A photograph of a man with a shaved head, wearing a green shirt and a dark vest, speaking into a microphone at a podium. Behind him is a large projection screen displaying the title "The Mystery of Babylon". The setting appears to be a stage or a church sanctuary with musical instruments like a drum set visible in the background.

THE MYSTERY OF BABYLON

SEPTEMBER 13, 2015

REV. HYUNG JIN MOON
NEWFOUNDLAND, PA

Today, we have to talk something, which is heavy. It has been very heavy upon my heart; but, it is something that is very important, because even one of those songs said, and I can't remember which song. I really need to hear those songs. I needed to praise God, because this is just so heavy. Everything that is going on. Sometimes, it can become overwhelming. You know, today is the final day of the Shemitah. It's actually the biblical Elul 29, today; and, historically, when you look at what has happened in the Super Shemitahs, in 1917 and in 1967, you see the see the following year, the following year after the Super Shemitah, there has been warfare. Wars have erupted, and particularly in the Middle East, they have erupted.

So, we are in a situation, where not only the world situation is at hand, but also the Cosmic situation is at hand. It truly is the final hours of the Last Days. We're living in that time; and, many times it can become very overwhelming and very heavy. But, you know, I have been reminded in that song, it said something along the lines it said, "God draws us to Him." And, I don't know if the lyrics were exactly in this manner. When I was hearing those songs and I was praising God, that God calls his people. He calls his people.

You know, God's Judgment is not to obliterate humanity. That's not the purpose; but, there would be no meaning in the warnings, if there was no potential for the warnings to be heard. The warnings are given, so that people wake up to the path they are going down. It is not a sign of God's hatred for humanity. It is a sign of God's love. He's trying to call us back to him; and, that's the kind of situation that we're in.

Now, with the closing of the Shemitah, we are reaching September 23rd, which is Yom Kippur, the Day of Atonement that is coming up very rapidly; and, of course many, many historical things are going on, even on that date scheduled for that date.

So, we live in a very serious time. You know, it is a serious time that we really have to get right with God. We really have to stand with God at this final hour. So, today, we want to talk about the Book of Revelation and I want to read Revelation 17 together with you all. Let's read from verse 1 to 6; and, we are going to go into each one, but let's just read it first, together.

Revelation 17

1 And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many

waters:2 With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. 3 So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. 4 And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:5 And upon her forehead was a name written, Mystery, Babylon The Great, The Mother of Harlots And Abominations Of The Earth.6 And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

You know, there comes a time there has to be discernment of what is good and what is evil. There has to be discernment; because, it is in this final hour, where the wheat is separated from the chaff. Those who stand with Christ are separated by him from those who do not stand with him.

So, what you believe in this final hour becomes very clear. Is Father truly the Lord of the Second Advent? Did you believe in him? Do you believe in him? This come clear. Will you stand and buckle to political correctness and go along with whatever everybody else is doing? Close your eyes to what has happened. We see that this has happened in the last year, but more and more people are waking up.

It is a time of separation. It is a time, where evil gets more evil; but, at the same time, good has to get more good. You know, when good is separated from evil, and all the Relativism and the Multi-Cultural Relativists doctrines out there in every field of society, trying to confuse us, and trying to lessen our discernment of what is right and what is wrong. When we are saturated with this type of culture, it is very hard to discern good and evil; but, at the final hour, it becomes absolutely critical, because at the final hour, it is hanging that at the decisions we make at the final hour.

You know, this word here, where it says that Great Whore that sitteth on the water, this is the Greek word, "porne;" and, we get this English word, porno or pornography from this word porne. Of course, it means "prostitute." It means, "Harlot;" but, it is interesting. It also means an Idolist community. It also means a group of people that has committed adultery against God; because, if you think about it, what is a harlot, or somebody who sells the precious part of their humanity, right? The greatest gift that God has given them, sells it for money, power, for benefits, whatever it is. That person will step into an intimate relationship with people who are not meant to be intimate with her, or him. Right? It is an illicit relationship. It's not an ordained relationship. Right? It is not the true relationship. It is relating in illicit relationships, and of course for money, for power, for benefit.

This is very important for us to know and understand; because, when we see the context of what the Harlot Mother has done, we can see that she has engaged in illicit relationships. People she should not be

intimate with, she has become intimate with. People she should not put her trust in, in terms of salvation, she has put trust in for her eternal Salvation; and, it is almost eerie and shocking, because when one of the brothers and sisters here, one of the brothers here showed us this verse, we were shocked, because it has been on the internet and things like that. But, I can remember on the day when she came out as the Empress, when we begged her not to do such a thing, when we told her to give freedom to the world, not slavery. Freedom to the world, not slavery.

It's very interesting, that Revelation 17 over two thousand years ago, predicted that exact moment. It says in verse 4, "And the woman was arrayed in purple and scarlet color, decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication." She was arrayed purple and scarlet and decked with gold and precious stones and pearls. This is almost unbelievable, because I have not seen these crowns before. Father and Mother used to wear the different crown. The diamond crowns. These were a different set of crowns, I guess made for this particular event; but, it is almost eerie how the Book of Revelation, biblical prophecy, prophesized this thing.

She stands with a scarlet crown. Purple robes, bedecked with jewels of gold and precious stones and a golden cup in her hand. That staff symbolized her authority. That's a staff we have never seen; because, Father never held that. They had made that, for that occasion, to my knowledge. I have not seen that staff before; and, this staff was to symbolize the authority and the power and the unquestionable nature of the Han Mother; and, of course in all that, in all of that, was the same Ceremony was the presenting of the new and redacted Scripture. Father's text was redacted. It was thrown away, and in his own... the name of the text in Cheon Seong Gyeong, another text was presented, which would totally, totally change the nature of Father's Cheon Seong Gyeong. That was done in the same day. This same Ceremony.

Now, a lot of people don't know, on that day, they tried. They had an order of events. You have the people who are organizing that event, they give you, you know, a play by play. What will happen at 10:05 and 10:06 and 10:10, you know. You have a play by play; and, at one section of the event, you had the passing of the New Scripture to the Han Mother. And, guess who was supposed to do that? They wanted Kook Jin Hyung to do that; because, of course, they knew how strong we stood against that.

So, in the cup that she holds, and the staff and cup that sits above it, is the symbol of her departing of Father. Divorcing Father. Now capitalizing on her newly achieved, in her mind, the deserved power that should be unquestioned, and shall have now whatever is done is done, and no one can say that this is wrong, because of that sign of authority. We didn't know what was going on at the time, but we read the Book of Revelation, and it's interesting, because it comes at the end of the Book of Revelation. It almost just jumps out of the middle of nowhere. It jumps out of nowhere. This thing about Babylon, and then the Porne of Babylon. But, literally to the exact choice of wardrobe that comes out.

“And I saw a woman sit upon a scarlet colored beast, full of names of blasphemy, having seven head and ten horns.” This, of course, is a very mysterious piece. Christians have been for generations have been trying to ask, “What is this beast that she sits upon?” Well, it’s very interesting. On that day, where she came out as an Empress in these new robes that we never seen, with the purple and the scarlet in it, and the gold and the diamonds, and the rubies on top, there was also, I believe on that day, or in that general timeframe, where the Tongil mark was forbidden, and every Church had to put up this mark. (The symbol of the Church Logo of the twelve gates of Jerusalem was changed to the FFWPU symbol.)

Now, it’s interesting about this mark, as someone was praying about this mark, all of a sudden, God showed them something, because it’s very interesting. This was the symbol. Not only did she push, but became the symbol the entire centralized hierarchy that was, of course, tyranny centered on Cheong Pyeong that was pushing for non-transparency, and the continuation of corruption, and the continuation of Japanese members seen as slaves and exploited. This mark became that mark.

And, let me ask you a question, “How many heads did you see in this mark?” We can count them. One-two-three-four-five-six. One-two-three-four-five-six; but, if you look closely, there is another head in that picture, which is right there. (The picture of the sun is counted as one of the heads, because it has the exact same shape as the other heads.)

So, you see, if you look at the hands of the people, they don’t look like hands. They look like horns. They look like horns. One-two-three-four-five-six-seven-eight-nine-ten. Right there. Seven heads and ten horns.

And, this becomes the beast, the machine which begins to persecute the people. That begins to persecute the people. What kind of people does this beast, this machine, this centralized power, what does this come against? Who does this come against? Does it come against just random people? Who does it come against? It comes against, who? “And I saw the woman drunken with the saints, and with the blood of the martyrs of Jesus.”

Just last week, a memo, an international memo was released that said, “Anybody who comes to Sanctuary will be cut off.” Right? Will not be considered. Every time, a new memo’s coming out. It is now coming up to the higher and higher levels, showing their true reality, talking about tolerance, talking about love, talking about family; but, not tolerant of the truth. At least here, we don’t talk about Relativist. We don’t tend to be Relativists. We clearly tell you, we can discern between good and evil. If you are evil, we’re going to tell you, “You are evil.” At least, we are truthful. We don’t try to lure you in by saying we are lovey-dovey with everything. Come on in. No! We have the discernment between good and evil. We don’t have to pretend to be Relativists here.

It's interesting, "And upon her forehead was a name written, Mystery, Babylon The Great." I was curious. What does Babylon mean? What does the name Babylon mean? What is the etymology of that word? It is the meaning of the "gate of the god(s)." Do you remember, one of the sermons in the past? I can't remember which one. Do you remember, I said, "Because, Mother, because she has set the precedent of changing the absolute unchangeable Word of God," you will now see this happen in every generation. You'll new narcissistic True Children in the Second, Third and Fourth Generation saying, "Well, Mother did it! Now, I'll do it!" They will become gods, because as Zeus and Hera becomes neophytes, then the children will become gods. Do you remember this?

Do you remember this? We talked to you about this a couple of months ago, maybe. It is the inevitable progression. Once you leave Monotheism. Once you leave the One God, you move to two gods, you move to di-theism. You cannot stop it after that. It is thee slope. You jumped off the cliff. Once you jump from Monotheism to di-theism, because now everybody else can become a god; and, if you look at every other pagan religion philosophy, any type of New Age thinking, it's cloaked. It's cloaked, and when it called Philosophical Relativism, Moral Relativism, Doctrinal Relativism, whatever it is, it's Relativism. It's cloaked in an idea that all people can become god. All of us our gods, and all of us can become god, and really the nature of god, or nature of evil, it is all psychological within you.

This, of course, is not a new teaching. These teachings come in many forms; but, they came of course in the Babylonian Empire, the Assyrian Empire, the Mesopotamian Empire, the Egyptian Empire, the same notions of divine hood. The Kings believed they could become gods. They were gods. Pantheons, Greek Pantheons, Roman Pantheons. Whatever you look at, and the New Age Pantheons that you see, all the different forms speak the same language, and that is, you become god. You are god.

And of course, that is the great deception. Making man believe they can become god. The first one to believe that was Satan. The first one to believe that he could become god, when he is not God, is Satan. So, you will see every Multi-Culturist, Relativist, cloaked in different language; but, if you are able to discern, you will be able to smell it a mile away. You'll be able to see through it, regardless as to how it's cloaked in different languages. You'll be able to see the final conclusion. Whether you call it Non-duality Binary Consciousness, the Enlightenment that is going beyond good and evil, whether you call it whatever, all those things mean the same thing. It means, when you become Enlightened, you become great or realize it, you become god; and, I'm sorry to say this, you will become, you have to become a disciple of Satan. You have to, because he's the one who believed that, when he was not God.

It's interesting, that this word Babylon means, "the gate of the gods." Almost as if because of the incredible Fall of the Han Mother. At the final moment. Father, as the Second Advent, brought her up to the stage of Perfection to have one more step. To have one more step, one, one more step to make; but, now she has opened up the gate of the gods. Now, in every successive generation you will see, you will

see Harlots and Abominations come from this, who claim that we can all be God, and they are God. You will see it. I guarantee you that you will see it.

When reading the Scripture, I was taken aback, because it said, "The Mystery, Babylon the Great, The Mother of all nations." This woman is referred as the Great Babylonian Harlot. The Scripture says, "The Mother of Harlots." What does that mean? It means, the progenitor of harlots. Progenitor of people who will seek illicit relationships that are not God centered, that will seek to justify illicit relationships. Why? The very root of it starts in illicit relationships. Her turning from Father. Her not lifting up her husband, and seeking her power and glory with other devils that were around. No discernment. No ability to stand by what is righteous. Not standing on what brings him peace. What brings him anger. And, if you don't know your parents, if you don't know God at all, if you can't discern from what pleases him and what does not, you are sailing through an abyss with absolutely no guidance. This is interesting, because it says "The Mother of All Harlots and Abominations." Because of this Fall, because it was done at the Comic level, the True Parents level, the repercussions are enormous. They're not small. They're unbelievable. They're unfathomable repercussions, because of this.

It's interesting, because when Father announced that we would be his Representative, he said it very clearly right here. (Pointing to a photo on the screen.) He said, "Anybody else who claims to be my Representative, that person will be a heretic and destroyer." None of us, when this was announced, none of us thought that Mother would be in that category. Not one of us. Not one of us, and that's why it was a mystery. For fifty years, she hid that mystery. We knew she had pain. We knew she had resentment. We knew those things; but, we did not know the extent to which she would evoke revenge upon her husband. We did know the extent. It was a mystery to all of us.

The "gate of the gods" which should not be opened, "The Mystery of Babylon" is the gate that she opened. The gate to Idolatry. The Gate to self-worship. The gate to narcissism. The gate to illicit relationships. The gate to Hell.

In the Leadership teaching, right now, in the Kori Church right now, you can see it. This is from the Japanese side, and this is their Leadership Training textbook. You can see very clearly, you can see very clearly, look down here. God, Eve and Adam. The places have been totally reversed, not only in one place, but right here. (Rev. Hyung Jin Moon is pointing to graphs on the screen) True Parents wife and husband. They're reversed. True Parents husband, wife, children. Look here, that's the normal Four-Position-Foundation; but, look at this? Totally reversed.

You see, this is what's called Doctrinal Relativism. There's a whole scandal in the Catholic Church going on. One of the brothers sent me, where even the Bishops, the leadership of the Catholic Church is dealing with this Doctrinal Relativism, because of the issue of homosexuality and the Pope is very supportive of

that, all that kind of thing; and, there's only a few Cardinals and Bishops who are saying, "Wait a minute. This is not according to the teachings of Christ. We cannot be Relativist and fit in with society. The whole purpose of the Church is to mold society, is to society that path leads to destruction."

Here in another textbook we can see it, again. God, Eve and Adam. The positions have been totally reversed; whereas, we know that Father stands in the position as the Subject, and anybody who is in his house knows clearly, that Father is the Subject. In my house, under Father, there's no debating that. Mother is not equal with him. Anybody who lived with True Parents knows it. Anybody! And, he was very clear with Mother about her mission from the start. Her mission is not to be a goddess. Her mission is to erase herself, to empty herself and to become totally one with the Will of God, the Will of the Messiah, the Will of the Second Advent.

But, look? In the actual teachings that are going on around the world that key Foundation, the Four-Position-Foundation, the key structure of the Kingdom of God, has been reversed. Right there, you can see it. Eva, Adam. In every single manifestation you see a direct and concerted effort to redact, to fundamentally change the nature of relationships; and, because that its happening, they of course feel that it is modern and fitting with the time, but of course, in reality, you are becoming a prostitute.

You're not standing on the Word of God. You're not standing on what God has given, and you're not standing on what really has power. When the husband is in the Subject position and is that leader of the house, when the wife is the Object and the children are there, there is power. That doesn't mean oppression. That doesn't mean beating of the wife. No. That doesn't mean any of that. It means proper positions. Love and respect. Love and respect. Unconditionally love your wife, even though she's unlovable at times. Wives unconditionally respect your husband, even though he's not respectable at times. That's the Commandment of the Scripture. Doesn't matter if he's playing games, or he's playing video games and you're thinking, "What is a grown man playing video games. I'm not going to respect him." It doesn't matter. You're supposed to deal with him in respect. Doesn't matter if your wife is nagging on you all the time. You're still supposed to deal with her in love, with love. Love and respect. That's the system which God creates. When there's love and respect, unconditional love and unconditional respect, there's power; but, everything of the Devil, everything of Satan tries to destroy that. Notice how Satan tries to make everything about love. It's not only about love. It's also about respect. It's not only about love, because if you're conflating love with your emotions, you'll be changing every three seconds.

Satan always tries to make it about love. It's all about love. It's all about love. No barriers. It's all about love. That's the perfect tool to make blind to what is good and what is evil. That is the perfect tool in philosophy. What is known as the Relativist tool, to lure you into ignorance, so you can't tell the difference what is good and wrong, because in your Relativist brain all you got rolling around is everything is love.

So, when you're worshipping Satan, and you're lifting up Lucifer's name, and your sacrificing children to him - Well, everything's love. It's the same path leading up the same mountain. I am sick of this Relativism. I heard it all the time at Harvard, and I am sick of hearing it, because it's brainless. If you're falling into that trap, you don't have a brain. It is called Relativism. It makes not discern what is right and what is wrong, because in that system, there is no wrong. Everything's okay. Be tolerant to everything, and that of course means being tolerant to Satan. And of course, if a nation adopts that philosophy, it will perish. It will perish, guaranteed. Guaranteed it will perish. Guaranteed!

In the text, one of the Eighth Great Textbooks that Father left for mankind, this is called the owner of lineage, look at this passage. It says right here, "Father is now going to throw away America and leave, when he was leaving America," and he said, while he was standing up in Hoon Dok Hae speech, he said, "You record this and put this into the Eight Great Textbooks," and everybody said, this is one sermon. They're going to put into a separate textbook. It would be very small. It's not that big; but, he put it aside along with hundreds and hundreds of volumes of his speeches. What's very fascinating, he said about this, "The Eight Great Textbooks, I've given you the curriculum." Look at this. "It is the curriculum for Mother." It says, "It is also your curriculum as well. It is everybody's curriculum. If the Mother cannot do it, if she turns out wrong," if she turns out to be sinful, if she turns out to be on the wrong path, you must say? What does that mean. "You have to be able to say to the Mother, you must repent, and if you do not receive the Blessing from me, there is no future for you."

You have to be able to tell her the truth. It's not about dealing with a physical mother. It's physical ... It's about seeing with God's eyes, dealing in the Spirit, in the Spirit World. Thinking of this person's eternal life before you think about political correctness or what other people will think. Think about that person's eternal life. You may be the only person that speaks some sense into that person. You may be the only catalyst that God uses to save that person.

Very interesting, because look how they redacted this right here. They redacted this right here in the new Scripture, obviously heretical. Notice, this whole curriculum for Mother. It's gone. Not even there. It's gone. "If your Father or Mother does wrong." Notice how they changed it. "Your Father and your Mother have to repent." "If you do not receive the blessing, you will not have a future. Since the blessing of the curriculum has come out, you are the Hoon Dok Hae ancestors, and you have to be able to Bless your father or your mother." Look how they have purposefully, purposefully taken out the direct message to Mother and put in third person tense to relativize it. It's right there in front of your face.

Revelation 17:14 These shall make war with the lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful. 15 And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

Remember, the whore here is porne. Illicit relationships. Relationships that are illicit. Relationships that are based on power, based on control, based on collusion to oppress people. This is what has happened. She of course, has made war against the people who stand in for Father, who stand for what he left to honor even a normal artist or normal man, you would honor what he left; but, how much more must you honor the Lord of the Second Advent. How much more. Not even comparable to a regular man. Not comparable, and they have waged, even started legal wars against us to shut us down.

She of course has sit in the throne, which is absolutely in Asian culture this get you killed. You do this in an Asian Monarchy culture, you're gonna get killed. This is the absolute, heinous, disrespectful thing you can do to the King who has past. Absolute most disrespectful thing you can do, and on more and more occasions that the people can now see.

It's interesting, because it says in **Revelation 18:2 And he cried mightily with a strong voice, (This is from Heaven, and it says) saying, Babylon the great is fallen, (the gate of the gods, right) is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. 3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.**

The Kings of the Earth. The people who were to be the Kings, fornicated. Fell into the sin of the fornication, illicit relationship with Satan. The merchants waxed rich from her. Of course, we know. Look at these multi-million dollar buildings. I believe this one, the Stadium in the avenue of four hundred to six hundred million. The Palace was four hundred million. I know the Palace was four hundred million. The Stadium in that avenue, I believe. Anyways, millions and millions of dollars. Of course, here we see the merchants, many of these are merchants, they have their own business which they used by stealing money from her using her as a tool. Tooling her. Using her for money streams. These are some of the top merchants.

You can see also a new generation of thieves being raised up. People who have no problem exploiting people. No problem enforcing tyranny upon people, so that they may live luxuriously. New generation. People who are in the culture of Satan, who turn a blind eye to having desecrated God. You see of course one of the hidden rulers, one of the top rulers, now has hidden in secret. Everyone knows Kim Hyo Nami, how she manipulates and totally exploits peoples, and even though her authority has been finished, continues to levy taxes upon people with higher and higher donations, and higher and higher Indulgences. Buy your Palace in Heaven. Buy your house in Heaven. Buy your sins away. Total heresy. And, that's why in a few months, we will be liberating all the ancestors up to two hundred ten generations. Father gave a responsibility to all brothers and sisters. I have the authority to do that, because when he was alive gave me the authority to liberate ancestors. I was doing that when Father was alive for the Korean veterans. I went all around Korean erecting stones with their names on it and we Blessed them in the Spirit World.

We will be doing that, and we will not be charging exorbitated thousands and thousands of dollars. You don't even have to make a donation if you want. You know why? Because it's all about your relationship with God. Our relationship with Father. It's about having the children be free from devils who try to exploit them. Use them as tools of money. Pitiful fools. Pitiful fools.

This of course is one of the merchants. Peace TV. This is the President. He's one, of course, one of the hidden manipulators behind Mother. Everybody in Korea knows of this guy's past. You know of course Peter Kim. All people who stood by Father, who served him. Got all the perks and benefits and when he past, "Oh, he's gone. Now, it's okay. Let her do whatever she wants, as long as we stay in power."

Kim Man Ho. Man Ho, as some people call him. Man Ho. People that have no problem selling their soul to the Devil for temporary money. Temporary money. So, so stupid, with no ability to look down stream.

Revelation 18:4 And I heard another voice in heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. 5 For her sins have reached unto heaven, and God hath remembered her iniquities.

This is God now talking to His people. We don't just listen to the opinions of men. We go to Scripture to see what God tells us to do. We go to Scripture, because that's the living Word, where God instructs us as to how to get through tribulation. And here God says very clear, **"Come out of her my people, that ye be not partakers of her sins... For her sins have reached unto heaven, and God hath remembered her iniquities."** **6 Reward her even as she rewarded you.** In some translations, it says, "to do double as to what she has done. Do double unto her what she has done." **and double unto her double according to her works: in the cup which she hath filled fill to her double.** That was the cup of abomination. It was the cup of Judgment. **7 How much she hath glorified herself, and lived deliciously;** Other translations say, "to live luxuriously." **so much torment and sorrow give her:** The NIV says, "Torture her and bring her sorrow." That's what it says. These are not my words. These are Scripture. When the Harlot of Babylon appears, the faithful who are being persecuted, are called to torment her; and, this is not easy for me, because I'm her son; but, I cannot look at her in the flesh. I cannot look at her in my physical relationships.

In the responsibility that Father has given me and all of us, we cannot see this physically. We know that every single person on the Internet is going to be saying, "Oh, you're calling your mother a harlot. Your calling her a prostitute. Your calling her this and that." I have to do what God constructs me to do, not things to make you happy. If her relationships are illicit, and if she sold herself to those relations for money and for power and the maintaining of her luxury, when she should have and all the people around her, all the harlots around her, and all the abominators around her, should have given that up and freed the people. How much she has glorified herself and lived deliciously.

It goes to say, **Rev 18:7 ... so much torment and sorrow give her. Why? She saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.** I sit a queen, and am no widow, and I will not mourn. I am a queen, is what she says. And, you can see, as many people have now pointed out, that look? Father's crown has gone. Father is uncrowned.

Some say it is behind there, but, it is hidden. And, as the Scripture says, "For she saith in her heart, I am a queen, and I am not a widow." My true identity, is my power as queen is her authority. It is not a wife to the King. It is not the Bride of Christ. My true identity is Queen. Power. Her Majesty. That's who I truly am. That's not who you truly are. The most, the most important identity is being the Bride of Christ. The most precious, the purpose of God's Creation is not to have a Queen. It's to have a wife, who lives for her Savior.

You can see it, also, how she deleted Father's name from the Blessing ring. Thousands have been deceived. Thousands wear this ring with the Messiah that has been erased. How foolish. You look at that and you see clearly, the anger, the resentment, the hatred. The hatred.

And so, under the Han Mother's leadership, we of course seen the Scriptures being redacted. How can you say to even respect the Church or the Hierarchy, when you don't even respect the Word of God? How can you even say, how can you even credibly say, respect us as the Hierarchy and respect us as the Palace? How can you even say it, if you don't even respect the Word of God? How can you say that?

Changing up to eighty percent of the Scripture. Changing the nation. It was one nation centered on God, which of course would have been the world at some point. The Kingdom of God, which then got changed to a different Spirit. Not one that Father wrote with blood, as he's been tortured in Hungnam for the Salvation of the world. The Family Pledge. The Pledges as we make as families. The Blessing vows. Changing from Monotheism to Ditheism. When Babylon means opening the gates, the gate of the gods. Opening the gate to polytheism, which leads to Idolatry. Excluding the Divine Principle from the Constitution. Doing legal action to erase True Father's face and symbol. I don't know why in the West they don't refer to it as the twelve gate symbol. In Korea it's known as the Tongil mark, or the Unification symbol.

Leaving her position as an obedient object. Accepting her position in relation to Christ. Every single Blessed family. It doesn't mean the wife is a slave to her husband. Her relationship is foremost to Christ. His relationship is the son of God. She is the Bride of Christ, you see. It's connected to one center. One center. One God. And, of course, dethroning Father. Sitting on his throne. Erasing True Father from the Blessing ring as you saw. You can't make this up. You cannot make this stuff up in a crazy Korean historical drama.

You cannot make this up. It's so unbelievably wicked, you can't make it up. Promoting the Han tribe lineage as pure over the Messiah's lineage. This is really the horseman of death, because why? The whole Scripture is a battle between God's blood, God's lineage and Satan's lineage. That's what the Scriptures about. It's about a warfare between God's blood and Satan's blood; and, God trying to establish His Kingdom and have His lineage, and you see what has happened. She said she was born pure in the womb, because her three generations of faithful Christians. That means every Italian and every Spanish person is pure. They have no need for the Messiah.

And this is under the current of everything; because, if you look at it, you have to really understand why she would do such a thing. Where does any First Gen come from? The lineages are not of God. They're Satan's lineages. Any First Gen person who got Blessed is from his father, or her father the Devil. So, we know that the Han tribe is a satanic lineage. It is not the lineage of God. We know that. Every single one of the First Gens are not. Right?

But, it's always been interesting, because in Cheon Seong Gyeong, Father said, if Mother fails, I will have to marry into the Queen of England's bloodline; and, it has always struck me as very bazaar. Why in the world does the Messiah have to marry the Queen of England's bloodline? Then of course we know the Queen, the line of the House of Windsor is connected to the Transylvania line, the Germanic bloodline, traced down to the Egyptian Pharaoh bloodline, is the bloodlines that were separate from God. Satanic bloodlines.

So, of course, she has had this revelation that she is the Only Begotten Daughter, and she is claiming she is the Only Begotten Daughter, but of who? Of who? Only Begotten Daughter of who? You can't be the Begotten Daughter of God, because he sent his Messiah already. Whose lineage are you lifting up? You see, if you understand that Mother's bloodline is a satanic bloodline, a pure satanic bloodline; and, Father had to, as the Lord of the Second Advent, he has to cleanse the most fallen bloodlines. Otherwise there's no hope for all the bloodlines. If there's medium bloodlines that he can only purify, and he can't purify the most unholy bloodlines, then that leaves out Salvation for those individuals.

So Father, when he married Mother, I saw Scriptures on it. He said, "She is prepared. She is pure. But he said, it's very ambiguous how it talks about that; because, if you understand he has to marry Satan's daughter as the King. As the returning Lord, he has to marry the bloodline of Satan, purify it, purge it, bring it to natural surrender. He brought her up to perfection, right to the lip of perfection, and if you understand that she has a satanic bloodline, you can understand what she has to do after Father passes. It's very simple. She has to throw away her bloodline. She has to say the Han lineage is no more. The Han lineage is unimportant. The bloodline of the Messiah is the gift from God. Very simple.

And, if she, as Kook Jin Hyung said, he was not supposed to put that crown on us. It was Mother. If she did that, there would be a shattering of Satan's dominion on Earth. If she denied her bloodline and denied herself, and stayed obedient with Father, we would have blessing, not Judgment. We would have not slavery, we would have freedom.

Rev 18 says, you see, this is the terrible reality. The great and terrible day. It says what will happen to her; and, I don't rejoice when I read this. I really don't rejoice.

Revelation 18:8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her. 9 And the Kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, lament for her, when they shall see the smoke of her burning,

When there is a failure in Providence, God moves it forward; but, at that level of Central Figure, there are consequences to turning away from God. There are consequences from turning away from your responsibility. Turning away from your duty and your love to glorify the King, and Father. This is why we speak in the way that we do; and, this is why, we have spoken in this manner. When I talk to Mother, of course respectfully on my knees fully, but I told her you will bring Judgment, if you go down this road.

Unfortunately, the decisions have been made. And so, before I ask my Omma to speak, I want to share real quick. When we had a Hoon Dok Hae on Friday, I got my Rhema in the morning and I just opened the Scripture, and it came right down on the Day of Atonement in Leviticus. And, it talked about how the head priest has to go into the Tabernacle, and he has to offer the sacrifice of the animal. And, that sacrifice will

be for his sins and his family's sins. And, he has to take a separate animal offer that as a sacrifice, as a sacrifice for the people. And, when I received that Rhema, that Rhema, you know, when you open the text and something weighing on your heart, God gives you the Scripture you need. I realize, Wow! Yes, we are standing in righteousness. Yes, we are standing against evil. Yes. But also, we have to console God's heart. We have to be strong against the Devil. Yes, we have to fight like warriors. Yes. But, we have to console our Father; because, he has been heartbroken the last three years seeing this type of betrayal, and he is angry.

It is our duty, at this time. Yom Kippur is coming up. Day of Atonement coming up. You know, I want to, I want to... I want to repent to Father. I don't want to stand her gloating in righteousness. I want to repent to Father. We tried our best. We did all that. Yes, yes, yes, yes, yes, yes, yes. The decisions she has made has stabbed him in the heart.

So, I'm not repenting for her actions. I don't want to repent for anybody else actions. I want to repent that Father has to endure being stabbed over and over again, and for the last three years. Umma, you want to say something on that?

Yeonah Nim:

Let us give one more big round of applause for our Pastor. Personally, I know that how much heartbroken is brought to him, as he prepared this sermon. He has been praying to give this sermon for several months; so, I know as his wife he has been really struggling, so that he has to give this message, give this truth to the congregation. I, just as I hear the sermon today, it brought so much sorrow and pain to my heart. To face the reality and the state of our Church, I, at one point I felt a pain in my heart. And, today, I brought one Scripture that I'd like to share with you.

You know, many people ask me, that, you know what? I tell the truth, and many people don't want to hear, but I keep on tell the truth; and, when they actually accept the truth, about the reality of the Han Mother, and that also brought, they saw it brought so much pain to that person. It was so unbearable to see, actually; because, when they face the reality, it is more than they can bear, and I was exactly in that same situation, because I know how much pain it was, how much sorrow it will bring. One brother told me that a Japanese missionary who was in the Middle East, she has been very faithful to Father in the Church, and she's willing to go to the Middle East to testify about Father; but, after she found out about the truth by watching Hyung Jin's video, she became so sorrowful, so painful, that she can't do her ordinary daily life things.

And, today, you know, I want to tell you that there's a Godly sorrow, and there's a worldly sorrow. I want to share that Scripture. It in II Corinthians 7:10. It says, **"Godly sorrow brings repentance, which leads to salvation and leaves no regret. But, worldly sorrow brings death."**

See, when we have a sorrow, centered on God, centered on Christ, that sorrow brings out repentance; and, that will eventually lead to salvation. So, when we have sorrow for what Father had to go through, then that is a Godly sorrow. When the sister in Middle East had to go through this sorrow, that's not worldly sorrow. She's not afraid of losing her position, power and complacent; but, she's been sorrowful for the Father, the pain that Father feels. See how that's Godly sorrow, and that can eventually lead to Salvation?

Then it continues to say, (II Cor 7:11) **"See what the Godly sorrow has produced in you. What earnestness. What eagerness to clear yourselves. What indignation, what alarm, what longing, what concern, what readiness to see justice done."** See how amazing the Holy Spirit can bring to you? When you bring yourself to repentance, it leads to Salvation brothers and sisters. Cling unto Father. Cling unto what Father has left unto us; because, he's the one who will bring us Salvation, who will bring us deliverance, who will bring us the Kingdom of Heaven. Aju!

Hyung Jin Jim continues:

Amen, amen, amen, amen, amen, amen! Let's finish with Cheon Seong Gyeong. Let's read together.

CSG 1134 Who grieved the most after the Fall? Who has wailed and writhed in pain the most throughout history? It is God. Why? God knows everything only too well. He would say, "Had Adam and Eve not fallen, they would have inherited this great undertaking – all of heaven and earth."

I want to invite all of you to stand. If everybody could come down. We want to pray. We want connect with Father. If you could come down and just hold your brother's hand. Hold your sister's hand. Put your arm around their shoulder, if you can. Let's stand in unity. Let's stand in oneness in front of God.

Father, we thank you for this day. Father, we stand in agreement, in agreement, Father. I miss all this, all that has happened. Father, so many times we forget the heartbreak that you have endured in being persecuted and being scorned and mocked and being made fun of. The last three years, all of us have felt indignation. Many times human indignation, Father. But, all those things cloud our vision into the paring of your soul. How your soul has been torn apart. The one who you died for. The one who you bleed for. The one who you were tortured for. The head of the Brides of Christ. The Mother who you raised up from, when she was young. Father, turning from you, to have illicit relationships. Relationships that pulled her away from you. Increased her resentment towards you. Amidst all those things, we easily can see all those things that has been done wrong, Father. Forget the unbearable torture that you have endured. But Father, at the same time, we as your children seek to know you. We seek to know you at a deeper and deeper level. We want to be children who can totally understand your heartistic Realm. Every corner, unspoken, but heart to heart, we know what you feel, Father.

Father, how unbearable it is to see all that you have prepared, all that you had for the future, crumble in three years. How terrible to see your people who you wished to free, to live in an age of liberation and complete release. To be put back into slavery. Father, we want to weep and wail for you, today; and, Father we want to repent. Yes, because your sorrow leads us to repentance. When we connect with your sorrow we want to repent, not because it makes us feel holy, or makes us feel we have done something right, but because we feel your sorrow. We want to come closer to you. Repentance, metanoia, turn from wickedness, turn from unrighteousness and run to you.

Father, we thank you that you are waking up the people, that every week people are being touched by the Holy Spirit, and miracles are being happening across the world. Father, we rejoice in that. We thank you; but, at the same time, we are sorrowful that you have to do it. We are sorrowful. Father, we are humble before you, because we have received so much grace before your throne. We have received everlasting life. We have received freedom and relationship with the Almighty God. Something that no man or woman can take from anyone of us. It is our birthright and it is our Kingdom. But, Father, never us never forget it is unearned, and it is not deserved. Never forget that we did not work to deserve it, but it is your unfailing love that has bestowed it.

Father, we come before you today, on our knees, we come before with hands raised to the heavens, because we want to pull closer to you, Father, at this time; and, at the time of tribulation, when Judgment is here, we don't want to see anything else. We want to see with your eyes. We want to hear with your ears, and we want to be with you, walk with you, and hold on to the hem of your garment.

Father, give us wisdom, discernment in this most precious final hour. Give us strength through persecution; because, Father, the Millennial Reign is coming. Your Kingdom is coming, and the Judgment is necessary to wash away the wickedness of this world; so, that your Kingdom, your Kingdom of Cheon Il Guk, of freedom and responsibility, the gift to humanity, can become factual. Father, a Kingdom where we can live with our Creator, as Kings and Queens. Children of God, where no human power or tyrant can sit above us, and command us to serve Archangels; but, where the children of God can be the Lords of Creation, and give you all the glory.

We thank you, Father, for this day. We thank you for this fellowship, and all the warriors of Christ, who are standing here, even though we are being persecuted. We give you all the praise, glory and honor. And, in your name, we thank you and pray. Aju, Amen and Aju!

Hug your neighbor. Encourage your neighbor. Tell them you are a child of God, and it is His gift. Amen, and Amen! Amen! Amen! A-men!
