourself images of men, and with them played the whore. Ezekiel 16: 8-17

Humanity has established sovereign nation after sovereign nation in order to establish such a unified sovereignty, nation and domain. In this process, a great number of people lost their lives, innumerable citizens were sacrificed, countless nations were destroyed, and many sovereign powers were replaced by others. This, is it not obvious that the people standing on God's side and those who sacrificed their lives for these causes would wish for us to one day establish God's nation and world? CSG 1540

Dear {First Name},
At the beginning of yesterday's Sunday Service, Hyung Jin Nim discussed the importance of the Trump rally in Washington DC the day before. Patriots must speak out NOW in defense of our freedoms and constitutional republic.

He then discussed a passage in the Book of Ezekiel chapter 16 in which God judges the sacrificing of children to the pagan god, Baal. Today's version of such child sacrifice is the murder of children through abortion until the moment of birth, and even after birth, if the child should survive. Several years ago Project Veritas made public a video of a Planned Parenthood chapter leader talking about selling organs and body parts. 70 million human beings have been murdered since the Supreme Court's Roe v. Wade decision in 1973.

Abortion is a sacred value for advocates of the free sex lifestyle since it "solves" the consequences for the choice to have uncommitted sex, which the Word of God says must take place in a committed marriage.

Most of the world has been forced into a Communist style worldwide lockdown. The materialistic worldview has no concept of absolute values and human rights. Medium and small businesses have been shut down while big businesses are allowed to continue, bringing about an historic transfer of wealth.

We have witnessed an open stealing of an election and our rights to assemble, to speak, and to worship revoked by governors in several states. Big Tech unashamedly censors conservative views.

Beijing Biden promises to continue the lockdown. The nature of political satanism is to never give up power. CNN accuses Trump of mishandling the nation's Covid 19 response and spreads the fake rationales to force everyone to be in "lockdown," even though those under 60 years old have a 99.5% chance to recover from infection. Those without pre-existing conditions have virtually no risk.

We should remember that Nazi labor (death) camps were based on medical theories to justify eliminating Jews, Gypsies and other undesirables.

We see severe lockdown restrictions imposed on the population in Australia.

Kamala Harris said BLM protests must continue, even though the Black Lives Matter organization rejccts the "Western-prescribed nuclear family."

Nations receive the judgment of God when we abandon Him, but Heavenly Father has anointed Trump as a King Cyrus to fight for our freedoms amidst this leftist onslaught.

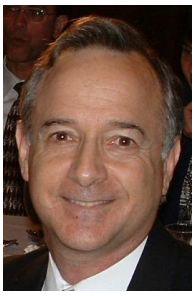

More than 200,000 peaceful citizens gathered yesterday in Washington DC to rally for the President with just 5 days to organize and Big Tech shutting down their Social Media pages. BLM protesters were cursing "FU," but most Trump supporters responded with "God bless you." If the BLM protester rejoined "I don't believe in God," one could respond: that doesn't disprove His existence.

Towards the end Trump supporters were singing "Battle Hymn of the Republic." There must have been a lot of high spirits of those who died in the Civil War and other battles to defend America joining to sing.

There is likely to be a "contingent election" on January 6. Every state delegation will have just one vote in the House of Representatives. Republicans have 27 majority state delegations. Democrats have 20 majority delegations. 3 delegations have equally tied delegations. So in that scenario the Republican delegations will have the votes to choose the next president.

When asked if the Administration was making it possible to have a smooth transition of power, Secretary of State Pompeo "we will have a smooth transition to a 2nd Trump administration." Let us all pray and rally publicly to support that!

Confessions of a White Nationalist at the DC Trump Rally

I drove with two friends down to the DC area Friday afternoon in advance of Saturday's Trump rally. We'd made reservations at a Holiday Inn in Maryland and reached the hotel after a 4.5 hour drive.

As we checked in I could hear the voice of MSNBC's Rachel Maddow speaking from the television in the lobby. She explained that a rally of "white nationalists and neo-Nazis" was to take place the next day. It took me a few seconds to realize that she was talking about me.

I didn't know I was a white nationalist, but her voice was authoritative, even persuasive. So I did a mental self-checkup. Even though my wife is Japanese and therefore we have biracial children, was it possible that deep down I was a "white nationalist?" I wasn't sure, so I did a Google search and found a tweet about "white culture," discussing a display from the National Museum of African American History and Culture about "Aspects and Assumptions of WHITENESS & WHITE CULTURE in the United States." The museum is part of the government-supported Smithsonian Institution so I knew this must be a trustworthy source.

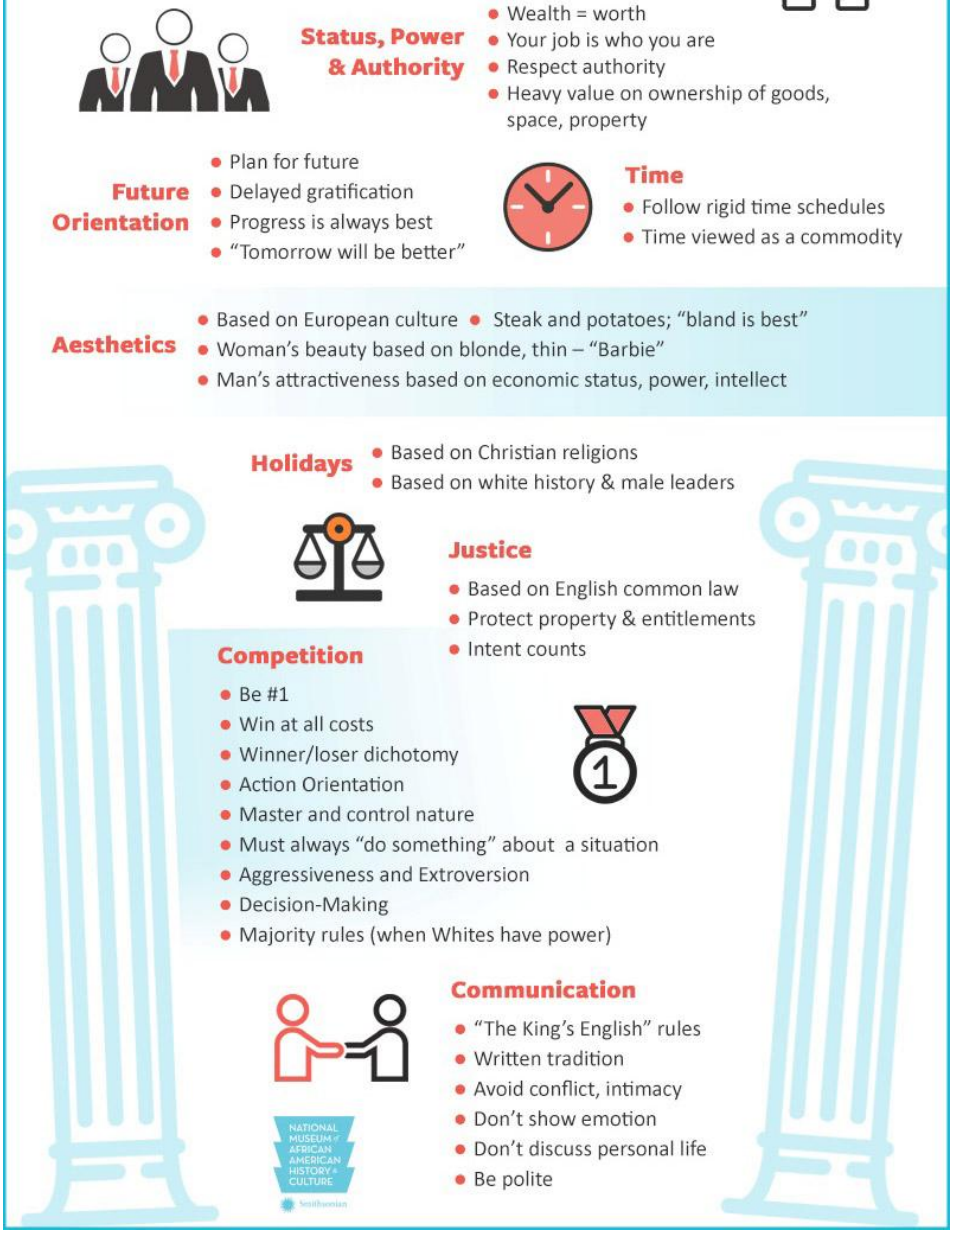

I learned that "White Culture" teaches such things as:

- Individuals should practice "self-reliance,"
- Husbands should support their families
- 2.3 children is the ideal
- Objective, rational linear thinking
- Hard work is the key to success
- Christianity is the norm
- Plan for the future and delayed gratification
- Justice based on English common law. Protect property. Intent counts.

Going through the list I realized that I had to admit to holding many assumptions of "white culture." I believed in people working hard, husbands supporting their families, trying to understand things objectively and rationally, planning for the future, delaying gratification, justice, protecting people from stealing by others or by the government.

While I'd failed to have 2.3 children, I was guilty of most of these other values. But I knew Asian and African immigrants who also strongly believed in these things as well, so were they infected with "white culture too?" I knew Black Americans who practiced these values, so were they cursed by "whiteness" as well?

I did more research about "white nationalists" and "neo-Nazis" and found a website of a white nationalist group called the "Patriot Front." Their website states "membership within the American nation is inherited through blood, not ink. Nationhood cannot be bestowed upon those not of the founding stock of our people."

Since my wife is a naturalized U.S. citizen from Asia, she would not be accepted as an American citizen by this group. Since I have Jewish ancestry, I wouldn't be either.

> They state that "America's goals will be sought with the united and enduring passion of the **national collective**. **No placement of the private interest above that of**

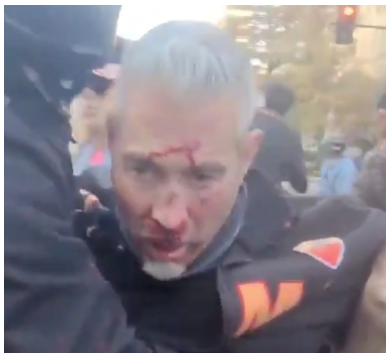

the common good will stand unopposed as the barriers impeding the nation's will are overcome."

Wow, this group places the "national collective" above private property. It advocates socialism benefiting "white people."

I realized that the white nationalist "Patriot Front" is the MIRROR TWIN of the Marxist Black Lives Matter group that also advocates socialism and Communism. One wants a government representing the "nation's will" to benefit those of European ancestry, the other wants government power to benefit "Blacks," "LatinX," and other "people of Color." They both advocate centralized government control of the economy to benefit preferred racial groups.

This is not what the founders of America created. Having fled centralized authority in Europe, they placed LIMITS on federal power, with protections for the rights of individuals, not the "collective."

As I traveled back home from a high-spirited and peaceful rally of people from many races to support our elected president against widespread, systemic election fraud, with no one advocating an America for one race only, I turned on a National Public Radio station and heard again that there had been a rally of "white nationalists" today.

The next day I learned that participants including elderly Trump supporters walking back to their hotels had been attacked by BLM and ANTIFA mobs. In one case, the DC police prevented Trump supporters from walking to their hotel, just a half block away, forcing them to go through a violent gauntlet of Black Lives Matter supporters who cursed, beat, and kicked several of them while they were bleeding on the ground. In other cases they surrounded and threw unknown liquids and punches at a young man and young woman and beat a man leaving the rally.

I have to admit I am amazed by the disciplined consistency of the MSNBC, CNN, NPR and other mainstream media as they march in lockstep to throw vitriol and contempt on our current President and those who support him. They almost had me convinced that the half of our nation who voted for Donald Trump, including myself, were white nationalist racists.

While the mainstream media libels Trump supporters on air, their shock troops on the ground mete out the punishment deserved by such "racists." As Candace Owens puts it, Black Lives Matter and Antifa are the Marxist foot soldiers of the Democrat Party who are given a pass by the leftist-controlled media.

The hate-filled spirit of the Bolsheviks and the brown shirts is alive and well on the streets of our nation's capitol and coming to a city or town near you. But if Biden takes residence in the White House, BLM will be there too, demanding payment for their services. All of us, and future generations, will be paying their awful bill.

A Time to DEFEND the Republic!

You yourselves like living stones are being built up as a spiritual house, to be a holy priesthood, to offer spiritual sacrifices acceptable to God through Jesus Christ. 1 Peter 2:5

One thing is true; if you are truly a slave of the love of God then you are the happiest person under the sun. That has been my own goal. Whether you are a laborer, merchant or dockworker doesn't make any difference. Ultimately men's hearts crave being slaves of God's love. I am pursuing the same goal, and I want to be the number one slave of God's love. Even though your hands are raising funds with flowers, they are working for the noble purpose of God's love, to save this world. Your arm is God's arm, and God is using it to recreate this world. There is no value in paying attention to my antagonists, and thus there is no fight. I want you to take pride in that position. It is our joy to be champions and stand for this cause, fighting every day against resistance.
We have already reached for the highest possible value. Are you happy? Do you think I am unhappy? No, I am proud. I am a fighter who has no reservations about his job. I am a tough man because I have the strongest power under the sun: the love of God. What should I fear?
SMM, “The Will Of God And Thanksgiving,” Feb. 12, 1978, Manhattan Center

Greetings!
Hyung Jin Nim started the Sunday Service by discussing how many patriots will be going to Washington DC on December 12 to demonstrate for fair elections. We have to be ready to protect each other from violent attacks from leftwing groups. Prayer has power. The J-team and K-team left their countries to come here to show their love for this country in this urgent moment.

The Rod of Iron Patriot Class is starting again with 6-7 instructors ready to lead classes, which include range time to practice pistol and rifle accuracy and safe practices. Go to www.RodofIronMinistries.org/training for more info.

Solomon intended to create a righteous kingdom, but his marriage to 700 wives plus 300 concubines degraded his kingdom with the foreign beliefs and values they brought with them.

The popular culture constantly criticizes “toxic masculinity” and people who cling to their Bibles and guns. When good strong alpha men are destroyed, they will be replaced by evil alpha men. Islam, which permits marriage to 6 year old girls, creates a very different civilization than does Christianity.

Feminists do not defend conservative women since their main objective is to promote a leftist agenda. They say that men cannot be trusted, but don’t worry, the government will take care of you, as long as you are not married. Lucifer seduced Eve but his main goal was to take Adam’s position of power. He brings in fear and distrust of men, so that women become married to the state.

The culture has replaced heroes like Superman with Harry Potter. Physical strength is replaced with “magical” powers. It encourages a culture of deception and self-delusion, where you don’t have to train hard.

Pastor Sean's Talk at Gettysburg PA 11/25/20

You can’t have liberty and licentiousness. When a population embraces hedonism, the pursuit of pleasure, it is less able to strive for higher values or to defend

itself. The joy of accomplishment comes on the foundation of pain and working hard.

In Communist China Mao Tse Tung's government funded nightclubs to promote drugs and alcohol so the population could be controlled. Prisons provide free food, housing and healthcare, but you are not free.

Through the Covid 19 lockdowns most countries have become open-air prisons. Many states are preparing for a second lockdown. European countries are planning to require papers to prove you've take a Covid 19 vaccine.

Lucifer was supposed to be a servant helping Adam and Eve, not controlling them.

Pastor Sean's Prayer at Gettysburg PA 11/25/20

We are the living stones of God's Kingdom. The founders of America chose liberty, not licentiousness. The blooming of sexuality in marriage desexualizes other relationships.

In Leviticus God had to forbid having sex with animals, children, and relatives, which other ancient religions permitted. Post-Christian culture is merely reviving such ancient satanic practices. Lucifer is called the "prince of the air," so communication, much of it fallen, takes place through the air waves.

President Trump is not perfect, but he is saying "no" to the degradation of our culture, with open borders for people expecting socialist benefits, sexualized education for our children, etc. God used the pagan King Cyrus to liberate the Israelites from Babylonian captivity so He can use whomever He chooses.

The public hearing on Election Fraud that took place in Gettysburg last Wednesday was a turning point, giving hope to patriots. Don't be demoralized. Resist the devil and he will flee!

WINNING the BATTLE for America!

For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Ephesians 6:12

I have accomplished these tasks oblivious to rain and snow. Nightfall was like dawn, and I would even forget to eat. I could not take this lightly because I knew God and felt the serious responsibility that comes with knowing God. More than anybody else, I knew how sorrowful God was. Thus, even if my body were torn apart, crumbled into dust and blown away, all those scattered cells would still cry out as God's cells. I grappled with this path of death, accepting it as a worthy death for a man. As I grappled with this, people thought I would perish and disappear, but things have turned out like this. CSG158

Greetings!

Hyung Jin Nim led teams of brothers and sisters from Japan, Korea and America to Georgia on Saturday where they joined a *Stop the Steal* rally in Atlanta before driving to Valdosta, Georgia for an evening rally where the President spoke to the tens of thousands who gathered tho show their support. On the way back Hyung Jin Nim led brothers and sisters to join a *Stop the Steal* rally in front of the Supreme Court in Washington, DC. on Tuesday morning where the Justices were hearing an Election-related case.

The next day Hyung Jin Nim spoke in an outdoor service at Panola Park in Georgia, he explained that pine trees represent God's vertical masculinity and eternality. Once people start to worship the feminine it leads to a fallen goddess culture where strong men are persecuted and rejected.

The Bible recognizes that all men have sin. The law given in the Hebrew Bible reveals our sin so that none of us can boast, but when we accept the victory of Christ, then God views us as having taken on the Christian's nature.

Open Air Service at Panola Park in GA 12/6/20

It is always a small group of people who influences the macrocosm. People were amazed to hear that we drove down from Pennsylvania, but when they found out that many came from Korea and Japan, they were even more amazed, saying, "I saw you guys in Breitbart! I saw you in the Epoch Times!"

We are fighting the armies of Satan and spiritual wickedness in high places.

Pastor Sean's Prayer at Gettysburg PA 11/25/20

Hyung Jin Nim had to start declaring what True Father said publicly when he anointed him in three public ceremonies. His own mother sent 40 guards to escort him off the palace property.

Now on the macrocosm, the wicked tenants include foreign governments, media corporations and the Deep State who want to steal the inheritance from the American people, who are the true owners of America. We need to have the spirit of the warrior. We need to change the MAGA slogan to MGGA, Make God Great Again.

We need God the Father because He is the warrior who trains his sons and daughters to be warriors willing to defend the Kingdom. With faith as a small as a mustard seed, we can move mountains.

Absolute Good Sex

For us to become the ideal people envisioned by God, that is, people of ideal character, and to create ideal families, we first need to be linked to His lineage.

Only when we are linked to God's lineage is it possible to establish the kingdom of the peaceful, ideal world.

Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage.

Available now on Amazon.com in Kindle and paperback.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

The Rotting Corpse of U.S. Journalism, and Fellow Travelers

And I tell you, ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened. What father among you, if his son asks for a fish, will instead of a fish give him a serpent; or if he asks for an egg, will give him a scorpion? If you then, who are evil, know how to give good gifts to your children, how much more will the heavenly Father give the Holy Spirit to those who ask him!" Luke 11:9-13

God knows that your path is a difficult one, yet He has to put you in that position regardless. You must be sympathetic with God for having to ask such things of His children. I knew that there was a reason for someone having to go that route, and when God chose me to do it I responded,"God, I want to do this and I understand Your heart in allowing this suffering to come to me. I know You have a reason and, therefore, I will completely accept and bear everything." That frame of mind opens up a whole new world where the most difficult and critical situation can be turned around 180 degrees. It is not God who will initiate that drastic change. You yourself must apply the formula. SMM, Let Us Think Once More, 6-12-77

Greetings!

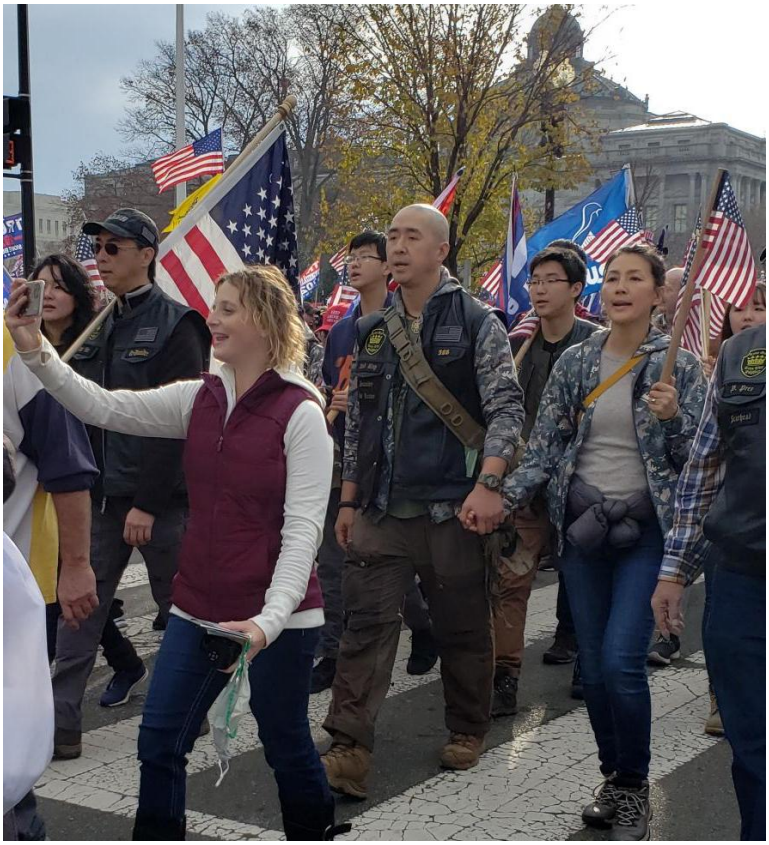

While convalescing from a cold, I recently saw a 2019 movie, *Mr. Jones,* about the role of the *New York Times* in covering up the forced starvation of millions of Ukrainians in the 1930s and the courage of one young journalist who risked his life to expose the whole stinking mess. The Times' "Man in Moscow" Walter Duranty received a Pulitzer prize for covering up Stalin's mass murder. The elites in the U.S. and the U.K. all agreed it was not a topic to be discussed in polite company.

Here in the U.S. the stench of Walter Duranty fills the airwaves as current U.S. media “experts,” “mainstream” media, Big Tech, and others cover up massive ongoing fraud as the U.S. election is stolen in several battleground states.

You would expect the followers of Rev. Sun Myung Moon to be at the forefront of denouncing this attack on American democracy. After all, didn’t he risk his life countless times to oppose government oppression including nearly 3 years in the Hungnam death camp?

There ARE many from the different factions of the Unification Movement who have donated, rallied, fasted, prayed, and spoken out both before and after the November 3 election, but what about the UC leadership? It’s not exactly a secret that True Father’s anointed son, Hyung Jin Nim, has been outspoken in calling for President Trump to stand strong against this Democrat Party supported electoral coup against our nation. He, his wife and children have been at the front lines in Washington, DC, Valdosta, Georgia, Harrisburg, PA and elsewhere calling for the American people to fight for the survival of our constitutional republic.

What about the others? I've heard nothing on the topic from Preston Moon or from the "Mother of Peace," who manifests little of her former husband's passion for "God-given rights," even as it is under full frontal assault by powerful interests with apparent ties to the Communist Party of China. (see "2020 Election Investigation: Who is Stealing America?" documentary, below).

2020 Election Investigation: Who is Stealing America?

One of her proud supporters recently posted a photo of Sun Jin Nim, her husband In Sup, Bishop Ki Hun Kim, and Mrs. Jenkins speaking with former Democrat Party Presidential candidate John Kerry at a banquet. Kerry gained fame for his Congressional testimony denouncing his former Vietnam War co-veterans as "baby killers." More recently, as Obama's Secretary of State from 2013 to 2017, he has gained praise from other leftist elites for supporting the discredited Iran "deal" which transferred billions of dollars to the leading sponsor of state terrorism in the Middle East.

It looks like today's FFWPU leaders, like Walter Duranty in the 1930s, know how to pick their alliances. Regardless of moral concerns, they are sure to pick the side of the media-approved incoming political elite. In the end, the "Mother of Peace" stands for… herself.

America's FOUNDING PURPOSE & the 2020 ELECTION

And the angel of the Lord solemnly assured Joshua "Thus says the Lord of hosts: If you will walk in my ways and keep my charge, then you shall rule my house and have charge of my courts, and I will give you the right of access among those who are standing here. Hear now, O Joshua the high priest, you and your friends who sit before you, for they are men who are a sign: behold, I will bring my servant the Branch. For behold, on the stone that I have set before Joshua, on a single stone with seven eyes, I will engrave its inscription, declares the Lord of hosts, and I will remove the iniquity of this land in a single day. Zechariah 3:6-9

The purpose of our leading a religious life is so that we can become the citizens of God's kingdom. Unless you do that, there will be no way for humanity and all creation to freely love you and to be proud of you as God's children. People without a nation are prone to face attacks at any time. They are bound to be placed in a miserable plight. More likely than not, they will be taken advantage of for no reason at all. In order not to become such people, the task we need to fulfill is to restore the nation desired by God, the nation that will serve as His foothold. SMM, CSG 1539

Greetings!

While Hyung Jin Nim traveled with more than 40 Sanctuarians to Georgia to participate in a rally to support the two candidates, Dan Perdue and Kelly Loefler, who are in a runoff election to maintain Republican control of the U.S. Senate, he asked Vince Benedetto, Founder and CEO of Bold Gold Media Group, to give the Sunday Service. Mr. Benedetto, a retired U.S. Air Force Captain, gave an inspiring message about the founding vision of America and the threat posed by those who have rejected those founding ideals by embracing worship of the State.
